GENERAL PRINCIPLES

The following principles shall guide all activities related to the screening and selection of new employees:

1. San Mateo County Community College District is committed to providing full, objective, and equal access to its recruitment and selection process for all applicants, regardless of race, color, national origin, gender, sexual orientation, religion or marital status. The District is an Equal Opportunity Employer that fully respects and values the diversity of cultures, language groups and abilities of its surrounding communities and student body.
2. The District actively seeks applicants who demonstrate the required technical expertise, preparedness, competence, respect and sensitivity that will enable them to effectively work in a multi-cultural, multi-lingual educational environment. The Board of Trustees, managers, faculty and classified staff share the responsibility for assuring equal opportunity practices throughout the screening and selection process.
3. Emphasis is placed on the responsibility of the classified staff and managers to ensure the quality of their classified staff and manager peers.
4. Clear efforts are made to comply with Federal, State and local laws, and the District commitment to equal opportunity, fairness, inclusion, respect of all candidates, and objectivity throughout the selection process.
5. Classified staff, managers and administrators participate effectively in their respective roles throughout the process.
6. Between the announcement of a vacant position and the selection of a candidate for hire, there is sufficient time to allow for a thorough, complete and thoughtful search.
7. All participants in the selection process receive appropriate training in equal opportunity and legal selection procedures so that fair and equitable treatment of all individuals can be assured.
8. Individuals, regardless of race, ethnicity, language group or ability, who are knowledgeable about and responsive to the College and District commitment to equal opportunity, are included on Screening Committees. Whenever possible, screening committee membership is diverse in order to broaden perspectives and to better represent the District commitment to equal opportunity.
9. Final hiring decisions, whenever reasonably possible, are made during the regular academic year and promptly communicated to the classified staff and managers. Only candidates who are recommended by the screening committee will be hired.
10. The screening committees and hiring managers shall maintain confidentiality throughout, and following completion of, the selection process.

IDENTIFICATION OF VACANT POSITIONS

The College President (Chancellor-Superintendent or designee for the District Office) is responsible for identifying classified staff and management positions to be filled, through use of a thoughtful, well-defined and widely-disseminated planning process. The planning process shall be described in writing and involve classified staff, managers and administrative staff.

The process of identifying positions to be filled shall include the following:

- a. Involvement of managers and classified staff at the division/department level
- b. Involvement of the Academic Senate President (or designee) at appropriate times within the process
 - To review the general criteria established by the College for identifying positions to be filled; and

The announcement will be reviewed by the hiring manager, and if appropriate, review may take place by the Vice-President and College Equal Employment Opportunity (EEO) Committee (within the scope of their respective responsibilities), and College President or her/his designee (Chancellor or her/his designee for the District Office) before being finalized by the Office of Human Resources.

The College EEO Committee (if applicable) may recommend changes in the announcement draft to assure equal employment opportunity and the absence of “desirable qualifications” listed in the job announcement that may adversely impact individuals based on race, ethnicity, language group, national origin, gender, sexual orientation, religion and/or marital status.

Staff in the Office of Human Resources will provide a range of technical services, training and consultation, as appropriate, to assure that the job announcement, recruitment activities, and screening/selection process (criteria, forms and documentation) comply with applicable current laws and regulations, as well as District policies and procedures.

Compensation

Please note that service on a screening committee is considered part of an employee's job duties for compensation purposes. Thus, a non-exempt employee serving on a screening committee is

permitted to count time spent on a screening committee as time spent working. If a non-exempt employee is required to work overtime in order to serve on the screening committee, this should first be discussed with the employee's manager.

ROLE OF THE HUMAN RESOURCES REPRESENTATIVE

Each screening committee member has the responsibility for compliance with the spirit, laws and practices related to the District's commitment to equal opportunity.

DEVELOPMENT OF THE ASSESSMENT PLAN

PAPER SCREENING GUIDELINES

Prior to receiving any application materials from candidates, the screening committee shall again review the desirable skills and abilities (KSAs) that are stated on the job announcement and determine which of the KSAs will be most appropriate to use as criteria in screening the application materials. The committee may also pre-determine the appropriate weighting of the KSAs, the procedures for rating, the form that will be used, and the procedure that will be used to select candidates for subsequent steps in the process.

INTERVIEW AND SKILLS DEMONSTRATION GUIDELINES

Interview questions and skills demonstrations will be based solely on bona fide, job-related knowledge, skills and abilities (KSAs) as stated in the job announcement; and will be appropriate to the subject matter. Each screening committee member shall document the quality of the candidates' responses using forms, including pre-determined sets of key response elements and a rating system.

Interview questions and skill demonstrations must be job-related, based on the required knowledge, skills and abilities, unbiased, and should have the following characteristics:

- Questions are open ended in order to prompt full and complete responses from the candidate.
- Include pre-determined “Key Response Elements” (KREs) that can be used by the screening committee to evaluate the quality of the candidate’s responses. “Key Response Elements” are lists of desired responses that the screening committee can listen for in order to guide their rating and documentation of candidate responses to each interview question. “KREs” are derived from the knowledge, skills and abilities being “tested” by each interview question.

The screening committee may include the following as part of its assessment plan:

- Interview questions related to candidates’ experience with, and sensitivity to diversity of cultures, language groups and abilities within the student body and staff as a measure of preparedness to work in a multi-cultural, multi-lingual environment.
- Assessment of supplemental information such as examples of job-related, professional work that may be requested of, and provided by each candidate.
- Skill demonstration(s): a practical, job-related test of professional competence; written composition exercise; demonstration on job-related use of technology.

CLOSE OF THE RECRUITMENT PROCESS

At the close of recruitment and when the screening committee has completed preparation of screening materials, the Office of Human Resources will release access to the online employment site for the particular position.

Pursuant to Title 5, the Office of Human Resources will implement the following guidelines relative to applicant pools and the selection process:

1. The application for employment shall afford each applicant an opportunity to voluntarily identify her or his gender, ethnic group identification and, if applicable, her or his disability. This information shall be kept confidential and shall be used only in research, validation, monitoring, evaluating the effectiveness of the District’s equal employment opportunity program, or any other purpose specifically authorized in Title 5, or by any applicable statute or regulation.
2. After the recruitment has closed, the composition of the qualified applicant pool shall be reviewed and compared to the composition of the initial applicant pool. If the Office of Human Resources finds that the composition of the qualified applicant pool may have been influenced by factors which are not job related, appropriate action will be taken.

SCREENING OF APPLICATION MATERIALS

PAPER SCREENING PROCESS

Using the pre-determined rating criteria, form and rating methodology, all members of the screening committee shall review all completed application materials and shall then select for interview those applicants who most closely meet the stated requirements and desirable skills and attributes as listed on the job announcement. The committee may not identify alternate names for interview if a candidate(s) withdraws from the process.

The online employment site pre-screens applications via questions asked of applicants about meeting the minimum requirements for the position. For academic administrative positions, a link to the *Application for Equivalence of Minimum Qualifications for Academic Administrator/Supervisory Positions* is provided should an applicant need to establish minimum qualifications for a discipline. (See Board Policy 3.15 and Procedure 3.15.2 for the minimum qualifications equivalence process for job applicants).

Following the screening of application materials and the selection of interviewees, the Office of Human Resources shall be responsible for notifying applicants who were not selected. Such notification will be made (via e-mail) as soon as possible upon completion of the application materials screening and upon notification of the screening committee chair.

SCREENING OF INTERVIEWEES

All pre-determined interview questions and skill demonstrations with key response elements, and other screening components of the selection process, must be directly related to the required and desirable knowledge, skills and abilities of the job, as listed in the job announcement.

The same set of pre-determined interview questions (and skill demonstrations) shall be used to screen each candidate. The Committee may ask appropriate follow-up questions to clarify a candidate's response to a question, or may ask job-related questions about information contained in the application materials; however, Committee members must assure that all candidates are provided an equal opportunity for clarification and elaboration on matters related to their background and/or responses to questions.

All members of the Screening Committee must be present during all of the interviews. If a Committee member is unavoidably absent and subsequent interviews cannot be rescheduled, the remaining Committee members may proceed without that member for the remainder of the process. Whenever that absence disrupts the balance of the Screening Committee membership, the Chair and hiring manager will decide on a course of action.

INTERVIEW DOCUMENTATION

An interview/skill demonstration rating form must be completed and signed by each member of the Screening Committee in order to document the quality of each candidate's responses. The Screening Committee Chair is responsible for reviewing all of the completed rating forms to assure that comments made by Committee members relate only to job-related criteria.

At the conclusion of the interviews and skill demonstrations, the Committee Chair shall compile all of the rating forms, Committee member notes and other written documentation of the process into a final and confidential Committee record that will be sealed and maintained in a designated location at the College for a period of three (3) years as required by law.

The Office of Human Resources shall be responsible for notifying unsuccessful interviewees using a standard e-mail developed by the Office of Human Resources. Such notification will be sent as soon as possible upon completion of the Committee selection of finalists.

CRITERIA FOR THE RECOMMENDATION OF FINALISTS

Several factors are to be considered by the Committee in selecting interviewees who will be forwarded as finalists. The selection should be based on a combination of the information contained in the candidates' application materials, the interview performance, and results of the skill demonstration or other pre-determined, job-related Committee assessment tool. Such factors as the following shall be considered:

- demonstrated professional competence
- scope and quality of professional preparation
- experience and skills related to the position
- demonstrated skill and preparation to work in a multicultural, multilingual educational environment
- sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of staff and students

The Screening Committee will select as finalists those candidates who most closely meet the selection criteria, are well qualified in the opinion of the committee, and would be most likely to be successful if selected for the position. Finalists' names shall be forwarded, unranked, to the hiring manager.

The following items also shall be forwarded to the hiring manager along with the finalists' names:

- a list of the interview questions and key response elements used to interview candidates;
- committee comments regarding the strengths of each finalist, and information about any job-related issues that can more effectively be discussed during the final interview; and
- copies of each finalist's application or resume.

The hiring manager may also request the committee interview and skill demonstration rating forms or other documentation from the screening committee process.

If only one candidate is deemed acceptable as a finalist, the committee will also submit its reasons in writing and forward them to the hiring manager, who will review the screening process with the screening committee chair and Human Resources representative.

FINAL INTERVIEWS AND REFERENCE CHECKS

Reference checks will be conducted by the hiring manager.

The person who is eventually selected for hire will be from among the finalists who were recommended by the screening committee. If the hiring manager does not select one of the recommended finalists, the manager will meet with the screening committee to explain the decision. The committee may elect to review the pool of candidates and recommend additional finalists, or the hiring manager may reopen the hiring process.

OPEN FORUMS FOR PRESIDENT AND VICE PRESIDENT FINALISTS

As a part of the hiring process, finalists are invited to participate in an open forum. The purpose of the open forum is to provide finalists with a platform to introduce themselves to the college community and to afford the college community a space to learn more about finalists. Generally open forums follow a Q&A structure and may include a student forum and a campus forum.

CANDIDATE APPROVAL PROCESS

Following selection of the final candidate, the hiring manager shall submit formal notification of the selection to the Office of Human Resources for submission to the Board of Trustees for approval.
