

Skyline
COLLEGE

ACHIEVE

Sustainability Plan

Vision Statement

Skyline College will **inspire** a collaborative, global community of learners to **empower** and transform the College and the **community**, advancing social equity through **environmental** stewardship and **sustainable** practices.

Skyline Values Statement: We value an institutional culture that represents a strong commitment to environmental sustainability and justice

Goals

- 1) **Student Engagement**
- 2) **Campus and Community Education and Awareness**
- 3) **Curriculum Development**
- 4) **The Built Environment**
- 5) **Energy Efficiency**
- 6) **Water Conservation**
- 7) **Solid Waste Management**
- 8) **Transportation**
- 9) **Sustainable Procurement**

Our Process

1. Commitment from Campus Administration
 - President's Innovation Fund
 - Partnership with Climate Corps Bay Area
2. Establish Sustainability Ambassador Network (SAN)
 - Students, staff and faculty from the campus community

Our Process

3. Define Goals, Criteria and Timelines

- Student Engagement
- Campus and Community Education and Awareness
- Curriculum Development

Participatory Governance

Skyline College Completes Sustainability Plan!

The Skyline College Sustainability plan is a part of a district-wide effort to improve campus sustainability at all three colleges in the San Mateo County Community College District. Through its Sustainability Plan, Skyline College will inspire a collaborative, global community of learners to empower and transform the College and the community, advancing social equity through environmental stewardship and sustainable practices.

A special thank you for their contribution draft visit this link, [sustainabilityplan/D](#)
