NOTICE AND ACKNOWLEDGMENT OF MANDATED REPORTING PURSUANT TO THE CALIFORNIA CHILD ABUSE/NEGLECT AND ELDER/DEPENDENT ADULT ABUSE/NEGLECT

California Law requires certain persons to report known or suspected child abuse/neglect or known or suspected dependent adult abuse/neglect. These individuals are known under the law as “mandated reporters”. As an employee of the San Mateo County Community College District, you are a mandated reporter. You are required to comply with the provision of Welfare and Institutions Code section 15630 in connection with reporting the suspected abuse/neglect of elders/dependent (individual 65 or older) adults. You are required to comply with California penal code, Chapter 2.5 section 11164-11174.3 in connection with reporting the suspected abuse/neglect of a child (anyone under the age of 18).

What to Report:

Any incident that reasonably appears to be physical abuse (including sexual abuse), abandonment, abduction, isolation, financial abuse, or neglect (including self-neglect) of an elder or dependent adult. For Child Abuse/Neglect: 1.) Physical abuse, 2.) Sexual abuse, 3.) Child exploitation, Child pornography, and Child prostitution, 4.) Severe or general neglect, 5.) Extreme corporal punishment resulting in injury, 6.) Willful cruelty or unjustifiable punishment, 7.) Abuse or neglect in out-of-home care.

When to Report:

If you have observed, suspect, or have knowledge of elder/dependent adult abuse/neglect, you must make a report by telephone immediately, or as soon as practically possible, and by written report sent within two working days to the agency. A telephone report must be made immediately when you, in your professional capacity or within the scope of your employment, observe a child and have knowledge of, or have reasonable suspicion that the child has been abused. A written report, on a standard form, must be sent within 36 hours after the telephone report has been made for child abuse/neglect.

Individual Responsibility:

Any individual who is mandated reporter must report abuse. If you confer with another person and a decision is made that other person will file the report, one report is sufficient. However, if the other person does not make the report, you are liable and must make the report.

Confidentiality:

Mandated reporters are required to give their names. Child Protective Agencies are required to keep the mandated reporter’s name confidential, unless court orders the information disclosed.

Criminal and Civil Liability:

You can be criminally liable for failing to report suspected abuse or neglect. The penalty for this misdemeanor is up to six months in county jail, a fine of not more than \$1,000 or both. You can also be civilly liable for failure to report.

Immunity:

Any legally mandated reporter has immunity when making a report. In the event a civil suit is filed against the reporter, the state will reimburse attorney’s fees incurred in the suit up to \$50,000 for child abuse/neglect. No individual can be dismissed, disciplined, or harassed for making a report of a suspected child abuse or neglect.

Your fingerprints will be processed in approximately one (1) to three (3) business days, and the results will be reported to the Vice Chancellor, Human Resources and General Counsel.

Previous convictions are reviewed carefully as to type of violation, regency, severity and relevance to the type of work for which you are being hired. Criminal record information is processed in strictest confidence and pursuant to regulations of the State of California Department of Justice, Bureau of Criminal Identification and Information, California Education Code and SMCCCD Rules and Regulations.

No person, who has been convicted of any sex offense as defined by the California Education Code or convicted of a controlled substance offense, shall be employed or retained in employment by a California community college district.

TUBERCULOSIS PROCEDURES

The California Education Code and District policy require that all employees including anyone working with minors or in health services must provide proof of freedom from tuberculosis. Newly hired District employees are required to provide proof prior to the start of your District employment. Continuing employees must be tested every four (4) years.

The examination for proof of freedom from tuberculosis consists of an approved intradermal tuberculin test or an X-ray of the lungs at no cost to the employee.

For your convenience, the intradermal tuberculin test is administered by each of the College Health Centers by appointment only.

- **Skyline College (650) 738-4270**
- **College of San Mateo (650) 574-6396**
- **Cañada College (650) 306-3309**

TEST NEGATIVE

Employees who skin-test negative are required to undergo this examination once every four (4) years during their employment in the District (or more often as directed by a local health officer) and for as long as the test results continue to be negative.

TEST POSITIVE

Employees who test positive are referred, by the Health Center, for an X-ray of the lungs within thirty (30) days of completion of the skin test. The Health Centers may refer employees to the Peninsula Ultrasound Medical Group or to another care provider to determine the need for follow-up care.

Employees who are referred for chest X-rays will be reimbursed by the District for out of pocket costs incurred for the examination if the medical provider does not bill the District directly.

Employees who have a documented medical history of positive skin test are required to provide certification by a licensed medical provider, every four years of their District employment, that they are free of tuberculosis. The medical provider may elect to complete a medical examination other than an X-ray of the lungs. The certification must be sent in to the Office of Human Resources for inclusion in the employee's personnel file.

CERTIFICATION WITHIN THE LAST SIXTY (60) DAYS

New employees who have received certification of freedom from tuberculosis within sixty (60) days immediately preceding District employment may submit the certificate in lieu of having a District examination. The certificate must be from a licensed medical provider.

TRANSFERS FROM ANOTHER SCHOOL OR COLLEGE DISTRICT

New employees who are coming to the District from another community college district or from another school district may provide proof of freedom from tuberculosis from that previous employer if the examination was completed within the last four (4) years immediately prior to District employment.

The certified proof from the prior community college or school district must be from a licensed medical provider and will be accepted in lieu of a District examination.

SPECIAL EXEMPTION

Following termination of a pregnancy, employees may be exempted from the requirement to provide proof of freedom from tuberculosis by chest X-ray for a period not to exceed sixty (60) days.
