The Committee will also pre-determine the appropriate weighting of the KSAs, the procedures for rating, the form that will be used, and the procedure that will be used to select candidates for subsequent steps in the process.

17. Interview and Skill Demonstration Guidelines

Prior to receiving any application materials interview questions and skill demonstrations will comply with current law; be based solely on bona fide, job-related knowledge, skills and abilities (KSAs) as stated in the job announcement; and will be appropriate to the subject matter. Each Screening Committee member shall document the quality of the candidates’ responses using the pre-determined set of KSAs. Interview questions and skill demonstrations should be job-related, based on the required knowledge, skills and abilities, unbiased, and should have the following characteristics:

- a. Be open ended in order to prompt full and complete responses from the candidate
- b. Include pre-determined “key response elements” (KREs) that can be used by the Screening Committee to evaluate the quality of the candidate’s responses. “Key Response Elements” are lists of desired responses that the Screening Committee can listen for in order to guide their rating and documentation of candidate responses to each interview question. “KREs” are derived from the knowledge, skills and abilities being “tested” by each interview question

18. The Screening Committee may include the following as part of its applicant screening plan:

- a. Interview questions related to candidates’ knowledge of subject matter
- b. Interview questions related to candidates’ experience with, and sensitivity to diversity of cultures, language groups and abilities within the student body and staff as a measure of preparedness to work in a multi-cultural, multi-lingual environment

At the close of recruitment, the Office of Human Resources will package the application materials that were received during the recruitment process and forward them to the appropriate College administrator (or designee). The Office of Human Resources will provide assistance to the Screening Committee, such as organizing Committee meetings; pre-screening application materials that clearly do not meet published minimum qualifications; development of interview questions and skills demonstrations, rating forms, Committee orientation, candidate notification, and other services.

Screening of Application Materials

19. Paper Screening

- a. Using the KSAs, all members of the Screening Committee shall review all completed application materials and shall then select for interview those applicants who most closely meet the stated requirements and desirable skills and attributes as listed on the job announcement.
- b. Following the screening of application materials and the selection of interviewees, the appropriate Dean (or designee) shall be responsible for notifying applicants who were not selected, using a standard letter developed by the Office of Human Resources. Such notification will be prepared and mailed as soon as possible upon completion of the application materials screening.

20. Determining Equivalence to Educational Requirements

If equivalency is needed to be determined, a Faculty Qualifications Committee will be convened through the Academic Senate (see Board Policy 3.15 and Board Procedure 3.15.2).

Screening of Interviewees

21. All pre-determined interview questions and skill demonstrations with key response elements, and other screening components of the selection process should be directly related to the required and desirable knowledge, skills and abilities of the job, as listed in the job announcement.
22. The same set of pre-determined interview questions (and skill demonstrations) shall be used to screen each candidate. The Committee may ask appropriate follow-up questions to clarify a candidate's response to a question, or may ask job-related questions about information contained in the application materials; however, Committee members should assure that all candidates are provided an equal opportunity for clarification and elaboration on matters related to their background and/or responses to questions. Teaching demonstrations may be interactive.
23. All members of the Screening Committee should be present during all of the interviews. If a Committee member is unavoidably absent and subsequent interviews cannot be rescheduled, the remaining Committee members may proceed without that member for the remainder of the process.

3.15.3 Employment Requirements: Faculty Hiring (continued)

Whenever that absence disrupts the balance of the Screening Committee membership, the Chair and EEO Representative, College President and Academic Senate President will decide on a course of action.

Interview Documentation

24. An interview/skill demonstration rating form should be completed and signed by each member of the Screening Committee in order to document the quality of each candidate's responses. The Screening Committee Chair is responsible for reviewing all of the completed rating forms to assure that comments made by Committee members relate only to job-related criteria.
25. At the conclusion of the interviews and skill demonstrations, the Committee Chair shall compile all of the rating forms, Committee member notes and other written documentation of the process into a final and confidential Committee record that will be sealed and maintained in the Office of Human Resources for a period of three (3) years as required by law.
26. The appropriate Dean (or designee) shall be responsible for notifying unsuccessful interviewees using a standard letter developed by the Office of Human Resources. Such notification will be prepared and mailed as soon as possible upon completion of the Committee selection of finalists.

Criteria for the Recommendation of Finalists

27. Several factors are to be considered by the Committee in selecting interviewees who will be forwarded as finalists. In the case of candidates new to the discipline, the Committee shall consider the candidate's potential to develop professional competence and skills. The selection should be based on a combination of the information contained in the candidates' application materials, the interview performance, and results of the skill demonstration or other pre-determined, job-related Committee assessment tool. Such factors as the following shall be considered:

 - b. Scope and Quality of professionalism

28. The Screening Committee should be encouraged to engage in a full, frank, and complete discussion about each candidate interested in a faculty position. This discussion should include an analysis of the candidate's paper application and qualifications, the candidate's interview, the candidate's teaching demonstration.
29. The Screening Committee typically will select one or more candidates as finalists who most closely meet the selection criteria, who are well qualified in the opinion of the Committee and most likely would be successful if selected for the position. If only one candidate is deemed acceptable as a finalist, the Committee will submit its reasons in writing and forward them to the appropriate Vice President, who will review the screening process with the Screening Committee Chair and College President. Finalists shall be forwarded, to the appropriate Vice President.
30. The following items shall also be forwarded to the Vice-President along with the finalists' names:
 - a. originals of each finalist's application materials

31. The appropriate Vice-President may also request the Committee interview and skill demonstration rating forms or other documentation from the Screening Committee process.

Final Interviews and Reference Checks

32. The President's Office shall arrange a time and date for the final interviews with the President and Vice President and shall invite all members of the Screening Committee to observe the final interviews. Interviews should be scheduled within a reasonable time frame after the finalists have been selected by the Screening Committee. Members who elect to participate should agree to attend all final interviews. Following final interviews, the Chair of the Screening Committee shall share strengths and weaknesses of each candidate with the President.

33. Reference checks on all finalists will be conducted by the appropriate Vice President. The College President may conduct reference checks as deemed necessary by the College President.

34. For the purpose of comparing candidates, the Vice President and College President should interview finalists within as short a timeframe as possible. The Vice President and College President should develop consistent questions to ask of each candidate

35. The person who is eventually selected for hire will always be from among the finalists who were recommended by the Screening Committee. The President will discuss the final recommendation with the Chair of the Screening Committee prior to submission to the Office of Human Resources and Board of Trustees.

36. If the College President does not select a finalist, the President shall meet with the Screening Committee to explain the non-selection. The Committee may elect to review the pool of candidates and recommend additional finalists, or the President may re-open the hiring process..

ADJUNCT FACULTY SELECTION PROCEDURES

CONTINUOUS APPLICANT POOL

On a continuous basis, the District Office of Human Resources will recruit broadly for adjunct positions in all disciplines, using a variety of print, electronic and other recruitment resources, in order to maintain a central applicant pool. This central applicant pool will be developed, maintained and updated by the Office of Human Resources.

Letters of interest and resumes sent by prospective adjunct faculty either to College offices or to the Office of Human Resources will be acknowledged with instructions to submit a standard District employment application form and resume to the Office of Human Resources.

Upon receipt of completed applications, the Office of Human Resources will conduct a preliminary review based on a comparison of minimum qualifications with transcripts and/or credentials. Those applicants who satisfy the minimum qualifications (and those who have applied for equivalence) will be filed by discipline and maintained in the central Office of Human Resources applicant tracking system.

Applicant materials will be retained by the Office of Human Resources for a period of two years.

A. REVIEW BY SCREENING COMMITTEES AND MANAGERS

At the request of management staff, the Office of Human Resources will make available for review all applications received for a specified discipline. The managers and appropriate Faculty Screening Committees will review the materials and determine equivalencies, pursuant to District policy and procedure.

Administrators (hiring managers and other administrators as appropriate) and discipline faculty will collaborate to identify the need to hire new part time faculty.

The appropriate Deans may contact the Office of Human Resources to review the applicant pools for disciplines within the Division, and compare the size of the pool to the number of anticipated part time faculty vacancies for that year, in order to determine whether or not additional recruitment efforts shall be made.

Originals of all adjunct faculty application materials will be maintained in the Office of Human Resources for use by all three Colleges.

3.15.3 Employment Requirements: Faculty Hiring (continued)

ADJUNCT FACULTY SELECTION PROCEDURES (continued):

B. USING THE ADJUNCT APPLICANT POOLS

The Dean will notify the Office of Human Resources of the need for additional adjunct faculty. Human Resources staff will review the available pool to determine if there are applications ready for review, and will then make arrangements with the Dean for review of the available application materials.

If no applicant pool exists, the following steps may be taken to recruit for and publicize a particular opening:

A job announcement will be prepared by the appropriate Dean in consultation with discipline faculty, approved by the College President, and forwarded to the Office of Human Resources for final review, preparation and publication. Minimum qualifications and an equal employment opportunity statement will be a standard part of the announcement template.

The job announcement will be publicized in one or more of the following ways:

- The Human Resources web site
- Notice to all District E-mail users via an E-mail HR publication
- Placement of advertising in web sites and or print media as appropriate
- Announcement on the Human Resources 24-hour telephone Job Line

C. SCREENING COMMITTEE

The appropriate Dean is responsible for forming a Screening Committee comprised of a majority of discipline faculty, if possible. The Committee may also include individuals from other divisions or from outside of the College, as appropriate. If other District Colleges have similar adjunct faculty needs, then a single, joint Committee may be established.

The Screening Committee will

- a. whenever possible, include a diverse membership which will bring a variety of perspectives to the assessment of applicant qualifications.
- b. include at least one member who has been certified as an EEO Representative, in order to assist the Committee in its compliance with equal employment opportunity policies and practices
- c. elect one of its members to serve as Chair to guide the Committee process

3.15.3 Employment Requirements: Faculty Hiring (continued)

Using only pre-determined, job-related criteria, the Screening Committee will review the available applications and select for interview, skill demonstration or other pre-determined assessment, those applicants who most closely meet the stated qualifications.

All Screening Committee procedures shall be documented in detail and maintained in a confidential College file for a period of three (3) years.

D. OPTIONAL PROCEDURES FOR HIRES WITHIN 45 DAYS OF ASSIGNMENT

In cases where adjunct faculty openings occur within 45 days of the beginning of the assignment, the Division administrator, with assistance from available faculty, may select a qualified candidate for the position.

The adjunct faculty member who is hired under these circumstances will be required to compete with other applicants in the pool in order to continue employment beyond the term for which the immediate hire was done. If no pool exists, the Division administrator will notify the Office of Human Resources of the need to develop an applicant pool.

If the position is of such a specialized nature that efforts to establish an applicant pool have been unsuccessful, the Division administrator, with available faculty assistance, may select a qualified applicant for the position from among those who do apply.

In all such cases, the administrator will prepare a written explanation of the reasons that the usual procedures were not followed. This documentation is forwarded to the appropriate Vice-President with a copy to the Academic Senate President.

MINIMUM QUALIFICATIONS EQUIVALENCE PROCESS FOR JOB APPLICANTS

Applicants for academic positions in the California community colleges who do not meet the required educational criteria (minimum qualifications) may apply for positions through the “equivalency process.”

The form required to apply for equivalence is included in the District employment application form, and should be completed and submitted along with other required items. The job applicant is responsible for submitting the required District equivalence application form, along with any supporting documents needed to assert an equivalency to State-directed or local District minimum qualifications.

To determine equivalence, the Screening Committee as a whole will rely upon the advice and leadership of discipline experts. Reasons for approval or denial of equivalence should be documented. Criteria for equivalence determination are the following:

Degree Equivalence:

The equivalence candidate possesses a degree(s) with similar content to those listed in the job announcement.

Academic Background Equivalence:

The equivalence candidate should meet the requirements for minimum qualifications in an allied field. In addition, in lieu of a major, the candidate should have completed twenty-four (24) semester units of both upper division and graduate work in the academic field specified in the job announcement.

Professional Achievement Equivalence:

The equivalence candidate should show outstanding professional achievement or substantial training in the job announcement field. The equivalence candidate should submit substantial evidence which demonstrates that his/her preparation, experience, and ability are equivalent to those expected from a candidate who meets minimum qualifications.

Supporting materials should include appropriate validation such as: transcripts, evaluations, portfolios, licenses, certificates, employer attestation, recordings, exhibitions or publications.

Once equivalency is determined by the Screening Committee, the candidate completes the selection process in the same manner as all other candidates.

If an equivalency candidate is selected for hire, a statement confirming equivalency will accompany the candidate’s name when presented for approval to the Board of Trustees.
