

<p>III. College Change Network</p> <p>IV. College Council By-Laws</p> <p>V. Planning & Budget Constitution</p> <p>VI. President's Goals for Next Year</p>	<p>should be submitted to Vice President Lucas-Woods no later than September 30th.</p> <p>California Tomorrow is a campus opportunity for Colleges to get together two times a year and collaborate with other campuses. The program would include technology assistance, workshops for faculty and staff. Colleges sending staff would have to pay for their travel and lodging expenses.</p> <p>The Budget & Planning Committee does not recommend that Cañada commit to this program at this time as the College does not have any extra funding and would like to see some concrete examples from other Colleges participating in this program. They also feel that we need to focus on our College's Strategic Plan and Accreditation, and that participating in California Tomorrow program might take away from these projects.</p> <p>Members brainstormed on Articles I and II. Article III will be reviewed at the next meeting.</p> <p>Presented and reviewed the final revised Planning and Budget Constitution. Question arose on the College Business Officer and College Researcher being Ex-Officio members. After discussion it was agreed by College Council members to leave as Ex-Officio. Moved and seconded to approve the Planning & Budget Constitution. All members agreed.</p> <p>Goals for next year are:</p> <ul style="list-style-type: none"> • Strong commitment to Community, Chamber, High Schools, families • College take position as an educational leader • College host a county-wide conference on topic "State of Education in Our County" • University Center become a place for on-going staff development for High Schools 	<p>Patty Dilko, Academic Senate President & Planning & Budget Chair</p> <p>Monica Malamud, College Council Chair & Members</p> <p>Patty Dilko, Chair Planning & Budget</p> <p>Victoria O'Donnell Joan Murphy</p> <p>Thomas Mohr, Interim President</p>
