

# Distribution of Racial and Ethnicity Groups in the Northern Peninsula

Maps were taken from the New York Times online resource titled: *Mapping America: Every City, Every Block* (link: <http://projects.nytimes.com/census/2010/explorer?ref=us>).

Map source data come from the Census Bureau's American Community Survey, based on samples from 2005 to 2009. Because these figures are based on samples, they are subject to a margin of error, particularly in places with a low population, and are best regarded as estimates.

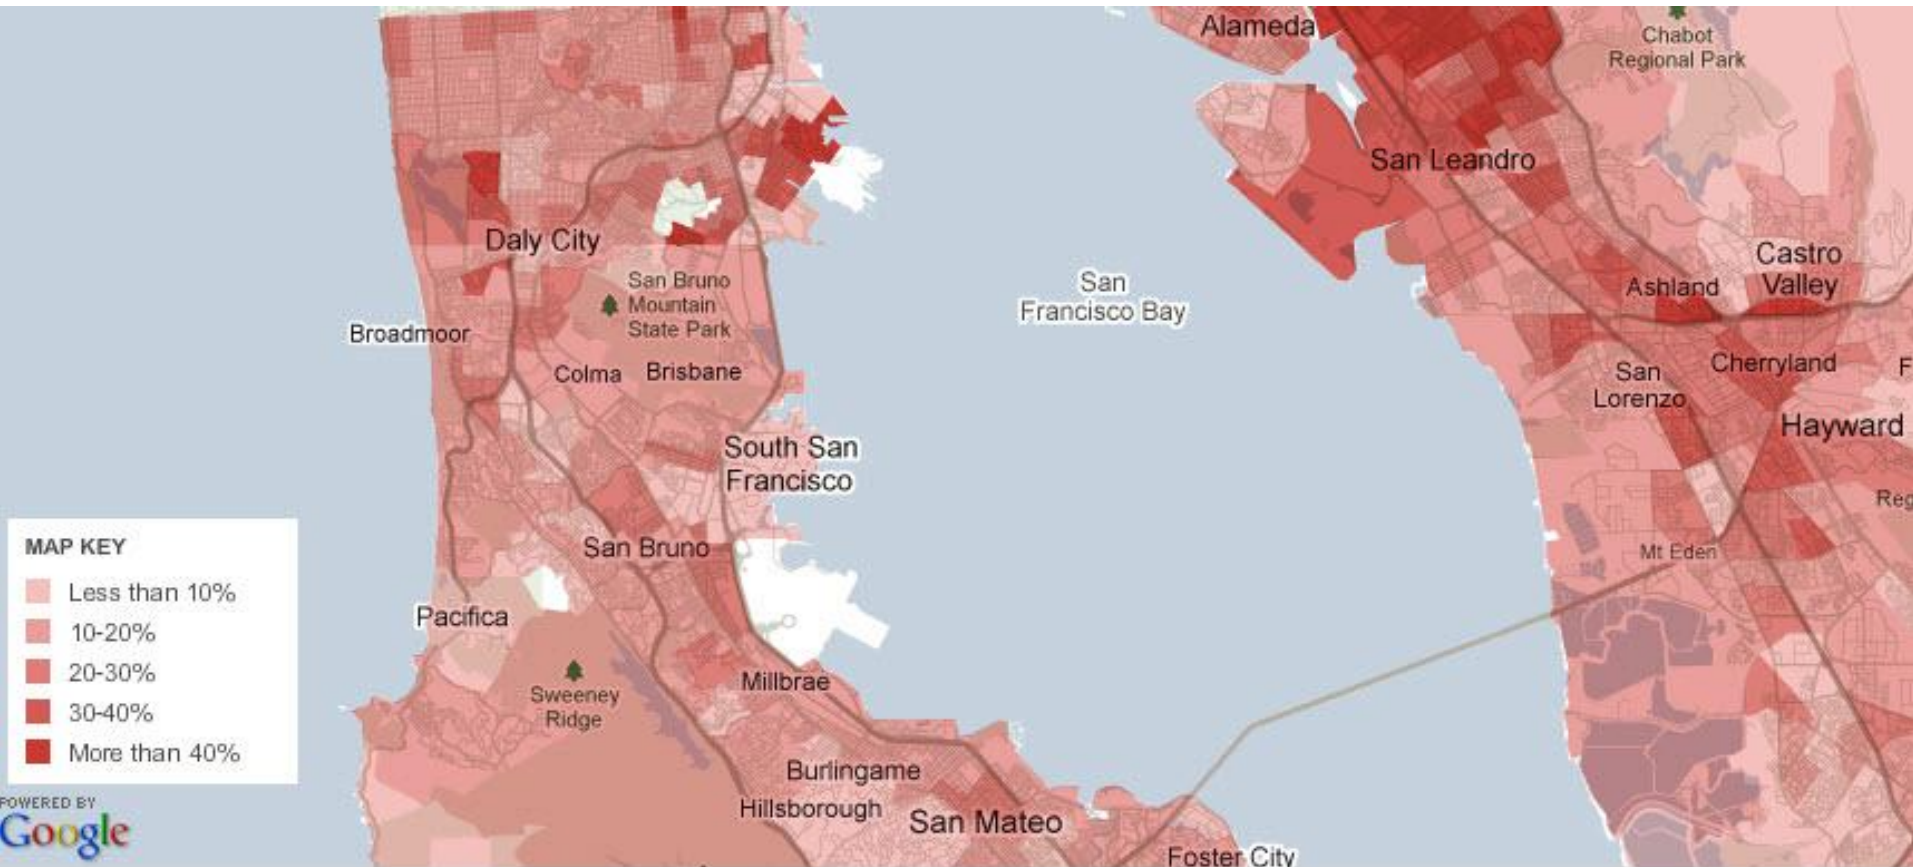

# Distribution of Racial and Ethnicity Groups in the Southern Peninsula

Maps were taken from the New York Times online resource titled: *Mapping America: Every City, Every Block* (link: <http://projects.nytimes.com/census/2010/explorer?ref=us>).

Map source data come from the Census Bureau's American Community Survey, based on samples from 2005 to 2009. Because these figures are based on samples, they are subject to a margin of error, particularly in places with a low population, and are best regarded as estimates.

# Distribution of Households Earning Under \$30K in the Northern Peninsula

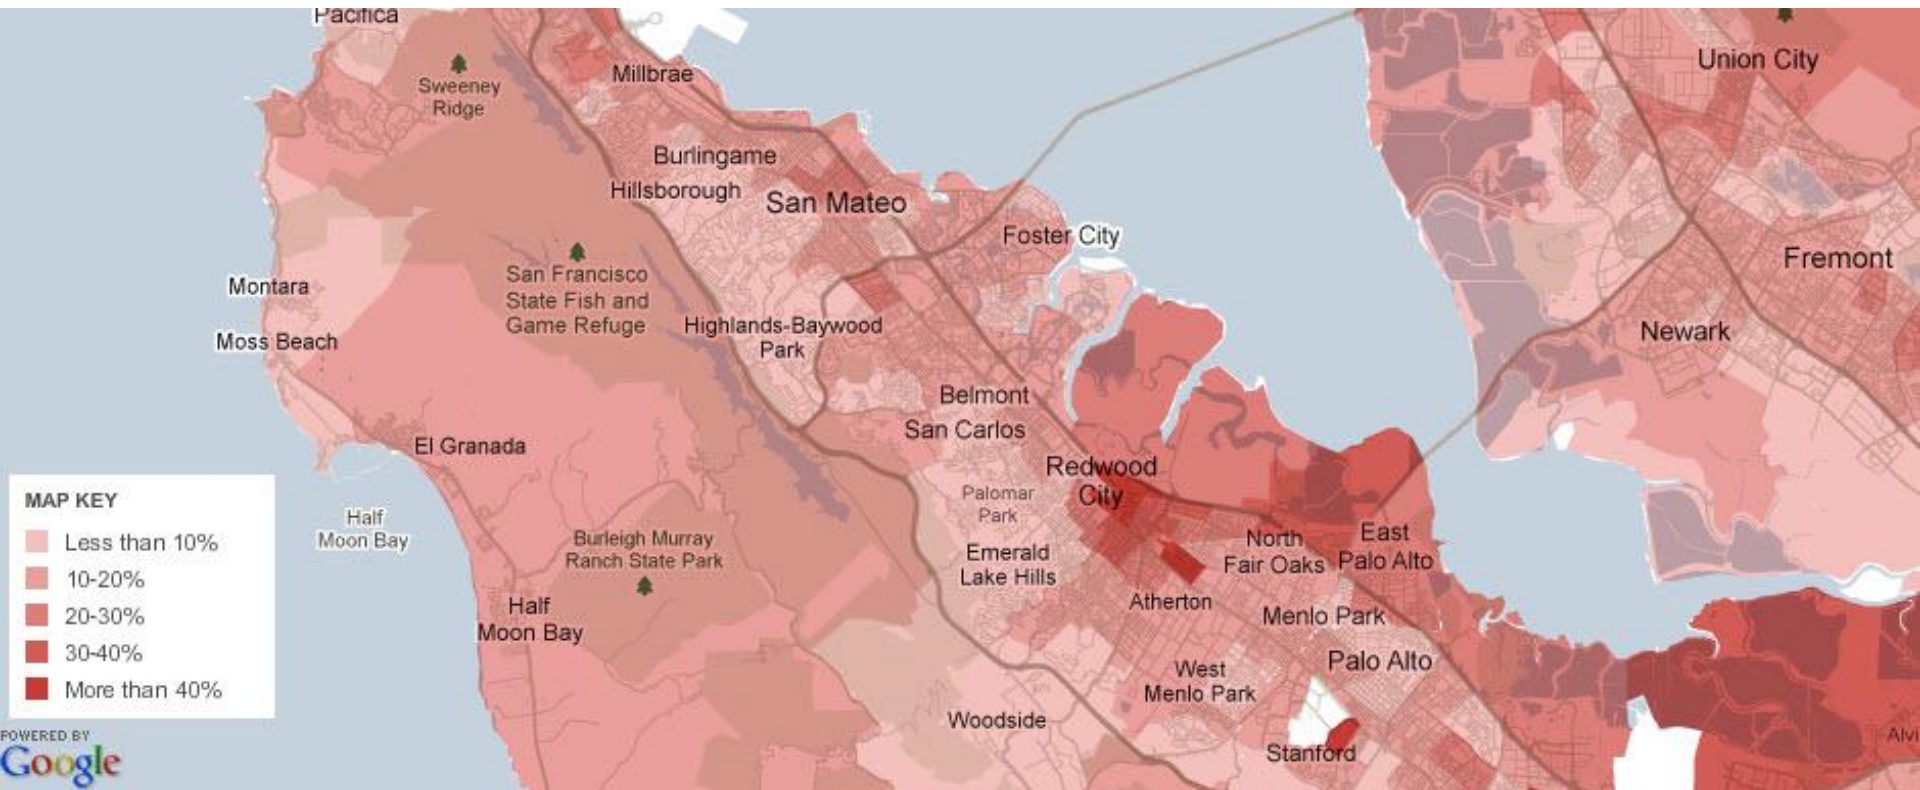

Maps were taken from the New York Times online resource titled: *Mapping America: Every City, Every Block*
