

California Community Colleges Classified Senate

April 16, 2010

Ms. Roberta Chock
Classified Senate President
Cañada College
4200 Farm Hill Boulevard
Redwood City, CA 94061

Dear Senate President Chock:

Recognition of exemplary Classified Senates is one way in which the California Community Colleges Classified Senate (4CS) assists colleges in developing their local senates or councils. I am pleased to inform you that the Cañada College Classified Senate has been awarded the status of Model Senate.

Model Classified Senates are organizations that exercise their role in shared governance with autonomy and professionalism. They exemplify the highest standards of classified participation within the learning environment, encourage classified leaders to become stronger, and offer their support and encouragement for novice and established senates seeking organizational revitalization. The designation of Model Senate is the highest honor that 4CS confers.

The Cañada College classified senate will be formally recognized at the 2010 Classified Leadership Institute (CLI). CLI will be held June 10-12, 2010 at the Granlibakken Conference Center in Tahoe City, California. We hope you and your senate members will attend this inspiring leadership conference. At CLI you will have a chance to learn about shared governance, develop your leadership skills, and network with other classified leaders from around the state. We encourage you to attend CLI 2010 and accept your award among your peers.

Congratulations on your achievement. On behalf 4CS, we look forward to seeing you at the Classified Leadership Institute.

A handwritten signature in black ink that reads 'Benita Briones'.

Benita Briones
4CS President
