- Courses do **NOT** need an addendum for students to do Honors Contracts.

Honors information is in TWO places on the Course Outline

- “Honors Content” in Course Content:
 - automatic language ... should NOT be changed
- “Honors Addendum”
 - 13 criteria that faculty need to address regarding how the course will be delivered for Honors
 - All 13 criteria need to be addressed
 - Faculty can reach out to me with questions

Honors Content – Don't Change

Honors Content:

1. This course may be offered at an honors level. While the class content remains the same and students can expect to achieve the same student learning outcomes, the students experience in an honors section may be significantly different in the following ways:
 - A. Topics covered with greater breadth and depth than non-honors, lower division course work;
 - B. Research expectations are beyond non-honors course assignments;
 - C. Extensive reliance on primary source documents and more advance research methodology is required;
 - D. Greater critical thinking and extended analysis than in non-honors course work; and,
 - E. Creative projects and/or documentation beyond non-honors course requirements

The specific details about how honors-level work is implemented in this course are included in the Honors Course Addendum.

Honors Addendum – 13 Criteria

Faculty should explain how course does each.

1. Expectation for greater degree of student participation and involvement.
2. Student work evaluated with higher standards of performance expectation.
3. More independent reading. Describe how independent reading is determined and assessed.
4. More opportunities for writing.
5. Course approach requires more critical thinking.
6. Students expected to use primary sources to a greater extent.
7. Greater depth and/or breadth of subject matter presented.
8. More opportunities for research and/or publication.
9. Explain expected citations.
10. More opportunities to pursue topics/projects of individual interest.
11. Course is interdisciplinary in design.
12. Greater flexibility in format and teaching methodologies.
13. Selected field trips, guest speakers, and opportunities to attend related cultural and social events are offered.
