

PROGRAM ALL FIELDS REPORT

Basic Program Information

Program Title	Multilingual Learner Teaching
Discipline	ECE.
Award Type	Certificate of Achievement
Justification for Proposal	In response to community needs regarding young children who are multi/dual language learners, the Education and Human Development department is partnering with the San Mateo County of Education to create a Multilingual Learner Teacher Certificate of Achievement. This certificate equips early educators with skills and knowledge specific to supporting multi/dual language learners during the early childhood years.
Career Opportunities	Paraprofessional (PreK-3rd grade); Early Childhood Assistant Educators; Early Childhood Educators with specialization in dual language learning; ML coach; ML professional development provider

Description

Program Description	<p>The Multilingual Learner Teaching Certificate of Achievement provides educators the knowledge and skills necessary to ensure full access and active participation of multilingual learners (MLs) in early learning settings.</p> <p>The 10-unit certificate requires 8 courses, each of which targets key concepts and competencies foundational to dual/multilingual learning and development, including but not limited to first and second language acquisition, cultural and contextual factors, teaching multilingual learners and supporting their families, and curriculum planning for multilingual children in early learning settings.</p>
