* During the evaluation of the bids it was determined the apparent low bidder, Western Roofing Service, had an error in the calculation of the Owner's Allowance and Bid Total on the bid form. The error was corrected in both the Owner's Allowance and the Total Bid amount stated above. This correction was made in accordance to paragraph 20.C. of Section 00 11 19 (Instructions to Bidders) of the contract documents, which states:

"Discrepancies between the multiplication of units of Work and limit prices will be resolved in favor of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum..."
