The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms

of coverage, <u>www.anthem.com/ca/calpers</u>. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary/</u> or call (877) 737-7776 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<b>\$500</b> /member or <b>\$1,000</b> /family for In- <u>Network Providers</u> . <b>\$500</b> /member or <b>\$1,000</b> /family for Out-of- <u>Network</u> <u>Providers</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. <u>Prescription Drugs</u> , <u>Preventive care</u> , Primary Care visit, and <u>Specialist</u> visit for In- <u>Network Providers</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	Yes. <b>\$250</b> /per admission for all inpatient hospitalizations (waived for emergency admission). <b>\$50</b> / visit for <u>Emergency room</u> services (waived if admitted directly from ER).	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	\$2,000 / single or \$4,000 / family for In- <u>Network Providers</u> . No Out-of-Pocket limit when using Out-of- <u>Network Providers</u> . This plan has a separate <u>Out of Pocket</u> Maximum for <u>Prescription Drugs</u> \$2,000 / single or \$4,000 / family \$1,000 Home delivery.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket</u> <u>limit</u> ?	Premiums, <u>Balance-Billing</u> charges, and Health Care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes, Prudent Buyer PPO. See <u>www.anthem.com/ca/calpers</u> or call (877) 737-7776 for a list of <u>network</u> <u>providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an out-of- <u>network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u>

		might use an out-of- <u>network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
