

Cañada College Mission

It is the mission of Cañada College to ensure that students from diverse backgrounds have the opportunity to achieve their educational goals by providing quality instruction in general, transfer, career, and basic skills education, and activities that foster students' personal development and academic success. Cañada College places a high priority on supportive faculty/staff/student teaching and learning relationships, responsive support services, and a co-curricular environment that contributes to personal growth and success for students. The College is committed to the students and the community to fulfill this mission.

Institutional Student Learning Outcomes

Draft 12/11/08

Students of diverse backgrounds will achieve one or more of the following outcomes:

- complete coursework necessary to meet the general education requirements for an Associate of Science or Associate of Arts degree.
- complete coursework required for transfer to California State University, University of California, and various private universities.
- complete appropriate basic skills courses in preparation for enrollment in college-level certificate, degree or transfer programs.
- complete coursework required for Associate of Science, Associate of Arts, or certification in career programs.
- participate in activities that support their personal development and education plans.

Note that “participate in activities” includes use of services such as financial aid, tutoring, counseling, and other student services, as well as student clubs and campus events.
