PROGRAM: 868/02 PREVAILING WAGE RATE (K-14) PWR 1.4

DISTRICT: San Mateo CCCD

EMPLOYEE PRODUCTIVE HOURLY RATE INFORMATION

The purpose of this worksheet is to calculate the productive hourly rate of district staff who implemented the mandate. If you use monthly salary data, divide the amount by 150 hours. If you use annual data, divide the amount by 1800 (for most classified staff) or the actual days/hours worked by certificated staff less vacation, sick leave, and holidays. You can use 21% in lieu of actual benefit costs as a shortcut rate.
