

2.28 Safety; ~~Employee-Injury and Illness Prevention Program~~

1. It is the policy of the San Mateo County Community College District to provide a safe environment for students, employees and visitors ~~that is free from violence and threat of violence.~~ The District is committed to the implementation of safety and health policies and procedures involving workplace security for employees and students.
2. The District strictly prohibits the unauthorized possession of firearms and other weapons on ~~its property~~ any College or in any facility of the District except for activities conducted under the direction of District officials or as authorized by an official law enforcement agency.
3. The District prohibits any behavior that is ~~violent~~, menacing, intimidating, or otherwise poses a threat to the safety of its students, employees, and visitors, and will implement investigative and disciplinary procedures immediately, as appropriate, in order to maintain a safe educational and work environment.
4. Employees and students shall be directly responsible for conducting themselves, at all times, in a manner that is consistent with current District Rules and Regulations.
5. ~~The Chancellor shall establish administrative procedures that assure that employees are informed regarding what actions will be considered violent, menacing, or intimidating, and requiring any employee who is the victim of any such conduct in the workplace, or is a witness to such conduct to report the incident and that employees be informed that there will be no retaliation for such reporting.~~
6. The ~~Associate- Vice~~ Chancellor-~~Human Resources & Employee Relations~~ will maintain a written Employee Injury and Illness Prevention Program which complies with all applicable sections of the California Labor Code; California General Industrial Safety Orders; California Department of Industrial Relations; California Occupational Safety and Health Act regulations; and related laws governing educational and workplace safety and security.
 - a. The program will promote safe practices among employees by emphasizing training in safety awareness, recognition of early warning signals of potential workplace violence, clear lines of employer/employee communication, use of safety devices and mechanical safeguards, implementation of timely response and investigation procedures, and regular program evaluation.
 - b. The program will include the method for identifying, reporting and evaluating hazards and potential and actual threats to safety, and the means for correcting unhealthy and potentially dangerous conditions and practices in a timely manner.
 - c. The program will be administered by the Office of ~~the Associate Chancellor~~ Human Resources.
