

General Education Student Learning Outcomes

Cañada College

(Adopted: 9/13/07)

Upon completion of an AA/AS degree, students will effectively...

1. Apply basic knowledge of the arts, math and sciences to solve everyday problems and comprehend the ideas of others.
2. Use communication skills and technology to interact with others and express ideas in a diverse society.
3. Find, evaluate, document, and use ideas derived from a variety of information sources.
4. Use critical and constructive thinking for solving problems and making informed decisions on ethical issues.
5. Cultivate a set of values for personal and civic life as a responsible participant in a global community.
6. Recognize and evaluate practices that contribute to lifelong wellness.
