

Value Phrases
By Strategic Planning Committee

As a student-centered community college, Cañada is committed to the following core values:

- 1. Creating an inclusive environment for teaching and learning by honoring, respecting, and embracing diversity within our College and surrounding community;*
- 2. Providing a personal, caring atmosphere.*
- 3. Promoting student access, success, self-efficacy, and passion for learning*
- 4. Encouraging a passion for life-long learning*
- 5. Demanding and insuring excellence in teaching and supporting our students*
- 6. Incorporating ethical approaches into all aspects of the educational process;*
- 7. Striving to be an innovative college by responding to the changing needs of students, community, and industry*
- 8. Practicing the inclusion of shared governance processes in all appropriate aspects of College life.*
