

SAN MATEO COUNTY COMMUNITY COLLEGE DISTRICT BOARD OF TRUSTEES
REGULAR MEETING AGENDA
November 13, 2007, 6:00 p.m.
District Office Board Room
3401 CSM Drive, San Mateo, CA

NOTICE ABOUT PUBLIC PARTICIPATION AT BOARD MEETINGS

The Board welcomes public discussion.

- *The public's comments on agenda items will be taken at the time the item is discussed by the Board.*
 - *To comment on items not on the agenda, a member of the public may address the Board under "Statements from the Public on Non-Agenda Items"; at this time, there can be discussion on any matter related to the Colleges or the District, except for personnel items. No more than 20 minutes will be allocated for this section of the agenda. No Board response will be made nor is Board action permitted on matters presented under this agenda topic.*
 - *If a member of the public wishes to present a proposal to be included on a future Board agenda, arrangements need to be made through the Chancellor's Office at least seven days in advance of the meeting. These matters will be heard under the agenda item "Presentations to the Board by Persons or Delegations." A member of the public may also write to the Board regarding District business; letters can be addressed to 3401 CSM Drive, San Mateo CA 94402.*
 - *Persons with disabilities who require auxiliary aids or services will be provided such aids with a three-day notice. For further information, contact the Executive Assistant to the Board at (650) 358-6753.*
 - *Regular Board meetings are taped; tapes are kept for one month.*
-

October 24, 2007
San Mateo, CA**

The meeting was called to order at 6:17 p.m.

Board Members Present: President Hausman, Vice President-Clerk Holober, Trustees Mandelkern, Miljanich and Schwarz, and Student Trustee Young

Others Present: Chancellor Galatolo, Executive Vice Chancellor Keller, Skyline College President Morrow, College of San Mateo President Claire, Cañada College President Mohr, and District Academic Senate President Dilko

Pledge of Allegiance

DISCUSSION OF THE ORDER OF THE AGENDA

President Hausman announced that Board Report No. 07-10-105B, Approval of District Participation in Kaiser/US Department of Labor Community Based Job Training Grant Proposal, is removed from the agenda for tonight's meeting.

MINUTES

It was moved by Trustee Mandelkern and seconded by Student Trustee Young to approve the minutes of the Study Session of the Board of October 10, 2007. The motion carried, all members voting "Aye."

PRESENTATIONS TO THE BOARD BY PERSONS OR DELEGATIONS

Teaching and Learning Series: Podcasting (07-10-2C)

Vice Chancellor Jing Luan introduced Jim Petromilli, Liaison Officer with the District Information Technology Services. Mr. Petromilli explained that the District belongs to iTunesU, a free service through which course materials and other events can be accessed and downloaded onto a computer, iPod or MP3 player. Mr. Petromilli introduced Skyline College Art History Professor Bridget Fischer and Cañada College Math Professor Ray Lapuz, who shared information about how they incorporate podcasting into their instruction. CTL Instructor Peter Bruni was not present due to illness but provided input through the use of podcasting.

Professor Lapuz said he began to post lecture notes online with tablet PCs. With podcasting, he started to include audio as well, which allows students to re-listen to the entire lecture or any part of it. Professor Lapuz shows writing occurring over the narration, e.g., a "virtual calculator," so that students can actually see a problem being completed. Since the screens on iPods are small, it is helpful to students that podcasts can be downloaded onto a computer as well.

Professor Fischer uses podcasting in both online and in-person classes, using text and audio. Students can skip to areas they may have missed or catch up if they miss a class entirely. The podcasts are also an asset to hearing- or visually-disabled students. Professor Fischer demonstrated examples of her podcasts, including slides of French gothic architecture enhanced by music and an example of an artist talking about the creation of his work.

Peter Bruni demonstrated one way he uses podcasts for his English classes. He first presents the text of lyrics to a song, then adds audio, and finally adds video to accompany the song. A discussion then takes place concerning what the lyrics suggest to students and how the media changes the way the song is interpreted.

President Hausman thanked the presenters for their very interesting presentation.

STATEMENTS FROM EXECUTIVES

Executive Reports were presented by Skyline College President Morrow, College of San Mateo President Claire, Cañada College President Mohr, Executive Vice Chancellor Keller and District Academic Senate President Dilko.

Copies of the Presidents' Executive Reports were available for distribution at the meeting and are attached to the official minutes of record.

Chancellor Galatolo thanked Jim Petromilli and the other presenters for their report on podcasting. He noted that today's students are comfortable with technology and that an increasing number of faculty are using the program. He thanked the Board of Trustees for their continued support of the use of technology.

Adding to her written report, President Morrow announced publication of the Spring 2008 Class Schedule and the College Almanac; these two documents were distributed to the Board.

Adding to his written report, President Claire provided an update on a fire which occurred last week. He said it was a very minor fire in a custodial closet, caused by spontaneous combustion. He commended Helen Souranoff and Linda Davy for their prompt response to evacuate students from the area. President Claire noted that the Board received personal invitations from Music Professor Mike Galisatus for the annual "Jazz Fest" on November 16, and announced that "Roots of Latin Rock," featuring Professor Rudy Ramirez, will be held on November 14. President Claire distributed copies of the brochure titled "CSM – It's a smart place to be." President Claire asked that tonight's meeting be adjourned in honor of Ralph Lane who passed away on October 9.

Adding to his written report, President Mohr said that several hundred students gathered earlier today for Model UN Day at Cañada College. Flags from many nations were on display and students were talking and learning about other countries.

Executive Vice Chancellor Keller introduced and welcomed Mike McGrew, Director of Maintenance and Operations. Executive Vice Chancellor Keller presented a brief description of current construction projects at the Colleges and noted that ongoing construction updates will be provided to the Board. Executive Vice Chancellor Keller said the Governor signed Senate Bill 614, extending the use of the design-build process to all community college districts. In addition, the bill lowers the threshold to projects exceeding \$2 million instead of the previous \$10 million.

Academic Senate President Dilko said that faculty have been busy administering midterms, preparing for registration, and meeting with accreditation team members. A new, upgraded District Academic Senate web site has been launched, and President Dilko thanked Jasmine Witham of ITS for her assistance. The Senate is working with Vice Chancellor Luan on projects to better serve students, including concurrent enrollment, distance education, and online training. Representatives from each campus will attend the State Academic Senate Plenary Session next week. President Dilko distributed a brochure titled "What Has the Academic Senate Done for You Lately?"

Cañada College Associated Students President Juan Arias said that for the first time in many years, Cañada has a full Student Senate. He described a summer retreat in San Francisco at which Senate members worked together on team building, communication and trust. Later, in Santa Cruz, they continued to identify and prioritize goals for the coming academic year. The ASCC also received training on Title 5, the Brown Act and Robert's Rules of Order. Mr. Arias and Student Senator Emmanuel Caballero attended the Leadership Institute in Champaign, Illinois. Other ASCC activities included a barbecue and school fair to begin the academic year, attendance at a San Francisco Giants game, provision of campus tours, and today's Model UN event. Upcoming events will include a Halloween spectacular, a spring retreat, a holiday food drive, and attendance at the General Assembly in San José. There are 13 registered clubs at Cañada. The Political Awareness Club is planning activities for the upcoming election and the Pre-med Club is raising funds for Doctors without Borders.

STATEMENTS FROM THE PUBLIC ON NON-AGENDA ITEMS

None

NEW BUSINESS

APPROVAL OF PERSONNEL ACTIONS: CHANGES IN ASSIGNMENT, COMPENSATION, PLACEMENT, LEAVES, STAFF ALLOCATIONS AND CLASSIFICATION OF ACADEMIC AND CLASSIFIED PERSONNEL (07-10-2A)

It was moved by Vice President Holober and seconded by Trustee Mandelkern to approve the actions in Board Report No. 07-10-2A. The motion carried, all members voting "Aye."

ADOPTION OF RESOLUTION NO. 07-10, INCREASING THE EMPLOYER'S CONTRIBUTION UNDER THE PUBLIC EMPLOYEES' MEDICAL AND HOSPITAL CARE ACT (07-10-3A)

It was moved by Trustee Mandelkern and seconded by Trustee Schwarz to approve adoption of Resolution No. 07-10. The motion carried, all members voting "Aye."

APPROVAL OF CONSENT AGENDA

The Consent Agenda consists of the following Board Reports:

07-10-2CA Declaration of Surplus Property

07-10-3CA Disposition of District Records

It was moved by Trustee Miljanich and seconded by Trustee Schwarz to approve the items on the Consent Agenda. The motion carried, all members voting "Aye."

Other Recommendations

APPROVAL OF DESIGN AND CONSTRUCTION CONSULTANTS (07-10-101B)

It was moved by Trustee Schwarz and seconded by Trustee Miljanich to approve the consultants as described in the report. The motion carried, all members voting "Aye."

CONTRACT AWARD FOR BUILDINGS 5/6/8 CHILLED WATER LINES EXTENSION AT CAÑADA COLLEGE (07-10-102B)

It was moved by Trustee Schwarz and seconded by Trustee Miljanich to approve the contract award as described in the report. The motion carried, all members voting "Aye."

APPROVAL OF AUGMENTED PAYMENT TO THE SOUTH BAY REGIONAL PUBLIC SAFETY TRAINING CONSORTIUM FOR THE 2007-08 PEACE OFFICERS TRAINING ACADEMY, COLLEGE OF SAN MATEO (07-10-103B)

It was moved by Trustee Mandelkern and seconded by Vice President Holober to approve the augmented payment as described in the report. The motion carried, all members voting "Aye."

ADOPTION OF RESOLUTION NO. 07-11, IN COMPLIANCE WITH NATIONAL INCIDENT MANAGEMENT SYSTEM (NIMS) AND CALIFORNIA STANDARDIZED EMERGENCY MANAGEMENT SYSTEM (SEMS) REQUIREMENTS

It was moved by Trustee Schwarz and seconded by Vice President Holober to approve adoption of Resolution No. 07-11. The motion carried, all members voting "Aye."

INFORMATION REPORTS

FALL 2007 CENSUS REPORT (07-10-3C)

Vice Chancellor Jing Luan referred to the printed report which shows increased enrollment in many segments, including day and evening students, full-time and part-time students, and non-resident students. Data on FTES will be reported at semester end. Vice President Holober asked if there is information on growth in enrollment of younger students since the implementation of the Futures Initiative. Vice Chancellor Luan responded that there

was a very positive response, with a 41.3% increase in concurrent enrollment registrations. He said that Distance Education is also growing steadily and is being closely monitored by the Distance Education Advisory Committee; a report on this program will be presented to the Board at a future meeting.

STATEMENTS FROM BOARD MEMBERS

Trustee Schwarz said she is not receiving copies of the Skyline College student newspaper; President Morrow said she will check on the distribution list. Trustee Schwarz attended the Arts and Olive Festival and the Trivia Bee at Cañada College. She also enjoyed a spa treatment at the Euphoria Wellness Spa in the Cosmetology Department at Skyline College. She commented that it is difficult to get an appointment at the spa because there are few students enrolled in the program. President Morrow said that the current location is not conducive to a spa atmosphere and that the new facility should help to enhance the program. She also noted that this is one area that will be included in a targeted marketing effort.

Student Trustee Young commented that the visit by the accreditation teams presented an opportunity to showcase the campuses and the outstanding faculty at each College. She thanked Cañada College Associated Students President Juan Arias and Skyline College Associated Students President Lauren Hernandez for attending tonight's meeting.

Trustee Miljanich recognized Student Trustee Young for her thoughtful comments at the earlier meeting with the accreditation team, and added that Student Trustee Young is an asset to the District.

President Hausman enjoyed the Art and Olive Festival at Cañada College.

COMMUNICATIONS

None

RECESS TO CLOSED SESSION

The Board recessed to Closed Session at 8:10 p.m.

The Board reconvened to Open Session at 8:35 p.m.

CLOSED SESSION ACTIONS TAKEN

President Hausman reported that, at the Closed Session just concluded, the Board considered the personnel items listed on the printed agenda and voted 5-0 to approve the actions in Board Report No. 1-A.

ADJOURNMENT

It was moved by Trustee Schwarz and seconded by Trustee Miljanich to adjourn the meeting. The motion carried, all members voting "Aye." The meeting was adjourned at 8:37 p.m. in honor of Ralph Lane.

The next meeting of the Board will be a Regular Meeting on Tuesday, November 13, 2007 at 6:00 p.m. in the District Board Room.

Submitted by

Ron Galatolo
Secretary

Approved and entered into the proceedings of the November 13, 2007 meeting.

Richard Holober
Vice President-Clerk

BOARD REPORT 07-11-1A

TO: Members of the Board of Trustees

FROM: Ron Galatolo, Chancellor-Superintendent

PREPARED BY: Harry W. Joel, Vice Chancellor, Human Resources and Employee Relations
(650) 358-6767

APPROVAL OF PERSONNEL ITEMS**A. REASSIGNMENT****Skyline College**

Regina Morrison Program Supervisor Student Services

Promoted from a Financial Aid Technician position in the Financial Aid Office at Skyline College, effective November 1, 2007.

Patricia Tyler Division Assistant Science/Mathematics/Technology

Reassigned from an Administrative Secretary position in the Instruction Office at Cañada College, effective October 18, 2007.

B. CHANGES IN STAFF ALLOCATION

Recommend a change in staff allocation to delete one full-time (100%) Programmer Analyst position (1C0167) at Grade 37 of the Classified Salary Schedule 60 in the Construction Planning Department and to add one full-time (100%) Administrative Analyst at Grade 195S of the Classified Professional/Supervisory Schedule 40, effective November 14, 2007.

C. SHORT-TERM, NON-CONTINUING POSITIONS

The following is a list of requested classified short-term, non-continuing services that require Board approval prior to the employment of temporary individuals to perform these services, pursuant to Assembly Bill 500 and its revisions to Education Code 88003:

<i>Location</i>	<i>Division/Department</i>	<i>No. of Pos.</i>	<i>Start and End Date</i>		<i>Services to be performed</i>
Cañada	Academic Support Services/Upward Bound	1	10/25/2007	6/6/2008	Instructional Aide I: Provide individual/group tutorial sessions on homework, study skills/task management, and preparation for college. Two positions were originally requested, but due to an inadvertent error, only one was included for approval by the Board on October 24, 2007.
CSM	Language Arts/READ and ESL	1	11/14/2007	6/2/2008	Instructional Aide II: Edit and re-writing textbook instructional materials for use on the computers in the READ/ESL Center.

BOARD REPORT NO. 07-11-2A

TO: Members of the Board of Trustees

FROM: Ron Galatolo, Chancellor-Superintendent

PREPARED BY: Harry Joel, Vice Chancellor Human Resources (358-6767)

**AMERICAN FEDERATION OF TEACHERS, LOCAL 1493, AFL-CIO (AFT)
INITIAL CONTRACT PROPOSAL TO THE DISTRICT AND
DISTRICT'S INITIAL PROPOSAL TO AFT**

The Board is receiving a proposal from AFT, Local 1493 as required by the Educational Employment Relations Act. This proposal is for non-economic items related to the 2006-2009 collective bargaining agreement which provided up to three non-economic proposals. The District has no proposals regarding any non-economic items in the current contract which will expire on June 30, 2009

Staff submits the following initial proposal to the Board before holding a public hearing on the AFT proposals as required by the Educational Employment Relations Act.

RECOMMENDATION

It is recommended that the Board of Trustees accept AFT's initial proposal and the District's initial proposal to AFT, and hold a public hearing of the proposals at the next regularly scheduled Board meeting.

October 18, 2007

1700 W. Hillsdale Blvd.
Building 15, Room 131
San Mateo, CA 94402
650 574-6491

To: Harry Joel, Vice Chancellor
Human Resources & Employee Relations
San Mateo County Community College District

From: Joaquín J. Rivera, Chief Negotiator 
San Mateo Community College Federation of Teachers, AFT Local 1493,
AFL-CIO

Re: Contract Proposals for the 2007-2008 Contract of Academic Employees in the
San Mateo County Community College District

Please transmit these contract proposals to the Board of Trustees in order to initiate negotiations for a new contract.

Article 17 Grievances

The Union will be proposing to modify the language regarding grievance procedures.

Article 19 Part-time Employment

The Union will be proposing to modify the language regarding part-time seniority.

Article 24 Distance Education (add new article)

Add language addressing the issues of: the use of the interactive mode of distance education; the use of the correspondence mode of distance education; the rights to the control of intellectual property, including subsequent use and compensation; access to technology, training for technology, and support for instructional technology; faculty involvement in assessing the benefits and costs of technology prior to purchase decisions; faculty involvement in assessing the benefits and costs of library technology prior to purchase decisions; faculty involvement in assessing the benefits and costs of technology used for academic counseling prior to program and purchase decisions; the effect of technology on privacy, staffing levels, and general health and safety; and, the appropriateness of and decision making process for contracting out technology based education products and or services, among others.

San Mateo County Community College District

November 13, 2007

BOARD REPORT NO. 07-11-1CA

TO: Member of the Board of Trustees

FROM: Ron Galatolo, Chancellor-Superintendent

PREPARED BY: Kathryn Blackwood, Chief Financial Officer, 358-6869

RATIFICATION OF FIRST QUARTER DISTRICT WARRANTS, 2007-2008

Attached as Exhibits A, B and C are the warrants in excess of \$10,000 that were issued in the months of July, August and September 2007 respectively. The schedules include total warrants issued for the subject period in addition to the warrant sequences. Education Code Section 85266 requires that the Board of Trustees approve warrants issued by the District. Accordingly, the District now seeks Board approval of the warrants listed in the attached Exhibits.

RECOMMENDATION

It is recommended that the Board of Trustees approve the warrants issued during the period July 1, 2007 through September 30, 2007 and ratify the contracts entered into leading to such payments.

DECLARATION OF SURPLUS PROPERTY

In accordance with Education Code Sections 81450 and 81452, property that becomes surplus to the needs of the District will be declared as such by the Board with the method of disposal dictated by the value of this property. Board policy (Section 8.02, District Rules and Regulations) delegates the disposal, in compliance with State or local laws and regulations, to the Chancellor, Associate Chancellor, or designee.

As the Capital Improvement Program progresses, the volume and variety of surplus continues to grow. The Colleges have miscellaneous equipment that is surplus to the District's needs including:

- Printers, map case, digital camera, CPUs, monitors, ash urns, camcorder, VCR and slide projector from the College of San Mateo
- Printer and monitor from KCSM
- Printer and CPU from Canada College
- Exhaust fan from Skyline College

A complete listing of this equipment follows the board report. As always, the General Services Department is committed to handling this surplus in an efficient manner. The Department anticipates that local area educational institutions, non-profits, or agencies will be able to use the District's surplus equipment at the least cost to the District and the Colleges. The District is committed to handling electronic waste in a responsible manner and if we cannot sell or donate our old computers, a responsible recycler connected to the California Electronic Waste program will be contracted to recycle our surplus electronic waste.

RECOMMENDATION

The District recommends that the Board of Trustees declare the items specified on the attached list surplus to the mission of the District and the Colleges.

Surplus items

Quantity	Campus	Item Description	Total Value\$	Disposition Plan
1	CSM	5 drawer map case	100	To be donated or sold
1	CSM	Digital camera	10	To be donated or sold
128	CSM	CPUs	0	To be recycled
14	CSM	Monitors	0	To be recycled
6	CSM	Printers	0	To be recycled
80	CSM	Ash urns	500	To be donated or sold
1	CSM	Camcorder	20	To be donated or sold
1	CSM	VCR	0	To be recycled
1	CSM	Slide projector	0	To be recycled
1	KCSM	Printer	0	To be recycled
1	KCSM	Monitor	0	To be recycled
1	CANADA	Printer	0	To be recycled
1	CANADA	CPU	0	To be recycled
1	SKYLINE	Exhaust fan	500	To be donated or sold

BOARD REPORT NO. 07-11-3CA

TO: Members of the Board of Trustees

FROM: Ron Galatolo, Chancellor-Superintendent

PREPARED BY: Barbara Christensen, Director of Community/Government Relations,
574-6560

**APPROVAL OF AGREEMENT WITH WIDE ANGLE COMMUNICATIONS TO
CONDUCT MARKET RESEARCH AND DIRECT MARKETING FOR THE DISTRICT**

In order to more fully serve the needs of the residents of San Mateo County, the District wishes to conduct targeted market research followed by a direct marketing campaign. Wide Angle Communications will:

1. conduct a needs assessment telephone survey of 1,200 adults in the County;
2. prepare a short in-class survey for high school juniors and seniors;
3. conduct a marketing audit of all publications, advertising and outreach activities undertaken by the District and Colleges and provide recommendations for future marketing activities;
4. conduct a direct mail marketing campaign regarding career opportunities for which the Colleges train students, directed at 16-30 year olds in the County.

The cost for the entire project is \$149,500. The project will be funded with the current District marketing budget.

RECOMMENDATION

It is recommended that the Board authorize the Executive Vice Chancellor to execute a professional services agreement with Wide Angle Communications to conduct market research and direct marketing, at a cost not to exceed \$149,500.

RECOMMENDATION

It is recommended that the Board approve the list of Community Services classes to be offered for Spring/Summer 2008 at Cañada College, College of San Mateo and Skyline College as well as off-campus locations.

BOARD REPORT NO. 07-11-2B

RESOLUTION NO. 07-12

**BY THE GOVERNING BOARD OF
THE SAN MATEO COUNTY COMMUNITY COLLEGE DISTRICT
STATE OF CALIFORNIA**

**RESOLUTION IN SUPPORT OF PROPOSITION 92, THE COMMUNITY COLLEGE
GOVERNANCE, FUNDING STABILITY, AND STUDENT FEE REDUCTION ACT**

WHEREAS, California Community Colleges serve 2.4 million students annually through a system of 72 locally established and locally governed community college districts with 109 colleges within a statewide system; and

WHEREAS, California Community Colleges need stable funding, affordable student fees, local control, and the ability to provide effective leadership for the system of 109 colleges; and

WHEREAS, Proposition 92, the California Community College Initiative (officially known as the Community College Governance, Funding Stabilization, and Student Fee Reduction Act) would provide the local community colleges with a secure, stable source of funds tied to community college enrollment growth; and

WHEREAS, Proposition 92 has qualified for the February 5, 2008 statewide election; and

WHEREAS, Proposition 92 would reduce student fees to \$15 while also restricting the amount and probability of future increases; and

WHEREAS, Proposition 92 would eliminate the possibility of mid-semester fee increases and guarantee that students would have at least 60 days' notice before any fee increase takes effect; and

WHEREAS, Proposition 92 would provide community colleges with funding to serve increases in their major student age populations from the natural growth of the state's general fund; and

WHEREAS, Proposition 92 would split Proposition 98 funding into two parts—one that protects and expands student access to community colleges and the other maintaining the current provisions for growth in K-12 funding; and

WHEREAS, Proposition 92 would ensure that promises made by the Legislature are kept with a property tax guarantee; and

WHEREAS, Proposition 92 includes provisions in the state constitution for locally elected governing boards accountable to voters and for a statewide autonomous governance structure similar to those in place for K-12, CSU, and UC;

NOW, THEREFORE, BE IT RESOLVED that the Board of Trustees of the San Mateo County Community College District supports Proposition 92, the Community College Governance, Funding Stability, and Student Fee Reduction Act.

REGULARLY PASSED AND ADOPTED this 13th day of November, 2007.

BOARD REPORT NO. 07-11-100B

TO: Members of the Board of Trustees

FROM: Ron Galatolo, Chancellor-Superintendent

PREPARED BY: José D. Nunez, Vice Chancellor, Facilities Planning, Maintenance & Operations, 358-6836

**CONTRACT AWARD FOR THE CONSTRUCTION OF
THE FACILITIES MAINTENANCE CENTER AT SKYLINE COLLEGE**

The existing deteriorated Facilities Maintenance Center (FMC) at Skyline College will be replaced with the construction of a new sustainable FMC. The existing structures, which were originally used as Coast Guard Barracks, have outlived their useful life and will be demolished. The new FMC will include shop areas, such as a wood shop, electrical shop, and automotive shop, which will be served by a new and upsized electrical service. A carport for vehicle storage as well as a fueling station and car wash will be built along with the Facilities Maintenance Center. It is the goal of this sustainable project to build the FMC as a Leadership in Energy and Environmental Design (LEED) Silver Certified building.

On September 26th and October 3rd, 2007 the District published legal notices inviting pre-qualified general contractors to bid on this project. The project team conducted an aggressive contractor outreach campaign via email and phone to encourage maximum bid participation. Nineteen pre-qualified firms, including nine general contractors, attended one of two mandatory Pre-bid Conferences held on October 4th & October 16th, 2007. On October 23rd, 2007, a total of four of these firms submitted bids as follows:

General Contractor	Bid
John Plane Construction	\$6,550,500
Rodan Builders	\$6,564,800
Big-D Pacific Builders	\$7,385,400
Gonsalves & Stronck	\$7,399,455

District administration, along with Swinerton Management and Consulting, has conducted a due diligence investigation of the bid results to ascertain the lowest responsive, responsible bid that meets all the requirements of the project.

This project will be funded by local, State, and Measure A general obligation bond funds.

RECOMMENDATION

It is recommended that the Board of Trustees award the contract for the Skyline College Facilities Maintenance Center to John Plane Construction in an amount not to exceed \$6,550,500.

BOARD REPORT NO. 07-11-101B

**REVISION OF DISTRICT RULES AND REGULATIONS, SECTION 8.13,
PUBLIC SAFETY ON DISTRICT PROPERTY**

Attached are proposed revisions to District Rules and Regulations, Section 8.13, Public Safety on District property. The revisions are needed in order to update job titles and to authorize the use of video surveillance on our campuses in order to deter crime, prevent vandalism and maintain a safe and secure environment for students and staff.

The proposed revisions were reviewed at two meetings of the District Shared Governance Council.

RECOMMENDATION

It is recommended that the Board of Trustees approve the proposed changes to District Rules and Regulations, Section 8.13, Public Safety on District Property as shown in the attached.

8.13 ~~8.13—Public Safety on District Property District Security Services~~

1. The District shall maintain a ~~Security~~ Public Safety Service to provide for the safety and security of persons and facilities under the District's jurisdiction at each District location. The District ~~Security~~ Public Safety Service is not a police force or a primary law enforcement agency. The ~~Security~~ Service is assigned responsibility for enforcing parking regulations; protecting persons from injury and property from vandalism, fire, theft and other hazards; and other related duties as determined by the College administration.
2. In order to deter crime, prevent vandalism and maintain a safe and secure environment for students and staff, the District may employ electronic surveillance in and around buildings, parking lots and roadways. The District does not intend to use electronic surveillance to monitor employees' work or work habits, unless suspected criminal activity is observed.
- 3.
4. When electronic surveillance is employed, surveillance devices may be monitored and reviewed by personnel authorized by the College President or Chancellor. If suspicious activity is observed, District staff will respond appropriately and may call local law enforcement for assistance. If criminal activity is suspected, the records may be turned over to the appropriate law enforcement authority. Digital records will normally be maintained by the Public Safety Offices for a period of up to three months and then destroyed.
- 2.3.
4.

In order to provide ~~Security~~ Public Safety Services, the District may employ or contract with any or all of the following: (a) ~~classified~~ security officers, who may or may not also be sworn peace officers; (b) security services from a private firm; (c) security services from government law enforcement agencies; and (d) ~~student security safety~~ assistants. ~~Persons so employed or contracted with, other than students, shall be known as College Security Officers.~~
- ~~5. College administrative responsibility for Security Services shall rest with the appropriate Vice President, Student Services.~~
5. ~~Classified~~ Security Officers and contracted officers from outside agencies (either private or governmental) may be authorized by the College President to wear firearms on College property, or on or about other grounds or properties owned, operated, controlled or administered by the District. Such authorization may be granted only after the officer presents proof of successful completion of firearms training as prescribed by the California Commission on Peace Officer Standards and Training. Under no circumstances shall ~~Student Security Safety~~ -Assistants carry, display or possess firearms on District properties or other grounds under the control or administration of the District.

The ~~Associate~~ Chancellor shall be notified if the College President authorizes a Security Officer to carry firearms.

6. ~~Student Security~~Safety Assistants may be assigned duties of traffic control, parking enforcement, escort services, crowd control, building security and other duties assigned and supervised by College Security Officers.
7. ~~Classified~~ Security Officers and ~~Student Security~~Safety Assistants must wear the official uniform prescribed by the District at all times while on duty. The District shall provide uniforms for the officers in conformance with the collective bargaining agreement governing employment of classified employees. Contracted Security Officers from outside agencies (private or governmental) shall wear uniforms acceptable to the District at all times while on duty. Clothing other than the prescribed uniform may be authorized by the appropriate administrator ~~College Vice President,~~ ~~Student Services~~ when circumstances dictate the need.
8. A security manual shall be developed for use by those employed as Security Officers and ~~Student Security~~Safety Assistants in the District.
9. ~~Classified~~ Security Officers are bound by District Rules and Regulations pertaining to classified employees. In addition to the causes deemed sufficient for dismissal, suspension, demotion or other disciplinary action of a classified employee (Section 4.45.~~7~~6), ~~classified~~ Security Officers may be subject to disciplinary action for the following reasons:
 - a. misuse of firearms;
 - b. disregard of any firearms policies detailed herein;
 - c. misuse of authority.

San Mateo County Community College District

November 13, 2007

BOARD REPORT NO. 07-11-1C

TO: Members of the Board of Trustees

FROM: Ron Galatolo, Chancellor-Superintendent

PREPARED BY: Barbara Christensen, Director of Community/Government Relations,
574-5560

FINAL REPORT ON LEGISLATION – 2007

Attached is the final legislation report for the 2007 session of the California State Legislature. Included in this report is information on actions taken by the Legislature and Governor on bills of interest to this District and to California Community Colleges.

During the year, the Board took positions on several bills of interest including:

SB 840 Single Payer Health Care Coverage. This bill did not make it through the Assembly and Senate. The Legislature/Governor continue efforts to reach a compromise on health care reform.

SB 823 Private Postsecondary Education. This bill, which would have imposed a number of changes for private postsecondary institutions, failed to make it to the Governor's desk. Instead, two temporary measures – SB45 and AB 1525 – were signed by the Governor to provide shorter-term solutions.

November 13, 2007

End of Year Legislative Report

AB 668 STUDENT FINANCIAL AID. Enacts the California Community College Student Federal and State Financial Aid Opportunity Act and requires the CCC Chancellor's Office to help colleges increase participation in financial aid programs by developing information for students to make them aware of financial options.

AB 950 STUDENT RESIDENCY REQUIREMENTS: ACTIVE DUTY MILITARY. Extends to 2 academic years the period during which these active duty military graduate students would be entitled to resident classification for the purpose of determining the amount of tuition and fees.

AB 1168 SOCIAL SECURITY NUMBERS. Requires the Office of Privacy Protection in the Department of Consumer Affairs to establish a task force, with specified members, to conduct a review of the use by all public and private colleges and universities in this state of social security numbers in order to recommend practices to minimize the collection, use, storage, and retention of social security numbers.

AB 1525 PRIVATE POSTSECONDARY EDUCATION. Express legislative intent to provide for the protection of the interests of students enrolled in private postsecondary education institutions.

AB 1548 TEXTBOOK. Publishers would be required to provide faculty with a list of products offered, the price at which the new book is available from the publisher, the copyright date of any prior edition, and a list of substantive differences between the current and previous editions, effective January 2010. This bill would require campus bookstores to post in their stores or on their websites a disclosure of their retail pricing policies, require public postsecondary institutions to encourage faculty and others to adopt materials with sufficient lead time, and state that this shall not be construed as attempting to interfere with faculty authority over textbook selection decisions.

AB 1559 COMMUNITY COLLEGE NURSING EDUCATION PROGRAMS. This bill would require that if a community college district elects to use a multi-criteria screening process on or after January 1, 2008, it must include specific criteria for evaluating applicants. These criteria include: academic performance, work or volunteer experience, foreign language skills, life experiences and special circumstances of the applicant. This bill also would authorize community colleges which elect to use a multi-criteria screening process to use an approved diagnostic assessment tool before, during, or after the multi-criteria screening process and require each district using such measures to annually report to the Chancellor on its nursing program admission policies.

SB 45 PRIVATE POSTSECONDARY EDUCATION. Extends limited state oversight of private postsecondary schools from February 2008 through July 1, 2008.

SB 139 NURSING EDUCATION. This bill would make clarifying and technical changes to SB 1309 (Chapter 837, Statutes of 2006) to increase California's nursing workforce. It also would prohibit CSU and community college campuses from requiring students who have been admitted to a nursing program and have already earned a baccalaureate degree to take any coursework that is not necessary to prepare him/her for licensing as a nurse.

In screening nursing applicants, this bill would allow a community college district to use any diagnostic assessment tool that is commonly used in registered nursing programs and approved by the Chancellor;

allow it to use additional multiple screening measures if the number of program applicants exceeds its capacity; and expressly would not prohibit nursing programs from using an approved diagnostic assessment tool before or after use of a multi-criteria screening process. It would prohibit districts from excluding applicants to a registered nursing program solely because the applicant is not a district resident or has not completed prerequisite courses in that district. This bill also would allow districts to employ part-time clinical nursing faculty teaching 60% or more of the hours of a full-time instructor for up to four semesters or six quarters within any three consecutive academic years between July 1, 2007 and June 30, 2014; require these districts to provide data to the System Office regarding the number of faculty members hired under this section and the ratio of full-time to part-time faculty for these districts in each of the three academic years prior to the operation of this section, and for each academic year for which faculty are hired under this subdivision; but would not allow a district to employ such a person if it results in an increase in the part-time to full-time faculty ratio in that district. The bill also expresses legislative intent that pursuant to funding in the Budget Act for 2009-10 and each succeeding academic year, community colleges should increase the statewide enrollment of full-time equivalent registered nursing students by 900 annually.

SB 190 CSU EDUCATION: OPEN MEETINGS: HIGHER EDUCATION GOVERNANCE ACCOUNTABILITY ACT. This bill modifies current law governing the meetings of the Regents of the University of California and the California State University Board of Trustees and clarifies the requirements for meetings that must be open and public. This bill requires that actions on executive compensation, as specified, occur in open, public meetings.

SB 272 ARMED FORCES: ENROLLMENT PRIORITY. This bill would require CSU and each community college, and request UC, to give priority for registration for enrollment in classes to current or former members of the US Armed Forces for any academic term attended within two years of leaving active duty; and would also require priority for registration for any student compelled to take an academic leave of absence due to being called to active duty.

SB 343 OPEN MEETING ACT. Effective July 1, 2008, this bill requires that any writing related to an agenda item for an open session of a regular meeting that is distributed within 72 hours of the meeting be made available for public inspection at the time it is distributed to the members of the body. Public inspection can be made by making the writing available at an office or location that has been designated by the agency and listed on the meeting agenda or posting the writing on the local agency's Internet website in a position and manner that makes it clear that it relates to an upcoming meeting's agenda. This bill also requires each local agency to list the address of the office or location on the agendas for all meetings of the legislative body of that agency.

SB 614 DESIGN BUILD CONTRACTS. This bill would expand the "design-build" authority for facilities over \$2.5 million to all community college districts (instead of the current law which limits it to 3 districts with projects over \$10 million), would define "plans" to include plans for foundations and other building systems as determined by the Division of the State Architect, would prohibit school and community college districts from withholding more than 5% from payments due to the design-build entity if a performance bond issued by an admitted surety insurer is required in the bid solicitation as well as prohibit withholding more than 5% from payments due to subcontractors, and would extend the current sunset date for these provisions from January 2010 to January 2014.

SB 854 STUDENT VOTER REGISTRATION. Requires every community college and California State University campus to enable students to elect to receive voter registration forms when registering for classes if the college operates an automated class registration system.

VETOED

SB 1 DREAM ACT. This bill would provide eligibility for all “540” students to receive: BOG fee waivers, non-competitive Cal Grant awards, and private student aid awards if these students meet the requirements of existing law.

SB 832 COLLEGE TEXTBOOKS. This bill creates the College Textbook Affordability Act, and requires textbook publishers to make available to prospective purchasers specified information, including a list of all substantive differences or changes made between the current edition and the most recent previous edition of the textbook for each new edition of a product.

OTHER BILLS OF INTEREST

SB 840 SINGLE PAYER HEALTH CARE COVERAGE. This bill did not make it through the Assembly and Senate. The Legislature/Governor continue efforts to reach a compromise on health care reform.

SB 823 PRIVATE POSTSECONDARY EDUCATION. This bill, which would have imposed a number of changes for private postsecondary institutions, failed to make it to the Governor’s desk. Instead, two temporary measures – SB 45 and AB 1525 – were signed by the Governor to provide shorter-term solutions.

BOARD REPORT NO. 07-11-2C

TO: Members of the Board of Trustees

FROM: Ron Galatolo, Chancellor-Superintendent

PREPARED BY: James W. Keller, Executive Vice Chancellor, 358-6790

FIRST QUARTER REPORT OF AUXILIARY OPERATIONS, 2007-08

The following report covers the period July 1, 2007 through September 30, 2007 for Associated Student Bodies, Bookstores and Cafeterias.

ASSOCIATED STUDENTS (Exhibits A,B,C)

Total income and expenditures for the Associated Student Body (ASB) at each College for the first quarter of 2007-08 are listed below:

ASB Total Income	2007-08	2006-07	\$ Change	%Change
Cañada College ASB	\$24,263	\$47,071	-22,807	-48.45%
College of San Mateo ASB	36,122	60,731	-24,609	-40.52%
Skyline College ASB	29,496	64,973	-35,477	-54.60%

ASB Total Expenditures	2007-08	2006-07	\$ Change	%Change
Cañada College ASB	\$11,569	\$6,083	5,486	90.19%
College of San Mateo ASB	10,753	21,739	-10,986	-50.54%
Skyline College ASB	6,524	9,927	-3,403	-34.28%

Activity card sales are the major source of income for the Associated Students. Activity card sales at all three campuses decreased due to the change in accounting method for recording student card revenue, from cash basis to accrual basis.

Expenditures of the ASBs include normal operating expenses (office supplies, activity card, student assistant salaries and other miscellaneous expenses) as well as student programs, scholarships and club assistance supporting campus life.

Below is a comparison of the first quarter Net Income (Loss) from ASB Operations:

ASB Net Income	2007-08	2006-07	\$ Change	%Change
Cañada College ASB	\$12,695	\$40,988	-28,293	-69.03%
College of San Mateo ASB	25,370	38,992	-13,623	-34.94%
Skyline College ASB	22,972	55,046	-32,074	-58.27%

BOOKSTORES (Exhibit D)

The following data reflects Bookstore operations for the fiscal year beginning July 1, 2007 through September 30, 2007. It includes Summer 2007 and the first half of Fall 2007 semester sales.

Bookstore Sales	2007-08	2006-07	\$ Change	% Change
Regular Merchandise Sales	\$ 3,163,088	\$ 2,876,776	\$286,312	9.95%
Computer Products Sales	270,146	168,799	101,347	60.04%
Total Merchandise Sales	\$ 3,433,234	\$ 3,045,575	\$387,659	12.73%

Regular merchandise sales have increased this year compared to last year with computer product sales continuing to increase substantially over the same period last year due to the continuation of active marketing of Apple computer products and increased marketing of the District's Loan-to-Own computer purchasing program for District employees. Textbook sales are up over last year at all three Colleges and used textbook sales were up 20% over last year. Textbook rental fees also continue to increase as the program grows and the program is now operational at all three Colleges. Since Fall 2005, the textbook rental program has served over 7,000 students. The textbooks rented during this period would have cost students \$702,010 if they were purchased at full retail. The textbooks were rented for \$175,502, saving students \$526,508! The textbook rental fees collected cover the costs of managing the program.

Comparative figures are shown below:

Bookstore Recap	2007-08	2006-07	\$ Change	%Change
Total Merchandise Sales	\$ 3,433,234	\$ 3,045,575	\$387,659	12.73%
Total Textbook Rental Fees	51,882	33,703	18,179	53.94%
Cost of Goods Sold	2,403,038	2,227,539	175,499	7.88%
Gross profit	\$ 1,082,078	\$ 851,739	\$230,339	27.04%
Total Operating Expenses	\$ 640,761	\$ 536,511	\$ 104,250	19.43%
Net Income from Operations	\$ 441,318	\$ 315,228	\$ 126,090	40.00%
Interest and Other Income	\$ 74,680	\$ 80,943	-\$6,263	-7.74%
Net Income Before Other Expenses	\$ 515,998	\$ 396,171	\$ 119,827	30.25%
District Support				
Other Expense: Admin Salary/Benefits	19,754	21,613	-1,859	-8.60%
Other Expense: District Support	21,578	16,890	4,688	27.75%
Other Expense: COP Interest	-	-	-	-
Net Change in Fund Balance	\$ 474,666	\$ 357,668	\$ 116,998	32.71%

BOARD REPORT NO. 07-11-2C

Cost of goods sold increased as expected with higher merchandise and computer product sales, and the stores have realized a 30% increase in gross profit over the same period last year. Total operating expenses increased by 19.43% over this same period in 2006-07. Operating expenses have increased due to an

increase in salary and benefits compared to the prior year, increases in freight expenses and the timing of some expenses.

Interest and other income decreased slightly due to some timing issues. We expect this to be ahead of last year by next quarter.

CAFETERIAS (Exhibit E)

Pacific Dining, under the leadership of Rick McMahon, Darrin Cassidy and Enrique Alonso operate the food service at the three District campuses after being awarded the contract in June 2007. College of San Mateo has both food services and a satellite food operation (kiosk) to serve the central campus. KJ Café has contracted to operate beverage and snack kiosks at both Skyline and College of San Mateo. The District's vending services contractors are Pepsi Bottling Group and Action Vending.

First quarter comparisons are noted below:

CAFETERIA FUND	2007-08	2006-07	\$ Change	% Change
Food Service Income	\$25,597	\$8,460	\$17,138	202.58%
Vending Income	15,559	15,136	\$423	2.79%
Interest Income	2,600	5,028	-\$2,428	-48.29%
Expenditures	40,540	42,469	-\$1,928	-4.54%
Net Change in Fund Balance	\$3,216	-\$13,845	\$17,061	123.23%

Compared to the first quarter 2006-07, food service income has increased by 202.58%. This is due to the change over in food service contractors. Since assuming the contract in June 2007, Pacific Dining has made numerous operational improvements including upgrades in the cafeteria menu, catering and the overall customer service focus of the company. Vending income has increased slightly by 2.79% (income from Pepsi and Action Vending). Interest income decreased due to a lower balance invested compared to the prior year due to the upgrade of equipment in all three cafeterias.

Expenditures decreased over the prior year partially due to the implementation of maintenance agreements resulting in an increase in the fund balance of 123%.

The vending income is used primarily for Associated Students activities for all three colleges. While income from the food service and vending contracts enables the District to provide services to students and staff, the program must be self-supporting. The Cafeteria fund provides for the long-term maintenance and upgrade of aging facilities and equipment, as well as expenses relating to the ongoing operational requirements under the food service and vending contracts.

**Associated Students of Cañada College
1st Quarter Report (July-September)
Fall 2007**

*Prepared by: Aja Butler
Coordinator of Student Activities
Cañada College*

In **July**, the ASCC President, Juan Arias, and a senator, Emmanuel Caballero, participated in LeaderShape, a national leadership institute in Illinois. At the institute Caballero and Arias participated in a series of activities, initiatives, and information sessions on defining a personal leadership philosophy, teambuilding, communication skills, and goal setting.

In **August** the ASCC participated in a two-day training, focused on skill and teambuilding. The students participated in workshops on the Brown Act, facilitated by Dean of Humanities, Katie Townsend-Merino; Title V and Shared Governance, facilitated by former Statewide Academic Senate President, Ian Walton; Robert's Rules of Order, led by certified Parliamentarians; and a session on aligning values with organizational goals, led by Juan and Emmanuel. The students also engaged with faculty and staff in a first annual ASCC Faculty & Staff meet and greet Luncheon. This event was the highlight of the training. Senators got the opportunity to interact with staff, identify similarities, collaborate in a teambuilding exercise, and share expectations and plans for the year.

To start the year, the ASCC presented their annual Welcome Back BBQ. This year the students invited departments from Student Services to participate in the event, in an attempt to help familiarize students with the services and programs available on campus. This event was very well attended, attracting over 300 students, staff, and faculty. Some participating departments included: Financial Aid, Health Center, TRIO SS, MESA, Transfer Center, and the Learning Center.

**Associated Students of College of San Mateo
1st Quarter Report, July 2007 – September 2007**

The Associated Students of College of San Mateo (ASCSM) has had a productive Summer Session and first half of the fall 2007 semester. This year's Student Senate is full of dedicated and hardworking individuals who are interested in making substantive contributions to the life of the College and governance of the College and District.

Some of the highlights of the July, August and September 2007 quarter are:

Ongoing Activities

In addition to participating in their weekly Student Senate meetings, the members of the ASCSM have also been actively involved with each of their standing committees, including the Academic Enhancement Committee, the Finance & Administration Committee, the Fundraising & Enterprise Committee, the Programs & Services Committee, the Public Relations Committee, the Inter Club Council, the Legislative & Governmental Affairs Committee, the Café International Advisory Board, the Volunteer & Community Service Committee and the Ambassadors & Mentors Outreach Program Committee.

New and returning members of the ASCSM Student Senate continued to participate in College and District governance committees. At the College level, student leaders are attending numerous committee meetings, including the College Council, the Strategic Planning and Budget Subcommittees, the Faculty Academic Senate, the Committee on Instruction, the Enrollment Management Committee, the Diversity in Action Group, and the College Auxiliary Services Advisory Committee. At the District level, students are also involved in the District Shared Governance Council, the District Auxiliary Services Advisory Committee and the District Student Council.

Throughout the fall semester, members of the ASCSM have been involved in the hiring processes for the vacant positions in the Student Activities Office, including the Coordinator of Student Activities and the Office Assistant II.

At the statewide and national levels, CSM student leaders are involved with the Student Senate for the California Community Colleges (SSCCC), and the American Student Association of Community College (ASACC).

The ASCSM, in cooperation with the Student Activities Office, continued to issue credit card-style student and staff ID Cards to the College community. To date, the AS has issued thousands of ID Cards to students, faculty, staff and administrators.

To further increase the value of the CSM ID Card, the ASCSM has continued to expand and sponsor the Merchant Discount Program. This program provides a list of discount opportunities available to students, faculty, staff and administrators at on-campus AS-sponsored events, club events, local merchants, national chains and on the Internet, and includes movie theaters, restaurants, museums, art galleries, travel agencies and cultural centers.

The AS has continued to support the CSM Ambassadors Program, which coordinates and provides tours of the campus for individuals and groups interested in attending College of San Mateo.

Events and Activities:**June 2007**

In early June, newly elected members of the Student Senate participated in the annual ASCSM Leadership Conference, held at Pajaro Dunes near Monterey. The new members of the Senate were joined by outgoing student government officers and members of the College administration, including President Mike Claire and Vice President of Student Services Jennifer Hughes. The students learned about college governance and issues facing students at CSM and statewide.

July 2007

During the month of July, members of the Student Senate held informal meetings to plan for the start of the fall 2007 semester, including events such as Welcome Week.

August 2007

Beginning on the first day of classes and continuing until Friday, August 31, the Student Senate and the Student Activities Office sponsored the Welcome and Information booth in the plaza between Buildings 1 and 5. Student volunteers and staff provided information regarding class locations, the enrollment process, and general guidance on a wide range of questions that new and returning students had. This was done in conjunction with the College's Operation Welcome Mat.

Between August 27 and August 30, the Associated Students sponsored Welcome Week, an event designed to introduce the programs and services available to students. To increase the value of the student body card, the ASCSM gave away free food each day to students who had their fall 2007 ID Card. As part of the event, the many clubs and student organizations available to students were advertised.

September 2007

Throughout the month of September and into early October, the Bridge Between Cultures Club held dinners on Sunday evenings. The dinners, which were open to the campus and the local community, were intended to increase the awareness and understanding of Ramadan, the Muslim holy month. The final dinner in early October also provided a forum for an interfaith dialogue.

**Associated Students of Skyline College
Budget Report for the 1st Quarter 2007-2008
Summary of Programs and Activities
October 31, 2007**

The following is a summary highlighting the events and activities of this quarter.

Shared Governance: The students continue to serve on the following committees at Skyline College and the District:

Art on Campus
Bookstore RFP Committee
Campus Auxiliary Services Advisory Committee
College Council
Curriculum Committee
District Auxiliary Services Advisory Committee
District Associated Students Governing Board
District Budget Committee
District Shared Governance Council
Educational and Facilities Master Plan Committee
Ed Policy Committee
Fresh Look / Webpage Advisory Committee
Health and Safety Committee
Intercampus Planning Committee
Planning and Budget Committee
SMCCCD Strategic Planning
Student Recognition and Awards
WASAC Accreditation Committees

Student Handbook and Academic Planners: The ASSC continues to work with the Student Activities Office to distribute the Student Handbooks and Academic Planners. Current copies of the handbook are available in the Student Activities Office.

Recruitment of Students: The ASSC continues to encourage student participation in activities, events and student government, using handouts, flyers and giveaways to increase participation and attendance. Anticipating full council membership by the end of November.

Student Identification Cards: The Student Activities Office continues to produce Student ID Cards for the student body with assistance from the ASSC.

Skyline Organizations and Club SOCC: The ASSC members always encourage other students to become active on campus by their work through SOCC. They also encourage students who do not find a club that interests them to start their own. Club Manual and instructions on how to start a club are available in the Student Activities Office. Two new clubs have been added to the SOCC Roster; Hermanos Club and the United Nations.

Program and Events:

August 7, 2007 and August 15, 2007

Executive Council Training

Leadership training for the Executive Council Members held at Skyline College.

August 17, 2007

ASSC Governing Council Training

Leadership training for ASSC Governing Council.

Training included team building exercises, review of College initiatives by Dr. Morrow, Dr. Adrian, Regina Stanback-Stroud and Eloisa Briones and an accreditation update by Dean Donna Bestock and Professor Ray Hernandez.

August 16

Welcome Week

Wednesday 22nd – Information Table

Thursday 23rd -Information Table

Friday 24th -BBQ

Monday 27th -Coffee and Donuts

Tuesday 28th -Spirit Day

Wednesday 29th -Pancake Breakfast

September 11, 2007

Student Services and Club Fair

10am-1pm

Student Services' departments and programs, the ASSC and student clubs organized an information fair with give-a-ways, raffles and BBQ for students who collected information from 5 different areas. Approximately 300 students attended the event.

BOARD REPORT NO. 07-11-3C

TO: Members of the Board of Trustees

FROM: Ron Galatolo, Chancellor-Superintendent

PREPARED BY: James Keller, Executive Vice Chancellor, 358-6728

DISTRICT FINANCIAL SUMMARY FOR THE QUARTER ENDING SEPTEMBER 30, 2007

In accordance with Education Code Section 72413, the State Chancellor's Office requires submission of a Quarterly Financial Status Report (Form CCFS-311Q) and a copy of the District's financial report.

Attached is Form CCFS-311Q (Exhibit A) for the quarter ending September 30, 2007, which was forwarded to the State Chancellor's Office and the San Mateo County Superintendent of Schools on November 5, 2007.

GENERAL FUND-UNRESTRICTED: Below is financial data for the unrestricted portion of the General Fund for the quarters ending September 30, 2006 and September 30, 2007.

	Amount		Difference	
	<u>09/30/2006</u>	<u>09/30/2007</u>	<u>Amount</u>	<u>Percentage</u>
INCOME:				
State Aid	\$ 11,288,685	\$ 9,818,603	\$ -1,470,082	-13.02%

Transfer Accounts	6,341	0	-6,341	N/A
Total Expenditures	\$ 22,265,102	\$ 24,592,019	\$ 2,326,917	10.45%
% of Budget	20.89	20.82	N/A	N/A

BOARD REPORT NO. 07-11-3C

General Fund Income decreased by \$1,621,119 (or 10.08%) over last year, due to the payment of Principal Apportionment, Local Property Taxes and Enrollment Fees. A change in annual salaries COLA was a main reason for expenditures increase.

For fiscal year 2007-2008, the District issued \$5,000,000 of Tax and Revenue Anticipation Notes, which are due to mature on June 30, 2008; note interest is 4.25%.

OTHER FUNDS: Included in Exhibit B are the financial data for all other funds. Total income and expenditures, comparing this same period for 2006-2007 and 2007-2008, are listed below:

Restricted General and Other Funds	Amount		Difference	
	<u>09/30/06</u>	<u>09/30/07</u>	<u>Amount</u>	<u>Percentage</u>
Total Income	\$ 7,599,818	\$ 8,590,139	\$ 990,321	13.03%
Total Expenditures	\$ 22,073,580	\$ 32,197,336	\$ 10,123,756	45.86%

Reimbursements to Bond construction and to Self Insurance Fund were the main reason for the income increase. Expenditures compared with the prior year were increased primarily due to the payment to the new G.O. Bond Measure A debt payment in September 2007.

REPORT ON INVESTMENTS: As of September 30, 2007, the District had a deposit of \$33,162,297 in total investments with the Local Agency Investment Fund (LAIF) of the State Treasurer's Office, County Pool Investment, a Special Deposit Bond with Lehman Brothers and Wells Fargo Bank. The average yields on LAIF, County Pool, the Special Deposit Bond and Oil Well Bond were 5.24%, 4.76%, 5.34% and 1.50%, respectively. These deposits consisted of the following sources:

<u>Fund</u>	<u>LAIF Investment</u>	<u>County Pool Investment</u>	<u>Special Deposit Bond</u>	<u>Total Investment</u>
General Fund	\$ 5,331,426	\$1,364,237	\$ 0	\$ 6,695,663
Capital Outlay Fund	0	0	5,000	5,000
Agency Fund	<u>20,676,385</u>	<u>3,486,538</u>	<u>2,298,711</u>	<u>26,461,634</u>
Total Investment	\$26,007,811	\$4,850,775	\$2,303,711	\$33,162,297

BOARD REPORT NO. 07-11-4C

TO: Members of the Board of Trustees

FROM: Ron Galatolo, Chancellor-Superintendent

PREPARED BY: Rick Bennett, Executive Director, Construction Planning, 358-6852

COLLEGE OF SAN MATEO CIP2 DESIGN-BUILD PROJECT REPORT

In August 2006 the Board approved the 2006 Facilities Master Plan (Board Report No. 06-08-101B), which is the basis of the second phase of the capital improvement program (CIP2). In November 2006, the Board passed Resolution No. 06-19 (Board Report No. 06-11-101B) authorizing use of the design-build delivery method for the College of San Mateo CIP2 Design-Build Project.

COLLEGE OF SAN MATEO CIP2 DESIGN-BUILD PROJECT

In order to best meet the current and future needs of the College of San Mateo, construction of new facilities for instruction, student services and faculty offices as well as improved exterior areas was recommended in the San Mateo County Community College District's 2006 Facilities Master Plan. To quote CSM President Mike Claire, "we have a once in a lifetime opportunity to transform the College of San Mateo." This project is moving closer to groundbreaking and the fulfillment of that vision, the renaissance of the College of San Mateo.

This complex, multi-component project will be delivered using the design-build construction method. New buildings 5N and 10N will replace the existing buildings 5 & 6 and buildings 10 & 11, which have exceeded their useful service lives and do not lend themselves structurally to repurposing for their intended new programs. The new buildings are targeted to receive LEED certification (Leadership in Energy and Environmental Design), continuing the District's commitment to sustainable building design and construction.

Building 5N - Building 5N will become the new home for CSM's Workforce programs, including Dental Assisting, Dental Hygiene, Nursing and Cosmetology, as well as the new home of Fitness, Wellness and Aquatics. This building, located at the south end of the campus, will be convenient for both students and the outside community members who are patrons of these programs. These programs will thrive and grow in this new building, with state of the art equipment and adjacencies to each other that will foster interactions and synergy. The Aquatic Center will be comprised of an Olympic-sized, 50-meter pool and a second pool for competition warm-ups as well as CSM's successful Adapted Physical Education program. This combination of Workforce and Wellness will bring new energy to the southern end of the CSM campus. This building will be approximately 65,000 assignable square feet (89,000 gross square feet).

Building 10N – Building 10N, a large and multifaceted building, will place critical student services in the academic heart of the campus. B10N will embody CSM's collaborative nature and student-oriented service philosophy to strengthen student convenience and access. The facility will unite Student Services into a "One-Stop Shop," including Admissions, Career Services, Counseling, Health Center, Financial Aid, Disabled Students Programs & Services, Welcome Center, Cafeteria, and Bookstore. This One-Stop Shop approach will allow CSM to greet new students with a clear understanding of a personalized college

experience, as well as

provide convenient, centralized student access for services. Building 10N will house the new Integrative Learning Center (ILC), fulfilling a critical campus need for a centralized tutorial and student support lab that is not coupled to specific programs. The ILC will be a place where students can get assistance across the disciplines, from writing and mathematics to speech communication and foreign languages. It will be an inspired learning environment where students will feel comfortable giving and getting academic assistance. Faculty, staff, administration, and students are excited about the ILC, which is critical to the support required to deliver effective, pragmatic teaching and learning to a diverse student population both now and in the future. In addition, a new cafeteria and bookstore will be housed within building 10N. Further, this building will also be the home of two Division offices and faculty suites, housing up to 160 faculty members and containing much needed meeting rooms for faculty. An array of modern instructional spaces will be located in building 10N, including six general lecture classroom spaces comprised of three medium-sized classrooms and three large forum 125-person university style classrooms. By mixing students and faculty, this building will encourage interdisciplinary faculty dialogue and foster interaction between faculty and students. Rounding out the building will be the multi-media programs, which will occupy part of the ground floor of building 10N. This building will be approximately 96,000 assignable square feet (140,000 gross square feet).

Campus Exterior - CSM's campus exterior will be revamped to take advantage of its idyllic hilltop location. The new landmark entries at Hillsdale Boulevard and CSM Drive will provide gateways to a lively campus where students and the community will feel inspired to participate in college activities, with gathering spaces acting as centers of concentrated activity and energy. Throughout the design-build process, one overreaching goal has been the creation of "stickiness," or put more simply, to keep students engaged and remaining on campus. The improvements to the campus landscape with outdoor rooms and interesting gathering places are a large part of creating the "stickiness" to keep students at CSM. In addition, landscape improvements will improve accessibility at a campus renowned for accessibility challenges. Further, the exterior improvements will define vehicular and pedestrian circulation routes and manage more effectively the pedestrian/vehicular interface. Emergency vehicle access will be improved, as well as other safety and security measures. Public transportation, passenger drop-off and pick-up zones, service and delivery zones will be enhanced. Wayfinding signage, exterior lighting, concessions, and provisions for art will also be part of this project.

Overall, the intent of the project is to re-create College of San Mateo as a jewel of the community, true to the vision of Dr. Julio Bertolozzo and the original campus architect, John Carl Warnecke. The architectural and landscape designs should draw upon elements from the existing architectural vernacular but also bring new and exciting design elements to the campus. The renewed landscapes should provide ample outdoor space for faculty/student collaboration and take advantage of the tremendous views of San Francisco Bay, the Santa Cruz Mountains and the local Peninsula hillsides.

DEVELOPING THE REQUEST FOR PROPOSALS (RFP)

The 2006 Facilities Master Plan set the foundation for this project, but additional architectural work was needed to bridge the gap from the master plan to a point where Design-Build Entities (DBEs) could enter into a design-build competition. In November 2006, the Board approved the use of Steinberg Architects to assist College and District staff in developing the Request for Proposals to DBEs (Board Report No. 06-11-102B).

Steinberg worked closely with the campus administration, staff, faculty and students to develop the space program for each building, along with the requirements for the campus exterior spaces. Presidents Shirley Kelly and Michael Claire, Vice Presidents of Instruction Grace Sonner and Susan Estes, Vice Presidents of Student Services Patricia Griffin and Jennifer Hughes, Academic Senate President Jeremy Ball, faculty, staff, and student representatives worked with Steinberg Architects to identify the critical elements for a successful project. The College established steering committees for each project component. The project intent,

boundary lines, massing diagrams, program elements, adjacencies, space arrays and room data sheets for each proposed

new building and outdoor areas were developed. Additionally, Steinberg worked with Planning, Facilities and ITS staff to develop systems specifications, such as mechanical, electrical, plumbing, telecommunications, security, fire and life safety, elevators, storm water, sanitary sewer, landscape and paving. The teams also identified requirements for public and non-assigned spaces, such as restrooms and utility closets, and circulation spaces such as lobbies, corridors and stairs. District staff developed design standards, and worked with legal counsel to update the District's standard form of design-build contract. The resulting RFP identified the functional, programmatic and legal requirements that DBEs were required to incorporate into their proposals in order to have a conforming bid.

The RFP specified that the following selection criteria were to be considered in selecting the DBE whose proposal demonstrated the "best value" to the District. The first five criteria are required by Education Code 81700, the code section under which this design-build project is being awarded; the additional criteria, which are critical to the success of the project, were added at the District's discretion.

1. Price	20 points
2. Technical Expertise	10 points
3. Life Cycle Costs over 25 Years	10 points
4. Skilled Labor Force Availability	10 points
5. Acceptable Safety Record	10 points
6. Architectural Aesthetics and Design Innovation	10 points
7. Project Management Plan	15 points
8. Program Requirements	15 points
TOTAL (Maximum)	100 points

PREQUALIFICATION OF DESIGN-BUILD TEAMS

Concurrent to the development of the RFP, District and College staff prequalified Design-Build Entities. The prequalification of design-build teams was conducted in December 2006 and January 2007, when the District received five Prequalification Applications from interested DBEs. A committee comprised of CSM representatives, including faculty, staff and students, Construction Planning Department and Facilities staff, as well as representatives from Swinerton Management & Consulting, reviewed and evaluated these applications to determine eligibility to participate in the design-build competition. Criteria for eligibility included financial strength, safety record, litigation history, team experience and dynamics, experience with educational facilities, experience with the Division of the State Architect, proposed approach for the project, and understanding of the College's vision for the campus. One team, Clark Design/Build of California, Inc., elected to withdraw from the prequalification process because they had just been awarded another major project that committed the resources they had intended to propose for this project. The remaining four teams not only met the essential requirements of prequalification, they impressed the committee as being highly qualified to bring tremendous expertise, ability and creativity to the project; we had attracted very strong and well regarded industry players to the project. The District invited the three top ranking teams to compete in the design-build competition: Charles Pankow Builders, Ltd., Rudolph and Sletten, Inc. and McCarthy Building Companies. The fourth team, Hunt Construction, was identified as an alternate, agreeing to consider participating in the competition in the event that one of the three teams withdrew.

ISSUANCE OF THE REQUEST FOR PROPOSALS

The RFP was issued on June 28, 2007. From July 2007 until October 2007, at the request of DBEs, the

District held confidential meetings with each proposing DBE to provide feedback on their developing proposals, given the stated guidelines and requirements of the Request for Proposal.

During the proposal period, Rudolph & Sletten verbally informed District staff that they were withdrawing from the design-build competition, since the contract issued with the Request for Proposal did not meet their corporate requirements of a negotiated contract award. At this point, District staff contacted the alternate DBE, Hunt Construction Company, to determine if they wanted to participate in the design-build competition. Hunt declined to participate, indicating that their existing workload, as well as their ability to negotiate private contracts, made the effort and cost of participating in a design-build competition unnecessary toward their corporate goals. Further, Charles Pankow Builders informed District staff that they were not actively participating in the competition, for similar reasons. At the September 4, 2007 Board of Trustees meeting, Staff provided an information briefing, indicating that it was very likely that the District would be down to one design-build participant, but would continue moving forward with the process.

PROPOSAL RECEIVED FROM DBE

On October 30, 2007, McCarthy Building Companies submitted the lone design-build proposal to the District. Evaluation of their proposal commenced immediately thereafter.

PROPOSAL EVALUATION

Since receipt of McCarthy's proposal, College and District Staff have had significant input into the evaluation of the proposal to determine if the proposal meets the requirements set forth in the Request for Proposal.

A CSM All-College Meeting was conducted on October 17, 2007 and again on November 5, 2007. The first session was to brief the College community on the status of the CSM CIP2 Design-Build Project. The second presentation featured the McCarthy Team's presentation of their architectural concepts for new buildings and landscaping. Proposal submittals, including drawings and renderings, were posted on the College's and District's website on November 6th, and architectural presentation boards were displayed in the CSM Gallery in Building 6. Staff created both online and paper surveys inviting comments from the College community at large. President Claire and members of his staff, as well as members of the Construction Planning Department, have been present for open discussion on the architectural boards displayed in the Gallery at scheduled intervals.

Eight proposal evaluation subcommittees, including representatives of the College administration, faculty, District staff and Swinerton Management & Consulting, have begun to review the proposal, based on the scoring criteria established in the Request for Proposal. It appears that the proposal is responsive to the RFP, and the costs are within a negotiable range while still achieving the scope requirements established in our original plan.

Staff now seek Trustees' input on McCarthy's proposal. In order to maintain the project's overall schedule requirements, Staff plan to return to the Board of Trustees in December 2007 with a recommendation.

BOARD REPORT NO. 07-11-5C

TO: Members of the Board of Trustees

CONSIDERATION OF A NEW ADMINISTRATIVE/EXECUTIVE SALARY SCHEDULE

The District reviews the compensation of its collective bargaining groups on a regular basis as part of the negotiation process. The District has not, however, engaged in a regular review of administrative compensation. In fact, the last comprehensive review of administrative structure and salaries was undertaken in 1976. Because there has not been a review of administrative/executive salaries in more than three decades, and because the District has an aging administrative staff¹, the Board established a District goal to review administrative salaries at its annual retreat earlier this year. Accordingly, the District engaged Mercer Consulting to assist in the collection of comparative data and the assessment of administrative compensation.

Regarding the collective bargaining groups, in 2004 and again in 2006, the District completed a survey of faculty salaries comparing our faculty salaries to those of comparable certificated positions. Every four years, the District completes a salary survey of CSEA benchmarked positions (jointly agreed upon between CSEA and the District), comparing those positions to comparable classified positions. These regular comprehensive surveys are used as the basis for adjustments in the salary schedules for all employees represented by AFT and CSEA. As a result of these surveys, our faculty salary schedule ranks from first to fourth among the Bay Ten College districts, depending on the column and steps selected. CSEA member salaries are guaranteed to be at or above fourth highest for comparable positions.

The last time the District's administrative structure and salary placement was surveyed and revised was 31 years ago. At that time, the District had 72 administrators/executives who were placed on one of four administrative levels. Since that time, there have been minor modifications to the administrative structure (the lowest level was eliminated) and some administrators have been reassigned to different salary ranges within the three remaining levels. Since 1976, the number of administrators in the District has declined steadily, from 63 in 1981 to 52 in 1985, and currently stands at 49 permanent full-time college and district administrators. Over the past three decades, no adjustments have been made to the administrative salary schedule except for COLA adjustments. This decline has resulted in a very lean administration that, we have confirmed recently, is underpaid compared to comparable positions in other community college districts that are similar in size and scope to our District.

Methodology

Mercer Consulting decided to review positions that are most common to all districts and benchmark the remaining positions to these; this is similar to how classified salary schedules are reviewed and compared. (Faculty salary comparisons are made by evaluating various levels of degree attainment and years of experience.) The positions selected for study were deans, vice presidents, presidents, and chancellor. To be consistent with the District's salary range reviews of AFT and CSEA, Mercer Consulting determined that new administrative/executive salary ranges should rank within the top four of the comparison districts.

Mercer Consulting determined that multi-college, suburban districts both in the Bay Area and in other similarly-sized districts in the State should be used as the basis for comparison because both the type of administrative

¹ 20% of current administrators are aged 60 or older; 32.6% are between the age of 55 and 59

positions (centralized service positions as well as college academic positions) and the different levels of administrative responsibility best match positions in our District. Unlike faculty or support positions, which have similar duties and responsibilities in a single- or multi-college environment, the duties and responsibilities of administrators and the administrative structure are not consistent between single- and multi-college districts. Therefore, all Bay Ten college districts and several comparably-sized, suburban, multi-college districts elsewhere in the State were included in the comparative study to reflect commonality of administrative structure and provide an accurate comparison of salaries. In this analysis, the deans would rank third among the comparison groups and the Vice, Presidents, Presidents and Chancellor rank fourth. (See Appendix A and B for the benchmarked positions and the relative rankings in this group,)

Because faculty and CSEA positions are only compared to the Bay Ten Colleges, Mercer Consulting also ran a Bay Ten-only analysis, which is shown in Attachments D and E. In the Bay Ten-only analysis, the proposed salary ranges did not change. However, in this analysis, the Deans and the Vice-Presidents ranked second, Presidents ranked fourth and the Chancellor ranked third in this comparison.

Dean positions, more than any other administrator/executive position, are filled from the ranks of college faculty. It is important that the dean salary ranges not only be competitive with other district dean positions, but also be attractive to our own experienced faculty so that they will consider applying for open dean positions. Accordingly, in addition to looking at neighboring districts and other similarly-sized, multi-college districts, we also looked at how dean salaries compare to the respective faculty salaries in this District. In calendar year 2006, the entry level dean's salary was \$100,524. The average pay for the top 20 faculty earners was \$122,190 (more than 20% higher than the entry level dean's salary) and some faculty members earned more than \$160,000. This data was also taken into consideration when assigning the salary range for dean positions.

Stratification

Mercer Consulting found that current administrator/executive salaries are compressed into too few groups—the majority of which fall into two salary ranges. This structure does not provide enough room to accommodate the multiple types and levels of administrative positions or provide a career ladder for administrators within the District. Mercer Consulting is recommending that the District increase the number of salary groups and, more appropriately, stratify the administrator/executive salary ranges to better reflect the differences in job duties and responsibilities, span-of-control, knowledge and experience, complexity, and breadth of job tasks.

Implementation/Cost of Proposal

To implement the new salary schedule, staff recommends that each current administrator be placed on the lowest step of the salary schedule that does not lower his/her pay. The cost to implement this proposal is approximately \$122,000 including regulatory benefits, which is an average 3.15% increase over the current salary schedule.

Recommendation

Based upon the data and the assessment criteria noted above, it is recommended that the Board consider the attached new administrative/executive salary schedule (Attachment C) that adjusts salaries of administrators stratified over 13 salary ranges effective with the first of the month following Board approval. It is also recommended that the Board consider placing administrators on the lowest step of the revised salary schedule that does not lower his/her pay and that the identified benchmarked positions be re-surveyed every four years.
