Review of Faculty & Program Survey Responses

- survey sent out in May 2011
  - o plan to resend this semester in hopes of getting more responses from faculty & program heads
- 10 responses received for faculty survey
- 2 responses received for program survey (Learning Center & ESL)

Collecting Equity Info From Students

- find a way to determine whether equity is happening in the classroom – do students feel ignored/included/dissed/comfortable/considered with regard to ethnicity/race/gender/orientation/etc?
- distribution?
  - o on LC computers
  - o on A&R site during student registration
  - o distribute in classes
    - add question to Faculty Survey – “Are you willing to distribute an equity survey in your classroom?”
    - target specific courses to get distribution of students
- o Additional members of CSE?
  - Should we add an administrator, a representative from Student Services, faculty by Division, and more students?
    - The consensus is yes.

To Do

- write short history of plan (~1 paragraph)
- synthesize summary of faculty responses to questionnaire (David)
- wait for additional program survey returns
- have draft of Equity Plan by end of Fall 2011 semester
