# Ambitions for the Process

## Process Goals

- Extensive student participation
- Deep & broad engagement with faculty & staff
- New formal lines of dialog with key external stakeholders

## Desired outcomes

- Campus-wide ownership of final plan
- Prioritized list of strategies each linked to core indicators
- Progress against goals assessed & discussed routinely
- Cañada identified as a ***Best Practice*** in strategic planning

# CPC

- Approves overall process
- Drive development of Mission, Vision, Values
- Review data and survey findings to determine Key planning issues
- Appoint/recommend participants of oversight committee
- Identify parameters for Working Group membership
- Review & approve final plan

## Strategic Planning Oversight Committee

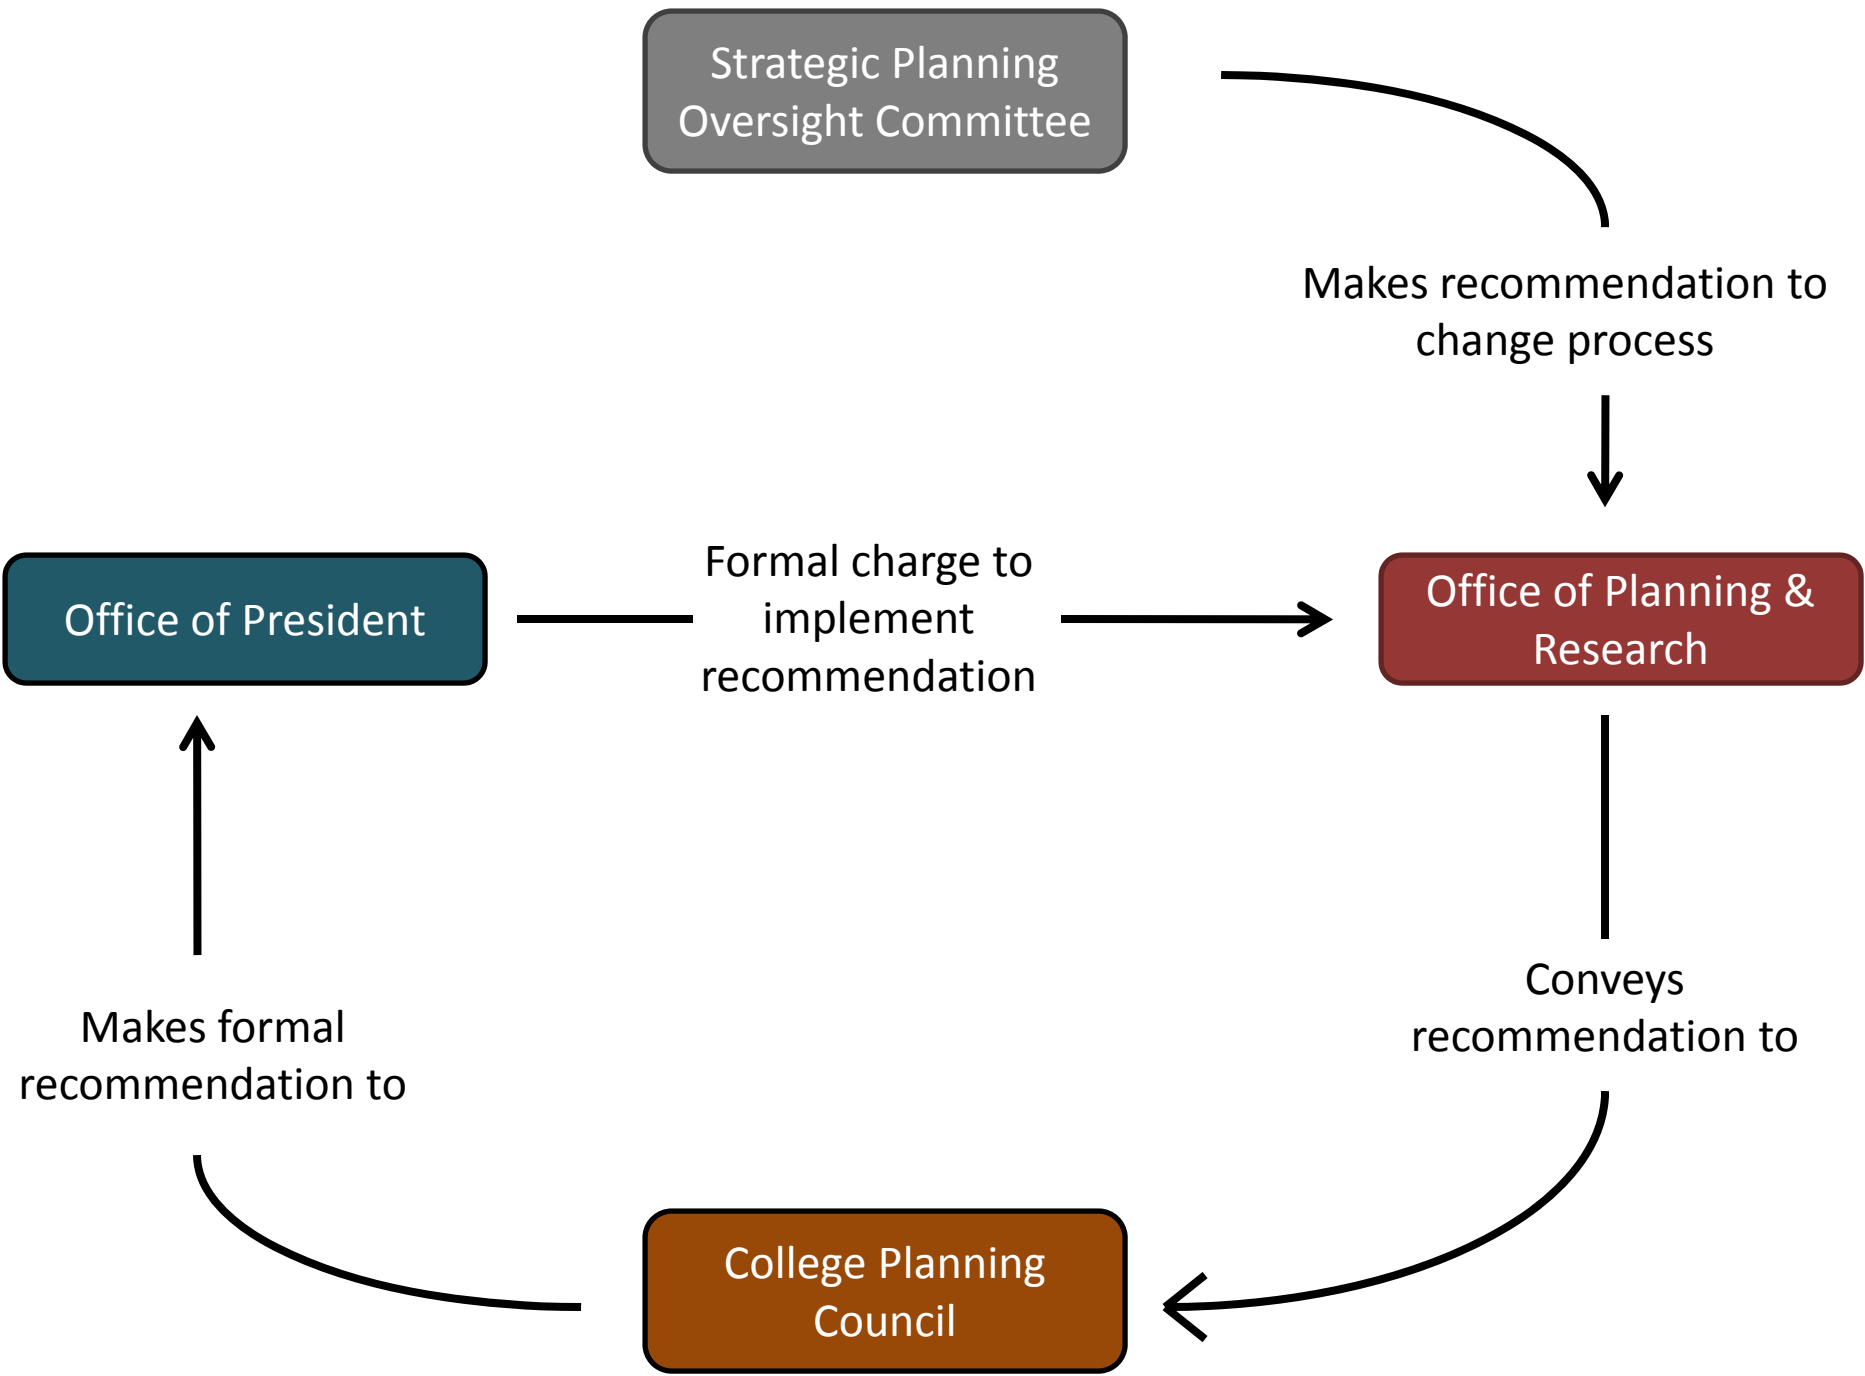

- Supports the process generally / recommends direction
- Makes sure process and output meets all external requirements/forces
- Sounding board for ideas and output
- Composed of members of Admin Council plus members appointed by CPC

## IPC & SSPC

- Direct the investigation of Working Groups
- Review w/ Working Groups stakeholder related data/information
- Recommend metrics & indicators linked to goals

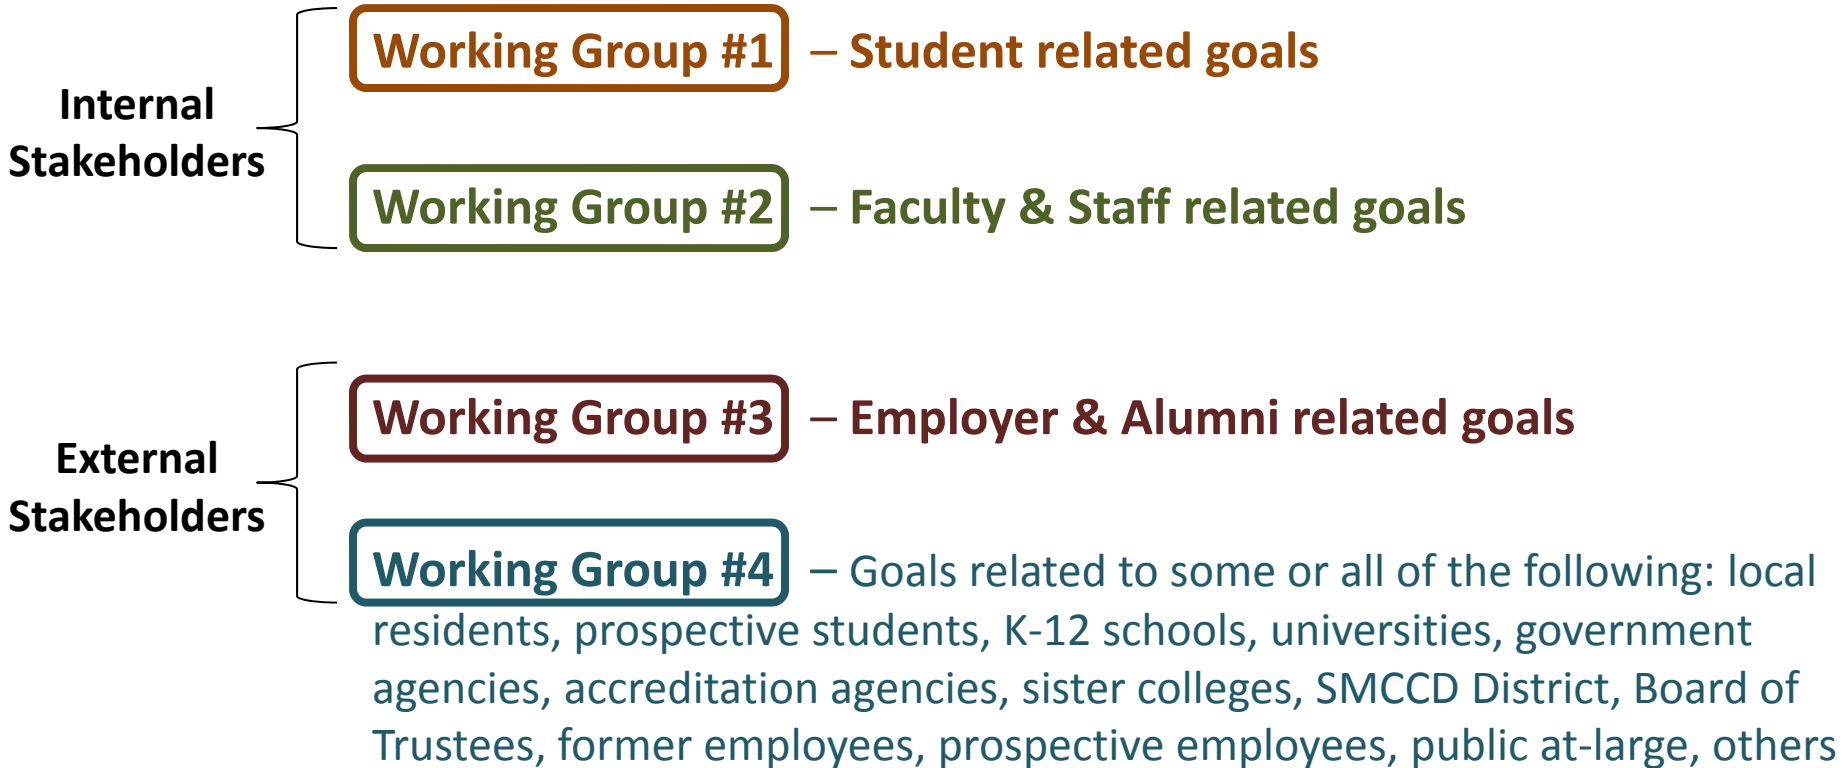

## Working Groups

- Develop stakeholder profiles
- With support from Office of Planning lead collection of stakeholder data/info
- Engage stakeholders directly / develop formal lines of communication
- Reports back to CPC (at intervals and at close)

# Stakeholder Framework

## WORKING GROUP FOCUS AREAS

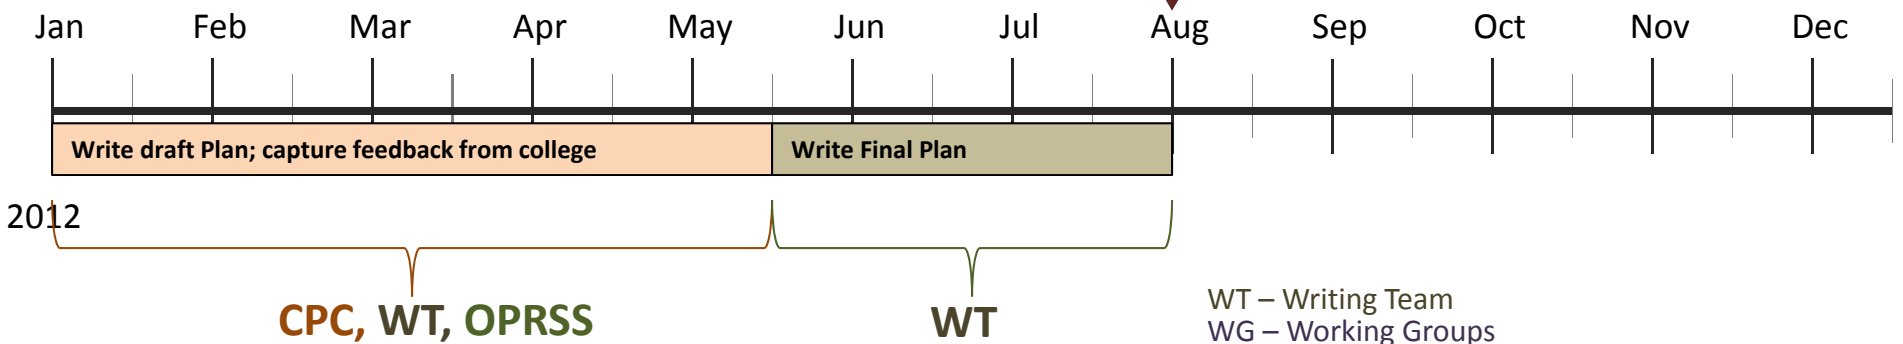

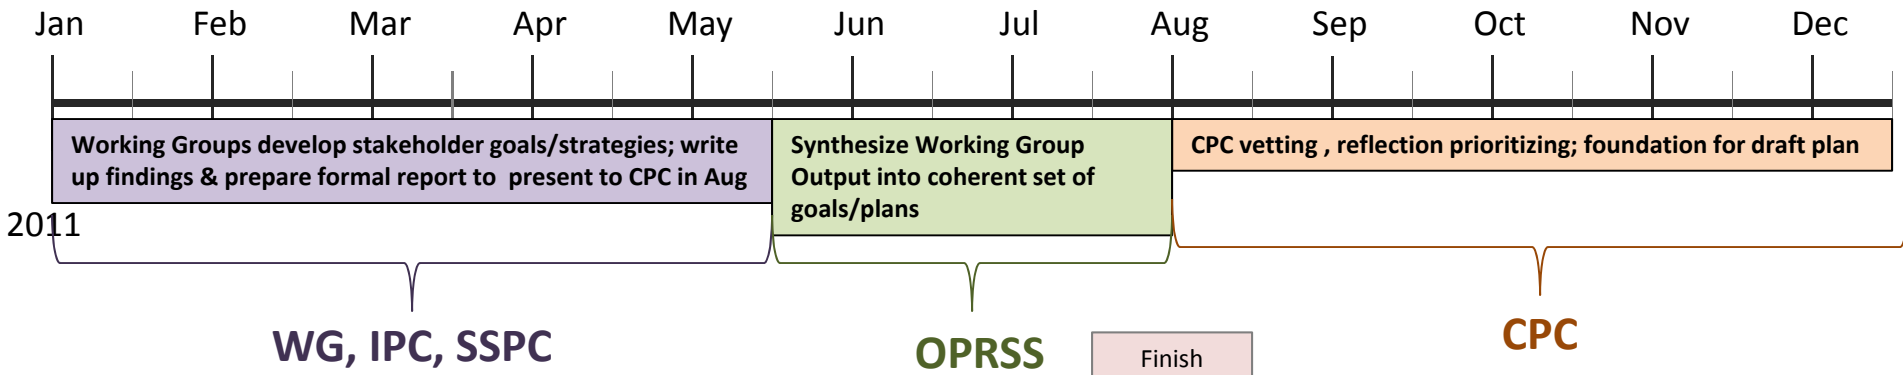

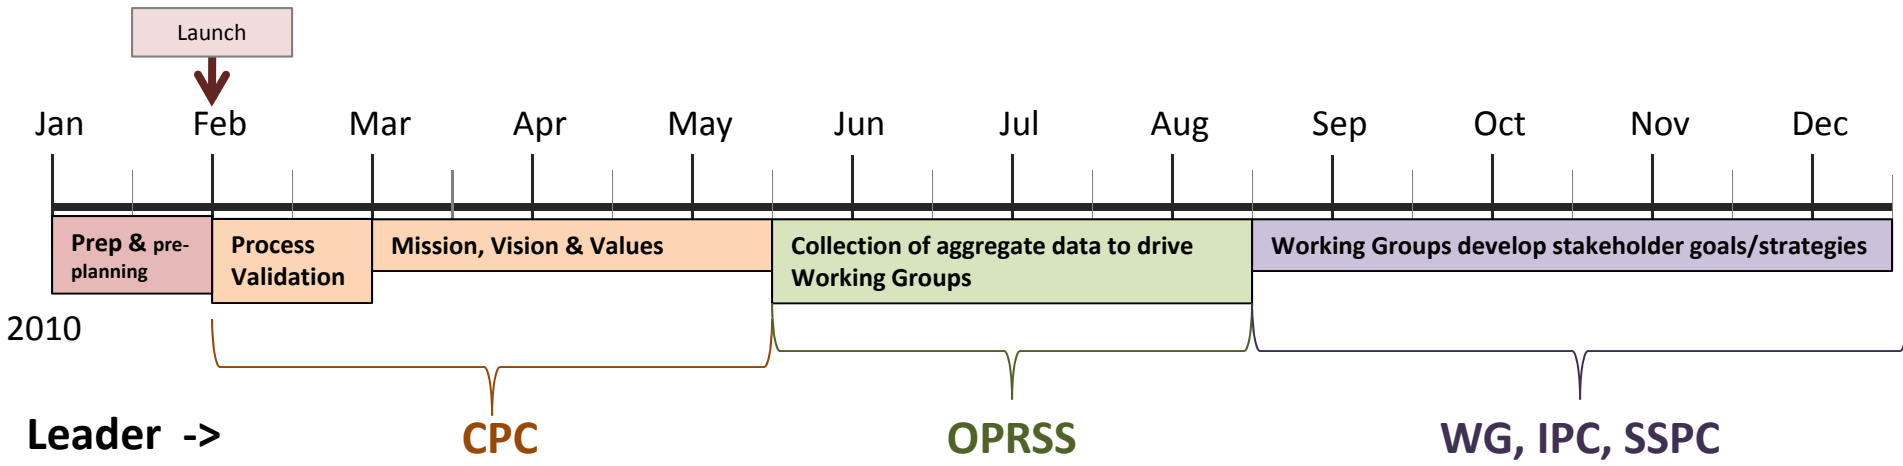

### PROFILE OF WORKING GROUPS

- Four Working Groups; up to eight people per working group
- CPC Identifies parameters for Working Group membership
- Work closely with IPC & SSPC on development of goals
- Work closely with Planning Office on development of assessment instruments & outcome metrics

# Aggregate Metrics & Benchmarks

## *Accountability Report for Community Colleges*

1. Released annually by the Chancellor's Office
2. Set of seven College Performance Indicators
3. Peer Group Benchmarks (CCCs)
4. Includes a brief self-assessment
5. Report is shared with Board of Trustees & the Public

# ARCC Indicators

1. Student Progress & Achievement
2. Completed 30 or More Units
3. Fall to Fall Persistence
4. Vocational Course Completion
5. Basic Skills Course Completion
6. ESL Course Improvement
7. Basic Skills Course Improvement

**Note on Peer Groups:** Peer Groups are determined by examining a set of institutional and program specific characteristics across the California Community College System. Peer groups are indicator specific, and therefore the list of colleges in the peer group changes for each indicator.

# What do we want to be?

## Characteristics of High Performing Colleges

### 1. Courageous, shared leadership

- *Not an earnest series of add-on programs, but fundamental reorientation of basic skills education.*
- *Risk-taking is actively encourage by senior leadership.*
- *Faculty constantly testing the pedagogical merits of new practices.*
- *Successes are openly celebrated; failed experiments are cherished as powerful learning tools*

### 2. Fearless engagement with data & reflective practice

- *Faculty & staff routinely collect & review granular data from the classroom & service area*
- *Time specifically reserved for reflection and dialog on data is crucial*
- *Simple, meaningful metrics are as powerful as large research undertakings*
- *Faculty & staff display courage about the interpretation of research findings*

### 3. Structured, integrated strategies

- *No existing processes or structures are immune to rethinking*
- *Student goals are linked tightly to pathway models & pathway interventions*
- *Multiple access points to academic & student service support*
