Hello SMCCCD Employees

There is still time to complete the District Office Program Review survey if you haven't already done so. Please see the details below. The survey is open until May 18<sup>th</sup>. We sincerely appreciate your feedback.

## **Program Review Survey Information**

As part of a program review process required by accreditation, the District is asking for your feedback about the Public Safety and Educational Services and Planning departments. To gather your feedback, we've prepared a brief survey about your experiences using these services. The survey will take approximately 10 minutes to complete. The results will help the District continue to improve its services to the Colleges. We would appreciate it if you could complete the survey no later than May 18<sup>th</sup>.
