

Presentation for Board of Trustees

December 9, 2009

Cañada's Planning Council prioritized its strategic planning activities around four core goals

1. Institutionalize Evidence-based Decision making

2. Improve Student Success in Transfer Programs

3. Strengthen Workforce Programs

4. Improve Basic Skills Success, Persistence & Retention

These four strategic priorities establish the guiding framework for planning our reduction strategy

Budget Overview

1. Fund 1 Budget

- **FTES Allocations**
- Compensation Adjustments
- Other Adjustments

2. Fund 3 Budget

- **State Categoricals**
- Federal Grants
- All Other Sources

3. All Remaining Budget Dollars

The state budget reductions have been concentrated in two areas:

1. FTES Allocations * (*w/o compensation*)
2. Categoricals

Combined the two account for the lion's share of the college's total budget
