March 22, 2013

Cañada College
4200 Farm Hill Boulevard
Redwood City, CA 94061

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met March 18, 2013 to review the Substantive Change Proposal from Cañada College to offer 10 degrees and eight certificates (attached) 50% or more via distance education or electronic delivery.

The Committee acted to approve the request and thanks the College for submitting an exemplary proposal.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Sincerely,
