**MEETING AGENDA**

Accreditation co-chairs,

We would like to invite you to meet with us as a small standards-based team to discuss the feedback on our first draft of the accreditation report. The goals of the meeting are: to discuss the feedback; to learn what people and resources are needed to complete a second draft by Oct. 31; to provide you with guidance on writing the self-evaluation; and to update you on evidence handling and survey results. Since we will be meeting with all co-chairs over the course of the next two weeks, we will cancel the Steering Committee meeting scheduled for Tuesday, Sept. 11.

The meeting schedule is posted below. You are welcome to invite everyone from your team to the meeting. If you are unable to attend your meeting time, please contact us and we will attempt to further accommodate.

Thank you for your service.
