3.50 Suspension and Dismissal

- 1. The District shall suspend or dismiss members of the faculty only for causes specified in the Education Code and only according to procedures specified therein.
- 2. If the Board decides it intends to dismiss a contract or regular employee, it shall take the actions required by the Education Code, and the Chancellor or designee shall thereafter assure that the employee is afforded the full post-termination due process required by the Education Code.
- 3. In lieu of dismissal, the Board may impose a suspension for up to one year with a reduction or loss of compensation during the period of suspension.
