BOARD REPORT NO. 11-6-108B

TO: Members of the Board of Trustees

FROM: Ron Galatolo, Chancellor

PREPARED BY: James Keller, Executive Vice Chancellor, 358-6790

ADOPTION OF THE 2011-12 TENTATIVE BUDGET

In accordance with State law, the Tentative Budget must be adopted by the Board of Trustees on or before July 1, 2011. The budget will be revised during the summer to reflect needed changes resulting from passage of the State Budget and from 2010-11 year-end close activities. The Tentative Budget also will be revised to reflect other revisions that occur up to the time that the Final Budget is presented to the Board of Trustees for approval on September 28, 2011.

The Tentative Budget is derived from revenue projections based upon the latest information available from the State Chancellor's Office and estimates for local revenue. Expenditure projections are based upon data currently available relating to District obligations, set-asides, and site allocations. The Tentative Budget is a compilation of information presented to the Board subsequent to adoption of the 2011-12 Budget and Planning Calendar on January 26, 2011.

RECOMMENDATION

To meet the California Code of Regulations, Section §58305 requirements for Tentative Budget approval, to proceed with the orderly closing of the 2010-11 accounting records, and to begin 2011-12 disbursements in July 2011, it is recommended that the Board of Trustees adopt the following Tentative Budget:

General Fund, Unrestricted	\$ 121,582,294
General Fund, Restricted	20,515,767
Self-Insurance Fund	10,570,300
Debt Service Fund	47,913,228
Capital Projects Fund	140,634,747
Bookstore Fund	14,846,656
Cafeteria Fund	650,903
San Mateo Athletic Club/Aquatic Center (SMAC)	2,026,357
Child Development Fund	1,351,802
San Mateo Parcel Tax (Measure G)	7,350,000
Trust Funds (Financial Aid)	16,480,430
Reserve Fund for Post-Retirement Benefits	28,017,098

TOTAL – ALL FUNDS

\$ 411,939,582

THE TENTATIVE BUDGET REPORT provides a summary of 2011-12 State and District budget planning information. It focuses primarily on the Unrestricted General Fund; however, preliminary information is also included about other District funds shown in detail on Exhibits B through L.

Budget Planning

The District has been proactive in facing the budget crisis. With active participation and guidance from the District Committee on Budget and Finance membership, the SMCCCD budget was developed assuming a 14% cut over two years—10% in 2011-12 and an additional 4% in 2012-13. It also assumes use of reserves that delays severe cuts well into the future.

Despite efforts by Governor Brown and legislators to cut spending combined with the recent estimate of increased revenues from the Department of Finance for the current and upcoming fiscal year, California's structural deficit remains unresolved.

After the release of the May Revise, uncertainty looms. We are still in a "wait and see" mode. The debate over taxes and spending between the Republicans and Democrats persists. Legislative hearings began shortly after the release of the May Revise, and Chancellor Galatolo will continue to update the college community regarding the budget situation and its impact to our District over the summer months. Even though budget issues persist at the State legislature, the District has proposed a Tentative Budget based on the Governor's proposal and legislative results to date.

For the first time, under Proposition 25 which was approved by voters in November 2010, legislators will not be paid if they miss the June 15 budget deadline. As has been typical of the legislature, marathon sessions produced a State Budget crafted at the eleventh hour to meet the constitutional deadline. The plan was drawn up and approved by the Democrats with no Republican support. It contains familiar solutions of one-time revenues, borrowing, fund shifts and other gimmicks. Whether the Governor will sign it remains to be seen.

Based on State budget news over the next several weeks, we can expect the SMCCCD final budget to contain adjustments from those noted at the time the Tentative Budget was prepared.

Included in this report is a four page self-assessment checklist of the District's fiscal condition to address concerns by the college community. Pursuant to Education Code Section §84040, the Board of Governors adopted criteria and standards for the periodic assessment of California community college districts. In accordance with this requirement, the Chancellor's Office established standards for sound fiscal management and a process to monitor and evaluate the financial health of California's community college districts.

MAY REVISION

The May Revision was released by Governor Brown on May 16, 2011. The Governor acknowledged \$6.6 billion in anticipated revenue but mainly focused on the existing "wall of debt," stating that the amount does not come close to covering the gap. He reiterated his position for tax extensions that were approved in 2009-10—sales taxes (1%), the vehicle license fee (1.15%), and state income taxes (½ %). Many observers speculate that the required two thirds majority to pass the tax extensions may require the Governor to compromise on pension reform and some form of spending cap.

In March 2011, Governor Brown signed a budget package that addressed \$11.2 billion of the estimated \$26.6 billion deficit. For community colleges, that package included \$400 million base reduction in apportionment funding (7% decline), increased student fees from \$26 to \$36 per credit unit (38%) and

increase in deferrals of \$129 million. Since then, other legislative actions and events have reduced the shortfall to approximately \$10.8 billion.

State Vice Chancellor for Fiscal Policy Dan Troy provided following budget summary:

- -26.6 Billion gap identified in January
- +14 Billion in cuts and other solutions approved in March
- -\$0.6 Billion in erosions of March package (due to implementation delays)
- -\$1.0 Billion due to Proposition 10 litigation
- +\$6.6 Billion in GF revenues identified in May Revision
- -\$2 Billion in new costs
- -\$1.2 Billion for a budget reserve
- = \$10.8 Billion

The community college budget remains relatively unchanged from the initial January proposal. The May Revise reduces the community college intra-year deferrals by \$350 million from \$961 million to \$611 million. The 4.9% workload reduction identified in the original proposal remains the same.

While it is reassuring that the May Revise did not propose further cuts to community colleges, the Governor is relying on the tax extensions to pass in order to close the \$10.8 billion funding gap. According to School Services of California, *if the tax extensions pass, Proposition 98 funding is \$52.4 billion; if they fail the Proposition 98 funding drops to \$50.8 billion, a reduction of \$1.6 billion for K-14.* There have been no concrete plans announced should the tax extensions fail although Governor Brown acknowledges a \$5 billion reduction to education in an "all-cuts" budget. This amount equates to eliminating 52,000 courses for community colleges and an additional \$500 million cut to UC's and CSU's.

The Legislative Analyst's Office (LAO) agreed with the Governor's revenue estimates for the current 2010-11 and 2011-12 budget years. It reports that the partial elimination of deferrals will curtail districts from borrowing to meet financial obligations. Although it agrees that tax extensions would assist in balancing the budget, it recommends that it is preferable to hold elections at the end of the fiscal year to allow for schools, counties and State agencies to have stability and predictability in funding levels.

School Services of California provided a summary of the latest actions by the Senate and Assembly:

Without the extension of the temporary taxes sought by the Governor, AB 98 relies on a long list of cuts, one-time revenues, special fund borrowing, accounting shifts, and other gimmicks to replace the \$9.6 billion in revenues that the Governor sought in his May Revision. The major elements of AB 98 and its various Budget Trailer Bills to follow include:

- Reinstatement of \$2.85 billion in K-14 apportionment deferrals
- Increased tax and fee revenues of \$1.6 billion from a 0.25% increase in the local sales tax, a \$12 increase in the vehicle registration fee, imposition of the sales and use tax on certain Internet sales, and imposition of fire protection fees for rural residents
- Additional cuts of \$150 million each to the University of California (UC) and the California State University systems, plus a \$540 million delay in payments to the UC
- A cut of \$150 million to the court system and \$500 million to local law enforcement
- An assumption of \$700 million in federal funds to offset state expenditures in the Medi-Cal program
- An assumption of \$1.2 billion from the sale of state properties

- An assumption of \$800 million in higher General Fund revenues (on June 14, 2011, the State Controller reported that May 2011 collections were \$409 million above forecast)
- A \$1 billion shift of Proposition 10 special funds to the General Fund

While the AB 98 spending plan looks similar to recent Budgets that fell out of balance within months of enactment, there were hints that this may not be the final act. The Governor has 12 days to sign or veto the Budget Bill, but during this time, negotiations could continue. It is possible that a deal may ultimately be struck with four Republicans on a spending cap, pension reform, and regulatory changes.

Recently, the Community College League of California (CCLC) released a glimpse on projections of the budget impact to community colleges under different scenarios: http://www.ccleague.net/district-budget-impact/

Scenario A assumes that tax extensions pass and Proposition 98 is not suspended while Scenario B assumes an all-cuts budget including a suspension of Proposition 98.

Budget Simulation: San Mateo County CCD

Underlying Assumptions

The reduction simulations assume a dollar reduction in each of credit, noncredit and career development and college preparation (CDCP) FTES in a proportional manner across the district's offerings. Because noncredit and CDCP are funded at a lower rate, the percentage of FTES reduced is greater. Similar to 2009-10, each district would likely be able to decide the exact blend of its reductions. Headcount is simply a multiplier of 2.1 of the district's lost FTES, based on statewide ratios from 2009-10.

2011-12 Base revenue (before reductions)	\$108,416,160
Share of state apportionment (excluding ELPT)	1.91%
Number and percent credit FTES	21,498 (99.47%)
Number and percent noncredit FTES	116 (0.53%)
Number and percent CDCP FTES	0 (0.00%)
Head a court amount has at head decome (2000, 10).	

Headcount enrollment breakdown (2009-10):

Canada: 11,566 (24.3%)San Mateo: 18,566 (39.1%)Skyline: 17,377 (36.6%)

Notes: ELPT = excess local property tax districts

	Scenario A	Scenario B
Not amount out	\$-6,055,000	\$-9,899,000
Net apportionment cut	5.6%	9.1%
Workload reduction percent:	-6.15%	-10.05%
Lost FTES	-1,329	-2,172
Lost headcount:	-2,791	-4,562

Detailed Scenarios

Scenario A: Governor's May Revise Assumptions -- Tax Extensions and no Prop. 98 Suspension \$315 million net reduction to apportionment (\$290m net budget cut + \$25m fee shortfall)

Apportionment reduction:	\$-6,055,000 5.6%
Lost FTES/Workload reduction:	-1,329
Lost headcount (est.):	-2,791

Lost headcount students by college:

Cañada: 680 studentsSan Mateo: 1,091 studentsSkyline: 1,021 students

Course sections reduced: -443
Course "slots" reduced: -13,292

Scenario B: All-cuts budget, including a suspension of Proposition 98.

\$515 million net reduction to apportionment (\$490m net budget cut + \$25m fee shortfall)

Apportionment reduction:	\$-9,899,000
Apportionment reduction.	9.1%
Lost FTES/Workload reduction:	-2,172
Lost headcount (est.):	-4,562

Estimated lost headcount students by college:

Cañada: 1,110 studentsSan Mateo: 1,783 studentsSkyline: 1,668 students

Course sections reduced: -724
Course "slots" reduced: -21,722

Enrollment

Community colleges across the State continue to accommodate and serve students despite limited resources. Many college districts have reported enrollment levels that exceed their State funding. For the spring semester alone, a total of 28,200 students were served at all three of our Colleges.

A decline in enrollment is expected due to the increase in student fees from \$26 to \$36 per unit (over 38% increase) effective Fall 2011. Without tax extensions, the enrollment fee has the possibility of increasing to as much as \$46 per unit as early as the spring semester.

The District's strategy is to shift 500 FTES from Summer 2011 to 2010-11 to capture budget stability funding and to maximize 2010-11 FTES. This also gives the District a higher base from which to cut.

Our three Colleges have managed their resources well. Many students have been turned away due to sections that have filled to capacity but reductions in course offerings resulting from budget cuts have already driven down enrollment.

Measure G

The San Mateo County community passed the parcel tax (Measure G) at a critical time. This temporary funding source over four years will allow the District to continue educational programs, restore and retain classes that would have otherwise been completely cut because of the severe budget situation. The Colleges have re-hired part time faculty and continued support services to students that include counseling, tutoring and library services.

After the passage of Measure G in late Summer 2010, the Colleges quickly convened committees to plan usage of the parcel tax that focused on instruction affecting the ability of students to succeed and complete programs. As stated in the ballot measure, the District is committed to preserving classes in reading, writing and math as well as offering job training classes for careers in nursing, health care, science, green technology, police and fire technology programs.

The District is extremely fortunate to have this funding source in order to continue its mission of serving the educational needs of students in our community. The parcel tax has allowed for stability and maintenance of high demand courses and programs. At the end of the 2010-11 academic year, more than 2,600 degrees and certificates were awarded at our three Colleges combined.

The Board of Trustees approved the Colleges' spending plan at its December 2010 meeting. As approval occurred at the end of the fall semester, the bulk of expenses were incurred in the spring. At this writing, CSM will have \$350,000, while both Cañada College and Skyline College will each have approximately \$500,000 left over to spend in the coming fiscal year. These funds will help mitigate cuts in future years.

For 2011-12, the Colleges have been allocated the same amounts as approved by the Board in December for 2010-11:

Cañada College \$1,914,605 College of San Mateo \$1,860,000 Skyline College \$2,072,611

2011-12 Revenue Projection

The revenue estimates are based upon the Governor's budget proposal and will be revised after enactment of a final State budget. The funding mechanism of SB361 is fairly clear and the State has provided a worksheet for estimating district apportionment. The District subsequently prepared an estimate of its base revenue taking into consideration a set of factors that includes enrollment and projected property tax

assessed valuation. The District's total revenue projection is \$108,458,234 which is \$3,782,229 less than last fiscal year.

For 2011-12, the assumptions include:

- 1. SB 361 funding continues as proposed at the State budget workshops.
- 2. 2011-12 FTES based on 2010-11 first principal apportionment (P1).
- 3. 2011-12 Non-resident FTES changes at the same rate as average of the last 3 years.
- 4. Zero State revenue COLA.
- 5. Workload reduction.
- 6. Deficit factor on State revenue projected.
- 7. 1.8% inflation on certain expenses.
- 8. Utilities and benefits are based on best estimates from Facilities and HR.
- 9. No increase for Full Time faculty outside of what Colleges fund from their site allocations.
- 10. Fixed costs are based on best guesses for now.
- 11. State revenue COLA minus 1% for salary compensation settlement.
- 12. Student fee increase from \$26 to \$36 per unit.

Revenue estimates are based on the assumptions listed above and expenditures include costs to continue ongoing operations. The following tables summarize projected revenues and expenditures. In addition to annual inflationary cost increases, costs include those associated with providing health and medical benefits to active and retired employees, increases in insurance premiums, technology upgrades and maintenance and utilities.

Revenue	2010-11 Final Budget	2011-12 Tentative	\$ Change
Base Revenue	\$102,602,469	\$108,484,927	\$5,882,458
Growth/Restoration	2,120,617	(7,468,171)	(9,588,788)
Lottery	2,400,000	2,400,000	0
State PT Faculty Parity	385,618	385,618	0
P/T Faculty Office Hours/Med.	243,118	243,118	0
Apprenticeship	99,800	52,353	(47,447)
Non-Resident Tuition	1,668,341	1,719,889	51,548
Interest	1,000,000	1,000,000	0
Miscellaneous	1,720,500	1,640,500	(80,000)
Total	\$112,240,463	\$108,458,234	\$(3,782,229)

Expenditures	2010-11 Final Budget	2011-12 Tentative	\$ Change
Site Allocations with Benefits	\$86,765,115	\$90,922,719	\$4,157,604
Other Employee Benefits	3,665,354	2,239,165	(1,426,189)
Retiree Benefits	7,402,500	7,704,474	301,974
Formula Adjustments	877,161	877,161	0
Apprenticeship	99,800	52,353	(47,447)
Miscellaneous	1,118,000	1,118,000	0
Utilities	5,070,145	5,161,408	91,263
Salary Commitments	3,174,396	4,067,455	893,059
Managed Hiring	1,358,000	1,093,500	(264,500)
Insurance	1,079,000	1,098,422	19,422
Consultant/Legal/Election	200,000	403,600	203,600

Expenditures	2010-11 Final Budget	2011-12 Tentative	\$ Change
Staff Development	384,292	387,780	3,288
Software/Hardware/Telephone	1,046,702	1,141,333	94,631
Total	\$112,240,465	\$116,267,369	\$4,026,905

For the Tentative Budget, the estimated expenditures exceed projected revenues by \$7,809,135. In anticipation of budget shortfalls, the Colleges and District Office have diligently saved throughout the fiscal year to bolster their ending balances. These ending balances will help cover and assist in the projected deficit. The Tentative Budget will be revised to include any changes resulting from the final State budget and the 2010-11 fiscal year-end numbers.

2011-12 Estimated Beginning Balance

The beginning balance is estimated at \$12,835,891 and includes reserves of 5% according to Board policy. Details of the Unrestricted General Fund are detailed in Exhibit A. The remaining balance originates from specific projects and activities of the 2010-11 year and will be carried over into the new fiscal year and committed to these purposes. The current estimate is subject to change when final amounts become available following year-end close of the District's financial records.

2010-11 Ending Balance Estimates

The sites are relying on the balances to partially cover deficits in 2011-12. The savings will be used to mitigate the impact of reductions as a temporary solution as the sites begin to seek permanent solutions and develop plans to address future reductions to the general fund beginning 2012-13.

The projections of 2010-11 ending balances submitted by the Budget Offices at each site are as follows:

Cañada College	\$873,212
College of San Mateo	\$1,643,102
Skyline College	\$1,584,773
District Office	\$412,142
Facilities	\$460,324

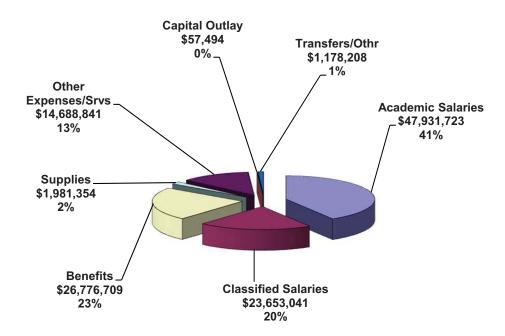

2011-12 Site Allocations

The site allocations for the Tentative Budget have been adjusted for step, column, and longevity increases according to the resource allocation model. Beginning fiscal year 2010-11, benefits were distributed and managed at each of the sites. Employee benefits had historically been budgeted separately in Central Services. The allocations will be adjusted for the adopted budget as necessary.

<u>Site</u>	Allocation	Benefits	Allocation total
	without benefits		with benefits
Cañada College	\$12,701,828	\$3,224,850	\$15,926,678
College of San Mateo	23,343,417	5,451,438	28,794,855
Skyline College	21,726,290	4,879,273	26,605,563
District Office	7,867,867	2,459,924	10,327,791
Facilities	7,314,467	1,953,365	9,267,832

The major functional uses of the unrestricted general fund budget are illustrated below by major account category.

Account Category	2010-11 Final Budget	2011-12 Tentative	\$ Change
Certificated Salaries	\$47,120,062	\$47,931,723	\$811,661
Classified Salaries	22,872,275	23,653,041	780,766
Employee Benefits	27,155,555	26,776,709	(378,846)
Supplies/Materials	3,305,612	1,981,354	(1,324,258)
Operating Expenses	15,183,592	14,688,841	(494,751)
Capital Outlay	58,074	57,494	(580)
Transfers/Other	1,219,396	1,178,208	(41,188)
Total	*\$116,914,566	*\$116,267,370	\$(647,196)

California Community Colleges

Sound Fiscal Management Self-Assessment Checklist

1. **Deficit Spending** - Is this area acceptable? Yes / No

- Is the district spending within their revenue budget in the current year?
 - For 2010/11, the District's expenses will be within the current year revenues. The 2011/12 Tentative Budget has a deficit budget, using reserves that are above the 5% level.
- Has the district controlled deficit spending over multiple years?
 - O Yes, the District's unrestricted GF Net Change in Fund Balance for 2006/07 was \$691,947, for 2007/08 was (\$259,096), for 2008/09 was \$4,217,848 and for 2009/10 was \$1,447,475. The unrestricted GF Net Change in Fund Balance for 2010/11 is projected to be positive and the total significantly above the 5% level.
- Is deficit spending addressed by fund balance, ongoing revenue increases, or expenditure reductions?
 - Yes, by fund balance, revenue increases (growth) and expenditure reductions.
- Are district revenue estimates based upon past history?
 - District revenue estimates are based upon a combination of past history, the various funding formulas and current projections as well as a conservative estimate of state deficits.
- Does the district automatically build in growth revenue estimates?
 - When there is growth funded in the state budget, the District's growth revenue estimates are based on the colleges' FTES growth estimates within the funded cap. The colleges must budget sufficient teaching funds to generate that growth.

2. Fund Balance – Is this area acceptable? Yes / No

- Is the district's fund balance stable or consistently increasing?
 - O The District's fund balance is fairly stable, increasing over the last 3 years to partially account for increases in spending and a conservative approach to budgeting revenue. The fund balances were \$10,312,555 in 2007/08, \$14,530,400 in 2008/09 and \$15,977,878 in 2009/10
- Is the fund balance increasing due to on-going revenue increases and/or expenditure reductions?
 - o The fund balance is increasing primarily due to expenditure reductions.

3. Enrollment - Is this area acceptable? Yes / No

- Has the district's enrollment been increasing or stable for multiple years?
 - Yes. The District's enrollment had increased every year since 2005/06, but in 2009/10, due to state workload reductions, the District was over the funded enrollment cap, so enrollment has been reduced in 2010/11 and will reduce again in 2011/12.
- Are the district's enrollment projections updated at least semiannually?
 - The District's enrollment projections are updated at P-1 and P-2.
- Are staffing adjustments consistent with the enrollment trends?
 - o The colleges adjust their adjunct faculty budgets to match their enrollment projections.
- Does the district analyze enrollment and full time equivalent students (FTES) data?
 - Yes. The CBO works with the VPIs to review the enrollment estimates and compare the trends to historical data.
- Does the district track historical data to establish future trends between P-1 and annual for projection purposes?
 - Yes. The historical data includes P-1, P-2 and P-Annual and includes a review of the estimates after P-A.
- Has the district avoided stabilization funding?
 - O Yes. The District has been growing since 2005/06.

4. Unrestricted General Fund Balance – Is this area acceptable? Yes / No

- Is the district's unrestricted general fund balance consistently maintained at or above the recommended minimum prudent level (5% of the total unrestricted general fund expenditures)?
 - The District's unrestricted GF balance has consistently been 9%- 14% for the last several years, however, the District's policy is to budget for a 5% reserve.
- Is the district's unrestricted fund balance maintained throughout the year?
 - o Mostly, although we do not do mid-year accruals of revenue and some sources of revenue lag, such as lottery. If the accruals were done, the balance would be fairly consistent.

5. Cash Flow Borrowing - Is this area acceptable? Yes / No

- Can the district manage its cash flow without interfund borrowing?
 - Yes, although the state deferrals of payments to the District necessitate a large TRANS and some interfund borrowing has been necessary.
- Is the district repaying TRANS and/or borrowed funds within the required statutory period?
 - o Yes.

6. Bargaining Agreements - Is this area acceptable? Yes / No

- Has the district settled bargaining agreements within new revenue sources during the past three years?
 - o The District has concluded negotiations with CSEA for a new three year agreement effective July 1, 2011. No economic improvements were negotiated and reopeners on economic matters will occur in 2012 and 2013. Negotiations are ongoing with AFT and AFSCME and it is the District's position, given the fiscal State crisis and the reduced funding for community colleges, that no economic improvements will be negotiated. It is the District's preference to reach agreements that mirror the CSEA settlement.
- Did the district conduct a pre-settlement analysis identifying an ongoing revenue source to support the agreement?
 - The analyses have been ongoing.
- Did the district correctly identify the related costs?
 - Yes, increases in statutory as well as health and welfare benefits are included in the total cost when any analysis is done
- Did the district address budget reductions necessary to sustain the total compensation increase?
 - Budget reductions have not been necessary in the past and are not be necessary for these settlements.

7. Unrestricted General Fund Staffing - Is this area acceptable? Yes / No

- Is the district ensuring it is not using one-time funds to pay for permanent staff or other ongoing expenses?
 - Permanent staff are controlled through position control and are budgeted out of each entity's site allocation, which is derived in the budgeting process from ongoing revenues.
- Is the percentage of district general fund budget allocated to salaries and benefits at or less than the statewide average (i.e. the statewide average for 2003-04 is 85%)?
 - o In 2007/08 the District was at 83%, in 2008/09 the District was at 86% and in 2009/10 the District was at 85%.

8. Internal Controls - Is this area acceptable? Yes / No

- Does the district have adequate internal controls to insure the integrity of the general ledger?
 - Yes. The District has had no audit findings for internal controls.
- Does the district have adequate internal controls to safeguard the district's assets?
 - Yes. The District has had no audit findings for internal controls.

9. Management Information Systems - Is this area acceptable? Yes / No

- Is the district data accurate and timely?
 - o Banner is real time and information is updated automatically in a variety of instances.
- Are the county and state reports filed in a timely manner?
 - o All reports are filed on time.
- Are key fiscal reports readily available and understandable?
 - O Banner reports are readily available and managers are trained in Banner.

10. Position Control – Is this area acceptable? Yes / No

- Is position control integrated with payroll?
 - O Position control was integrated with payroll when Banner payroll was implemented in January, 2007.
- Does the district control unauthorized hiring?
 - With the implementation of Banner payroll, all positions are approved in advance and no person can receive a paycheck without having their paperwork entered into Banner by HR staff and being assigned to an approved position.
- Does the district have controls over part-time academic staff hiring?
 - Part-time academic staff hiring is done by the Instruction Offices and reviewed by Human Resources.

11. **Budget Monitoring** - Is this area acceptable? **Yes** / **No**

- Is there sufficient consideration to the budget, related to long-term bargaining agreements?
 - All District proposals are costed out for at least 3 years prior to finalizing the proposals.
- Are budget revisions completed in a timely manner?
 - o Budget revisions are taken to the Board twice a year.
- Does the district openly discuss the impact of budget revisions at the board level?
 - The Board has to approve the revisions. Any use of contingency funds must be approved by a 2/3 majority of the Board.
- Are budget revisions made or confirmed by the board in a timely manner after the collective bargaining agreements are ratified?
 - Since the District has a history of multi-year agreements, the budget has not had to be revised, but can be planned in advance.
- Has the district's long-term debt decreased from the prior fiscal year?
 - Yes. The District has issued all of its General Obligation Bonds approved by the voters and is starting to repay them.
- Has the district identified the repayment sources for the long-term debt?
 - o General obligation bonds are paid through property taxes.
- Does the district compile annualized revenue and expenditure projections throughout the year?
 - The District Committee on Budget and Finance reviews revenue projections for the current and future years.

12. Retiree Health Benefits - Is this area acceptable? Yes / No

- Has the district completed an actuarial calculation to determine the unfunded liability?
 - The District completed an actuarial study in April 2011.
- Does the district have a plan for addressing the retiree benefits liabilities?
 - The District is on a pay as you go plan for current retirees, but had also been setting aside \$1.5M annually and reached a peak of over \$33M set aside. The District established an OPEB trust and is in the process of funding the District's long term liabilities for post-employment health benefits. The District has established a self-assessment for future OPEB benefits in line with the actuarial study. In addition, the District capped lifetime benefits in the 1990's.

13. Leadership/Stability - Is this area acceptable? Yes / No

- Has the district experienced recent turnover in its management team (including the Chief Executive Officer, Chief Business Officer and Board of Trustees)?
 - The District recently hired a president for Skyline College and will be hiring a new
 president for Cañada College next year. Both of these positions were vacated due to
 retirements. There has been no turnover in the Board, CEO, or CBO.

14. District Liability – Is this area acceptable? Yes / No

- Has the district performed the proper legal analysis regarding potential lawsuits that may require the district to maintain increased reserve levels?
 - Yes, this is done as part of the year-end close every year.
- Has the district set up contingent liabilities for anticipated settlements, legal fees, etc?
 - o None are currently needed.

15. **Reporting** – Is this area acceptable? **Yes** / **No**

- Has the district filed the annual audit report with the System Office on a timely basis?
 - The audit was filed in December 2010 for 2009/10. The current contract with the auditors specifies that the audit must be complete and filed by December 31.
- Has the district taken appropriate actions to address material findings cited in their annual audit report?
 - There have been no material findings. The District has addressed the state compliance findings.
- Has the district met the requirements of the 50 percent law?
 - Yes.
- Have the Quarterly Financial Status Reports (CCFS-311Q), Annual Financial and Budget Reports (CCFS-311), and Apportionment Attendance Reports (CCFS-320) been submitted to the System Office on or before the stated deadlines?
 - o Yes, all have been timely.

(Unrestricted General Fund)

San Mateo County Community College District
