Employee Time Record Sheet for Mandated Programs 121/02 CALIFORNIA ENVIRONMENTAL QUALITY ACT (K-14) STEP 3. EVALUATION DETERMINATION

Form Instructions

The purpose of this time record is to collect information on employee time spent working on programs mandated by the State. *Do not report time on this form that has already been reported on form 1.6 A-3.*

Employee Information

Your name, exact job title, time spent, and description of the activity is required by the State Controller to support the annual claim for reimbursement. The department and location information is used to obtain payroll information when necessary for determining the cost of the time spent on the program.

On the following sheet is a time sheet to report your participation in the mandated program. Indicate the time spent on each of the reimbursable activities. This form is "historical" in nature and is used to reconstruct the total amount of time spent throughout the year on the mandate reimbursable activities.

Activity Description

To assist you in determining the amount of time spent on the program, descriptions of possible items required for this mandate are listed for the relevant reimbursable activities. Indicate the total amount of time, if any, spent on each of the reimbursable activities.

If your activity generates work product such as new policy statements, new forms, brochures, meeting agenda materials, please send them along with these forms for our files.

Other Reimbursable Costs

Printing, stationary, postage, and other supply costs are usually reimbursable. You must attach to this form copies of vouchers for any expenses incurred. Equipment purchases are rarely reimbursed.

If your activity generates work product such as new policy statements, new forms, brochures, meeting agenda materials, please send them along with these forms for our files.
