Employer's Section: Employer's Name and Address	California Employer Payroll Tax Account Number
--	--

Purpose: This certificate, DE 4, is for **California Personal Income Tax (PIT)** withholding purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

Beginning January 1, 2020, *Employee's Withholding Allowance Certificate* (Form W-4) from the Internal Revenue Service (IRS) will be used for federal income tax withholding **only**. You must file the state form *Employee's Withholding Allowance Certificate* (DE 4) to determine the appropriate California PIT withholding.

If you do not provide your employer with a withholding certificate, the employer must use Single with Zero withholding allowance.

Check Your Withholding: After your DE 4 takes effect, compare the state income tax withheld with your estimated total annual tax. For state withholding, use the worksheets on this form.

Exemption From Withholding: If you wish to claim exempt, complete the federal Form W-4 and the state DE 4. You may claim exempt from withholding California income tax if you meet both of the following conditions for exemption:

1. You did not owe any federal/state income tax last year, and
2. You do not expect to owe any federal/state income tax this year. The exemption is good for one year.

If you continue to qualify for the exempt filing status, a new DE 4 designating **exempt** must be submitted by February 15 each year to continue your exemption. If you are not having federal/state income tax withheld this year but expect to have a tax liability next year, you are required to give your employer a new DE 4 by December 1.

Member Service Civil Relief Act: Under this act, as provided by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act of 2018, you may be exempt from California income tax withholding on your wages if

- (i) Your spouse is a member of the armed forces present in California in compliance with military orders;
- (ii) You are present in California solely to be with your spouse; and
- (iii) You maintain your domicile in another state.

If you claim exemption under **this** act, **check the box on Line 4**. You may be required to provide proof of exemption upon request.

What to Report:

Any incident that reasonably appears to be physical abuse (including sexual abuse), abandonment, abduction, isolation, financial abuse, or neglect (including self-neglect) of an *elder or dependent adult*.

When to Report:

If you have observed, suspect, or have knowledge of elder/dependent adult abuse/neglect, you must make a report by telephone immediately, or as soon as practically possible, and by written report sent within two working days to the agency.

A telephone report must be made immediately when you, in your professional capacity or within the scope of your employment, observe a child and have knowledge of, or have reasonable suspicion that the child has been abused. TUBERCULOSIS PROCEDURES

The California Education Code and District policy require that all employees including anyone working with minors or in health services must provide proof of freedom from tuberculosis. Newly hired District employees are required to provide proof prior to the start of your District employment. Continuing employees must be tested every four (4) years.

The examination for proof of freedom from tuberculosis consists of an approved intradermal tuberculin test or an X-ray of the lungs at no cost to the employee.

For your convenience, the intradermal tuberculin test is administered by each of the College Health Centers by appointment only.

- **Skyline College (650) 738-4270**
- **College of San Mateo (650) 574-6396**
- **Cañada College (650) 306-3309**

TEST NEGATIVE

Employees who skin-test negative are required to undergo this examination once every four (4) years during their employment in the District (or more often as directed by a local health officer) and for as long as the test results continue to be negative.

TEST POSITIVE

Employees who test positive are referred, by the Health Center, for an X-ray of the lungs within thirty (30) days of completion of the skin test. The Health Centers may refer employees to the Peninsula Ultrasound Medical Group or to another care provider to determine the need for follow-up care.

Employees who are referred for chest X-rays will be reimbursed by the District for out of pocket costs incurred for the examination if the medical provider does not bill the District directly.

Employees who have a documented medical history of positive skin test are required to provide certification by a licensed medical provider, every four years of their District employment, that they are free of tuberculosis. The medical provider may elect to complete a medical examination other than an X-ray of the lungs. The certification must be sent in to the Office of Human Resources for inclusion in the employee's personnel file.

CERTIFICATION WITHIN THE LAST SIXTY (60) DAYS

New employees who have received certification of freedom from tuberculosis within sixty (60) days immediately preceding District employment may submit the certificate in lieu of having a District examination. The certificate must be from a licensed medical provider.

TRANSFERS FROM ANOTHER SCHOOL OR COLLEGE DISTRICT

New employees who are coming to the District from another community college district or from another school district may provide proof of freedom from tuberculosis from that previous employer if the examination was completed within the last four (4) years immediately prior to District employment.

The certified proof from the prior community college or school district must be from a licensed medical provider and will be accepted in lieu of a District examination.

SPECIAL EXEMPTION

Following termination of a pregnancy, employees may be exempted from the requirement to provide proof of freedom from tuberculosis by chest X-ray for a period not to exceed sixty (60) days.
