Request to move 7.4 to just after public comment. Moved/seconded/approved unanimously as amended.

3. **Approval of Minutes of Nov 13, 2008**

Moved/seconded/approved unanimously.

4. **Public Comment**

Sharon commented on an article published in FACCTS magazine about reducing FT faculty workload to 12 units per semester, given all the non-instructional duties that faculty have been taking on. Suggestion: to pursue this for our faculty.

Tom Mohr: VPI finalists did not possess the qualities that the college is expecting; position is still vacant. An interim VPI may be appointed. With the departure of Dean of Humanities and Social Sciences at the end of fall semester, Jenny Castello has been appointed Interim Dean for the Division.

7.4. **Academic Traditions**

Ron Trugman proposed the idea of presenting to the college an Academic Mace on the occasion of the College's 40th anniversary. An Academic Mace leads the procession in a commencement ceremony, and usually represents the history, ideals and mission of a college.

5.1. Curriculum:

New Title V repeatability issue: Curriculum committee will be going through courses in our catalog to make sure we're in compliance.

Alignment of English and Math courses with sister colleges: conversations are underway at the three colleges, and next Thursday District Curriculum Committee will meet; the goal is for all three colleges to be consistent on these requirements.

5.2. Planning and Budget:

There was an All College Meeting on Budget with Ron Galatolo yesterday.

Tom Mohr announced his plan to eliminate the position of Dean of Academic Support Services and redistribute duties/services to other Deans/divisions. This new proposal along with previously proposed savings cuts will bring the total savings to around \$700k or about 6%". Tom Mohr's current proposal is to move Social Science to Science and Technology Division, move the Arts to Business, Workforce and Athletics Division, move Library and Learning Center to Humanities and Social Sciences (or what's left of it, just Language Arts).

5.3. College Council

At next Thursday's meeting the College Council will vote to adopt the new Committee Structures.

5.4. AFT:

Elizabeth and Lezlee have been appointed as Cañada campus co-chairs starting spring 2009, due to Katie Schertle stepping down from this position.

Last night the Board approved to implement Retirement and Voluntary Separation Incentives.

Highlights of the incentives package for faculty:

- For faculty with "age plus service years" equal to 75 or more, the incentive is \$30,000.
- For those whose number is 70 or more, the incentive is \$25,000.
- There is also a one-time voluntary separation of \$1250 for each year of service, with a maximum of \$18,750 (15 years).

An MOU on large classes, which provides additional compensation to faculty who teach very large classes, has been renewed semester after semester. The AFT requests that discussions be held at division/department level in order to give feedback on the pedagogical feasibility of such classes, and on the workload associated with them.
