

Classified Senate Minutes
11/26/2012

Present: Roberta Chock, Maria Huning, Debbie Joy, Rosalina Mira, Jonna Pounds, Dave Vigo

1. Classified Senate Goals

- One of the main suggestions from the Classified Staff Retreat was that there be more professional development offered.
- CIETL provides workshops periodically through Ricardo Flores.
- Student Services will periodically provide professional development through Claremont.
- However, there are concerns that there isn't much available because it is all geared towards faculty and/or focused on classroom resources.
- Jonna will check in with CIETL to see if they had anything for Flex day that would be available to Classified staff as well.
- Another suggestion for classified goals is to increase and encourage attendance at Classified Senate meetings.

2. Classified Special Election

- Candidates had been contacted based on nominations; however, there has been no response.
- Jonna will continue to contact the candidates via email and set up a vote once candidates respond.

3. Events

- Holiday Luncheon: Mario is still working on the dates and will get back to us as soon as he has the location and dates confirmed.
- Holiday Baskets: Currently there are only two baskets turned in. Jonna will send out another email about baskets to remind people where to turn them in.

4. Approval of Minutes: Approved as written 1:45pm.

5. Adjournment: 1:58 PM
