

7.21 Speech: Time, Place and Manner

1. The College(s) of the District are non-public forums, except for those areas that are generally available for use by students or the community, which are limited public forums. Each College shall enact administrative procedures to reasonably regulate the time, place and manner of the exercise of free expression in the limited public forums.
2. College procedures shall not prohibit the right of students to exercise free expression, including but not limited to the use of bulletin boards designated for such use, the distribution of printed materials or petitions in those parts of the College designated as areas generally available to students and the community, and the wearing of buttons, badges, or other insignia.
3. Students shall be free to exercise their rights of free expression, subject to the requirements of this policy and College procedures on Time, Place and Manner.
4. Speech shall be prohibited that is defamatory, obscene according to current legal standards, or which so incites others as to create a clear and present danger of the commission of unlawful acts on District property or the violation of District policies or procedures, or the substantial disruption of the orderly operation of the District.
5. Nothing in this policy shall prohibit the regulation of hate violence, so long as the regulation conforms to the requirements of the First Amendment to the United States Constitution, and of Section 2 of Article 1 of the California Constitution. Students may be disciplined for harassment, threats, intimidation, or hate violence unless such speech is constitutionally protected.
