Life insurance

If something happens to you, life insurance can help your family reduce financial stress.

Life insurance helps protect your family's finances by providing a cash benefit if you pass away. This ensures that they'll be financially supported, and can cover important things from bills to funeral costs. With life policies, you can get affordable life insurance protection for a set period of time.

Who is it for?

Everyone's life insurance needs are different, depending on their family situation. That's why group life insurance through an employer is an easier and more affordable option than individual life insurance.

What does it cover?

Life insurance protects your loved ones by providing a benefit (which is usually tax-exempt) if you pass away.

Why should I consider it?

Life insurance is about more than just covering expenses. Depending on your circumstances, it could take your family years to recover from the loss of your income.

With a life insurance benefit, your family will have extra money to cover mortgage and rent payments, legal or medical fees, childcare, tuition, and any outstanding debts.

Guardian, its subsidiaries, agents, and employees do not provide tax, legal, or accounting advice. Consult your tax, legal, or accounting professional regarding your individual situation.

You will receive these benefits if you meet the conditions listed in the policy.

Preparing and planning

Jorge's never considered purchasing life insurance, but after being offered it through work, he decides it's a smart way to protect his family.

Jorge has a mortgage, and because his wife is helping to take care of her mother, she only works part-time. In addition, his daughter is about to start college.

Jorge looks at how his family would be affected by losing him.

Average funeral cost: **\$9,000**

Average mortgage debt: **\$202,000**

Average cost of college: **\$17,000 - \$44,000**

Average household credit card debt: **\$8,500**

With life insurance, Jorge can make sure that part of these costs are covered if something happens to him.

Disability insurance

Short term disability

Disability insurance covers a part of your income, so you can pay your bills if you're injured or sick and can't work.

Disability may be more common than you might realize, and people can be unable to work for all sorts of different reasons. There are times when many disabilities can be caused by illness, including common conditions like heart disease and arthritis. However, many disabilities aren't covered by workers' compensation.

Who is it for?

If you rely on your income to pay for everyday expenses, then you should probably consider disability insurance. It helps ensure that you'll receive a partial income if you're injured or too sick to work.

What does it cover?

Many disability insurance plans pay out a portion or percentage of your income if you're diagnosed with a serious illness or experience an injury that prevents you from doing your job.

Why should I consider it?

Accidents happen, and you can't always anticipate if or when you'll become sick or injured. That's why it's important to have a disability policy that helps you pay your bills in the event of being unable to collect your normal paycheck.

You will receive these benefits if you meet the conditions listed in the policy.

Partial income replacement

Mike injures his back in a bicycle accident and can't work for 13 weeks.

Unpaid time off work: **13 weeks**

Elimination period: **1 week**

After a 1-week elimination period following his accident, Mike's Guardian Short Term Disability policy kicks in and replaces **\$400** of his weekly income for the remaining **12 weeks** of his rehabilitation.

This gives him a total of **\$4,800** to cover his expenses while he's unable to work.

This example is for illustrative purposes only. Your plan's coverage may vary. See your plan's information on the following pages for specific amounts and details.

Disability insurance

Long term disability

Disability insurance covers a part of your income, so you can pay your bills if you're injured or sick and can't work.

Partial income replacement

Jim suffers a heart attack that leaves him unable to work for two years.

Unpaid time off work: **24 months**

Elimination period: **6 months**

After a 6 month elimination period, Jim's Guardian Long Term Disability policy kicks in and replaces **\$2,000** of his monthly income for the remaining **18 months** of his disability or illness.

This gives him a total of **\$36,000** to cover his expenses while he's unable to work.

This example is for illustrative purposes only. Your plan's coverage may vary. See your plan's information on the following pages for specific amounts and details.

Your disability coverage

A SUMMARY OF DISABILITY PLAN LIMITATIONS AND EXCLUSIONS

Evidence of Insurability may be required on all late enrollees. This coverage will not be effective until approved by a Guardian underwriter. This proposal is hedged subject to satisfactory financial evaluation. Please refer to certificate of coverage for full plan description.

You must be working full-time on the effective date of your coverage; otherwise, your coverage becomes effective after you have completed a specific waiting period.

Employees must be legally working in the United States in order to be eligible for coverage. Underwriting must approve coverage for employees on temporary assignment: (a) exceeding one year; or (b) in an area under travel warning by the US Department of State. Subject to state specific variations.

For Long-Term Disability coverage, we pay no benefits for a disability caused or contributed to by a pre-existing condition unless the disability starts after you have been insured under this plan for a specified period of time. We limit the duration of payments for long term disabilities caused by mental or emotional conditions, or alcohol or drug abuse.

We do not pay benefits for charges relating to a covered person: taking part in any war or act of war (including service in the armed forces) committing a felony or taking part in any riot or other civil disorder or intentionally injuring themselves or attempting suicide while sane or insane. We do not pay benefits for charges relating to legal intoxication, including

but not limited to the operation of a motor vehicle, and for the voluntary use of any poison, chemical, prescription or non-prescription drug or controlled substance unless it has been prescribed by a doctor and is used as prescribed. We limit the duration of payments for long term disabilities caused by mental or emotional conditions, or alcohol or drug abuse. We do not pay benefits during any period in which a covered person is confined to a correctional facility, an employee is not under the care of a doctor, an employee is receiving treatment outside of the US or Canada, and the employee's loss of earnings is not solely due to disability.

This policy provides disability income insurance only. It does not provide "basic hospital", "basic medical", or "medical" insurance as defined by the New York State Insurance Department.

If this plan is transferred from another insurance carrier, the time an insured is covered under that plan will count toward satisfying Guardian's pre-existing condition limitation period. State variations may apply.

When applicable, this coverage will integrate with NJ TDB, NY DBL, CA SDI, RI TDI, Hawaii TDI and Puerto Rico DBA, DC PFML and WA PFML.
