

Basic Skills Meeting Agenda
10/20/09 3:00-4:00pm 3-104

1. Student Success Conference 5 min

2. Institutional Researcher: key findings 10 min
 - 80% of students test into Basic Skills Math or English. Of those 80%, only 15% enroll in a Basic Skills Course
 - Longer sequences = lower success and completion rates for ESL, English, and Math
 - Basic Skills students who enrolled in Basic Skills course have the highest persistence rate of the 6 student groups identified by the IR (50%); those who do not enroll in a BS course have among the lowest persistence rates (35%)

3. Reduced Budget 15 min
166,731→93,304 allocation

4. Action Plan: prioritizing for revised budget 20 min

5. Flex day planning committee 10 min

6. transfer discipline parade 5 min
