ADMINISTRATIVE & CLASSIFIED STAFF SELECTION PROCEDURES

p. 4 Current language

ESTABLISHMENT OF SCREENING COMMITTEES

Screening Committees for Administrative Positions

Screening committee members for administrative positions are proposed by the appropriate Vice President, and appointed by the College President or his/her designee (Chancellor or his/her designee for District positions). The President of the Associated Students may appoint up to two student representatives to Vice President, President, and Chancellor screening committees. The Academic Senate will appoint faculty members. Classified members of screening committees for administrative positions will be nominated and appointed following the same procedure as outlined for classified positions.

For administrative positions, the screening committee must consist of no less than five (5) and no more than eleven (11) members, with representatives from classified and administrative staff, faculty and students, as appropriate.

Recommended change:

Screening Committees for Administrative Positions

Screening committee members for administrative positions are proposed by the appropriate Vice President, and appointed by the College President or his/her designee (Chancellor or his/her designee for District positions). The President of the Associated Students may appoint up to two student representatives to Vice President, President, and Chancellor screening committees. The Academic Senate will appoint tenured faculty members. Classified members of screening committees for administrative positions will be nominated and appointed following the same procedure as outlined for classified positions.

For administrative positions, the screening committee must consist of no less than five (5) and no more than eleven (11) members, with representatives from classified and administrative staff, faculty and students, as appropriate.
