Measure C Citizens' Oversight Committee
San Mateo County Community College District
San Mateo, California

We have performed the agreed-upon procedures listed below, which were agreed to by the management of the San Mateo County Community College District and the Measure C Citizen's Oversight Committee, solely to review at least 25% of the expenditures of the 2001 General Obligation Bond funds for the period of July 1, 2009 through June 30, 2010, for the purpose of verifying if the use of the funds is within the scope of the published materials specifying the intended use of bond funds. We used election documents, District resolutions, the master plan and the revised master plan as guidance for the intended use of the funds. For any expenditure in question, we recommended that the District obtain the opinion of legal counsel and we informed this committee as to the issues. Management is responsible for San Mateo County Community College District's compliance with those requirements. This agreed-upon procedures engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and is intended to meet the compliance requirements as outlined in subparagraph (c) of paragraph (3) of subdivision (b) of section 1 of article XIII of the California Constitution. The sufficiency of these procedures is solely the responsibility of those specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below for either the purpose for which this report has been requested or for any other purpose.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the San Mateo County Community College District and the Measure C Citizen's Fiscal Oversight Committee and is not intended to be and should not be used by anyone other than those specified parties.
