**Providing Public Comment on Closed Session Agenda Items**

To make a comment regarding an item on the published closed session agenda, members of the public, once in the Zoom meeting (via above link), can utilize the “raise hand” function on the bottom right corner of the screen. This will allow for the Board President to recognize members for comment and will allow staff to activate audio access to individual participants. Members of the public who “raise their hand” will be called upon in the order they appear.

For members of the public who do not have access to a computer or smart device, time will be allotted at the end of public comments on the agenda item for members of the public to comment using a phone. Members of the public making comment are reminded of the 3-minute time limit for comment.

Comments are generally taken immediately after the meeting is called to order. Members of the public are not permitted to participate in or observe Board discussions once they have recessed to Closed Session.
