MEETING AGENDA

1. Progress report from each subcommittee

- What strategies for fact findings have you found to be particularly effective?
- What frustrations have you experienced?
- What more can the District liaisons do to help your process?
- What strengths of the College have you discovered?
- What "opportunities for improvement" have you found that we might begin acting upon?
- What gaps in evidence have you discovered?
- What questions do you have, if any, for student and/or faculty/staff surveys?
