*In Learning Communities students take two or more classes together; the classes themselves are linked with related assignments; and the teachers organize around common themes or questions and work closely with all students.*

*Students must enroll in all of the linked courses in a particular Learning Community. When registering, please remember to enter CRNs for **ALL COURSES** in your Learning Community at the same time.*

**Students who take Learning Communities are more likely to do well in ALL their courses.**

*Select your learning community based on your placement test score in consultation with your counselor.*

*See [www.canadacollege.edu/success/learning-communities.html](http://www.canadacollege.edu/success/learning-communities.html) for more information.*
