

Moving from Compliance to Improvement: Using Outcomes Data to Improve Student Learning

Facilitated by:

Dr. Norena Badway

*Associate Professor, Educational Administration and Leadership Department (Higher Education Leadership),
Benerd School of Education, University of the Pacific*

&

Dr. W. Norton Grubb

Professor, Graduate School of Education, University of California-Berkeley

Participant learning outcomes:

- Use local data to plan effective program improvement strategies
- Meet accountability and accreditation guidelines
- Great governance processes for assessment
- Develop and implement assessment instruments
- Implement a plan to improve student learning
- Use assessment to revise instruction and student services

These one and a half day workshops will be activity-based, engaging teams of 5 leaders from each campus. Your team should be comprised of 2 instructional deans/administrators (one of whom is a Vocational Dean), 2 faculty members and 1 researcher.

Workshops for the Bay Region are scheduled for:
March 10-11, 2005 - DoubleTree Hotel-Berkeley Marina
April 7-8, 2005 - San Mateo Marriott Hotel

Make your reservation now by completing the Program Improvement Workshop Participant Form. Be sure to indicate those needing room reservations. Email completed form to bacc@smccd.net. Direct your questions to Rita Gulli at (650) 574-6173 or gullir@smccd.net.

Funded by the Chancellor's Office, California Community Colleges (grant # 04-0342)

Terms and conditions:

Team members will be expected to attend all sessions. Teams that attend this train-the-trainer workshop are expected to work collaboratively and conduct a subsequent workshop on their campuses for faculty, staff and administrators. This grant provides reimbursement funding for substitutes and allows for faculty stipends of \$500.00 upon completion of the on-campus training. Teams will also provide the Bay Area Community College Consortium with a report on the effectiveness of the training. Your consent to these terms is in the form of a signed agreement in attachment "Faculty Stipend Agreement".

Meals and lodging (room and tax) are provided in accordance with the grant. Meals include two breakfast buffets, one lunch buffet and one afternoon snack and refreshments. Participants will be responsible for their dinner meal and incidental charges to their room account.

Please return this completed form to bacc@smccd.net

Please return the completed and signed Faculty Stipend Agreement by fax to (650) 574-6610
