

## 2.20 Equal Employment Opportunity

1. The San Mateo County Community College District is committed to equal employment opportunity and full recognition of the diversity of cultures, ethnicities, language groups and abilities that are represented in its surrounding communities and student body. The Board believes that diversity in the academic environment fosters cultural awareness, mutual understanding and respect, and suitable role models for all students. The District shall demonstrate its commitment to the cultural competence<sup>1</sup> of its employees and students through policies, procedures, training programs, services and activities which promote diversity and mutual respect within the District work force and student body.
2. The San Mateo County Community College District is an equal opportunity employer that shall provide an educational and work environment in which no person is denied access to, or the benefits of, any program or activity of the District on the basis of ethnic group identification, national origin, religion, age, gender, sexual orientation, race, color, or physical or mental ability. This includes District decisions about employment, retention, compensation, promotion, termination and/or other employment status.
3. The District shall monitor the success of equal opportunity in its recruitment, selection, retention and promotional policies and procedures by monitoring outcomes to assure no adverse impact against any person or group of individuals, due to ethnic group identification, national origin, religion, age, gender, sexual orientation, race, color, or physical or mental ability.
4. The District complies with the spirit and law of the Americans with Disabilities Act of 1990 as amended by providing equal opportunity for persons with disabilities. The District shall make reasonable accommodations so that persons of all levels of ability enjoy equal access to all aspects of employment and education in our District, including but not limited to, educational services, selection procedures, retention and promotion.

In order to prevent discrimination on the basis of disability, the District will allow an individual with a disability to use a service animal or miniature horse in District facilities and on District campuses in compliance with state and federal law.

5. The District will not tolerate discourteous, offensive or abusive conduct or language including jokes, slurs, derogatory comments, or behaviors or language regarding a person's ethnic group identification, national origin, religion, age, gender, sexual orientation, race, color, or physical or medical condition relating to other employees, students or the public.
