

2023-2024 V1 Independent Verification Worksheet

Based on your financial aid verification indicator, you must submit this form and all required form in person. Unfortunately, there is no exception to this requirement.

Your 2023–2024 Free Application for Federal Student Aid (FAFSA) was selected for verification, a process in which SMCCCD is required by law to compare the information you provided on the FAFSA application and this worksheet against your 2021 federal income tax documents for you. To complete the verification process, you and your spouse must complete and sign this worksheet and attach required documents, if any. Then submit in person with all required documents to the Financial Aid Department. Once the Financial Aid Office reviews your documentation, corrections may be required if inconsistencies are found, which can result in a change of your financial aid eligibility. If information on this form is left blank or is unclear, we may ask for additional information.

Household and College Information

List name, age and relationship of household members (as defined below). Also, include the name of the college for household members who will be enrolled at least half time in a degree, diploma, or certificate program at a post-secondary educational institution any time between July 1, 2023 and June 30, 2024.

- The student.
- The student’s spouse, if the student is married
- The student’s or spouse’s children if the student or spouse will provide more than half of the children’s support from July 1, 2023 through June 30, 2024, even if a child does not live with the student.
- Other people if they now live with the student and the student or spouse provides more than half of the other person’s support, and will continue to provide more than half of that person’s support through June 30, 2024.

If more space is needed, provide a separate page that includes the student’s name and G# at the top.

Student 2021 Tax forms and Income Information:

Instructions: *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of the FAFSA on the Web at [STUDENTAID.gov](https://studentaid.gov).* In most cases, no further documentation is needed to verify 2021 IRS federal tax return information if the information has not changed. If the student and spouse filed separate 2021 IRS income tax returns, the IRS DRT cannot be used and the **2021 IRS Tax Return Transcript(s)** must be provided for each

Check the box that applies:

- The student (and spouse) has used the IRS DRT on the FAFSA to transfer 2021 IRS income tax return information into the student’s FAFSA.
- The student (and spouse) is unable or chooses not to use the IRS DRT on the FAFSA, and instead will provide the school with a **2021 IRS Tax Return Transcript(s)**
- The student (and spouse) was not employed and had no income earned from work in 2021. If you selected this option, you are **required** to submit a “Verification of Non-filing” letter.
- The student (and spouse) was employed in 2021 and have listed below the names of all employers, the amount earned from each employer in 2021. Provide copies of all 2021 IRS W-2 forms issued to the student (and spouse) by their employers or the IRS Wage Statement. List every employer even if the employer did not issue an IRS W-2 form. If you selected this option, you are **required** to submit a “Verification of Non-filing” letter.

If more space is needed, provide a separate page with the student’s name and ID number at the
