Campus Announcement

This message is sent on behalf of the Accreditation Oversight Committee.

Dear CSM Community,

The Accreditation Oversight Committee Writing Team has been hard at work over the summer, and we are proud to announce that we are nearing completion of our ACCJC Midterm Report, due to the ACCJC in October. To ensure an ACCJC Midterm Report that is accurate and comprehensive, the committee would like to hear your input regarding the current draft.

You are invited to read the [ACCJC Midterm Draft Report](#) and provide feedback.

Part of the writing team will visit the following constituency groups, which have August meetings, to give an overview and solicit feedback on the Midterm Report. Please attend one of these participatory governance committee meetings and/or e-mail your senate lead by **Thursday, August 24 at 9 am** to provide feedback:

CSM Academic Senate

Tuesday, August 22, 2:30 – 4:30 pm
Building 18, room 206
Todd Windisch, President, CSM Academic Senate
csmacademicsenate@smccd.edu

CSM Classified Senate

(no August meeting, so please e-mail and/or attend another meeting)

The writing team will make revisions and present the final Midterm Report at the Wednesday, September 6 IPC meeting, just before it is presented for the Board of Trustees' approval and in time for October submission to ACCJC.

We value your input. Thank you, in advance, for your participation and feedback. Again, the deadline to submit feedback is **Thursday, August 24, at 9 am.**

Thank you,
Writing Team, Accreditation Oversight Committee
