

6.20 Probation, Dismissal, and Readmission

All academic standards shall conform to the education and administrative codes of the State of California and shall include procedures whereby students may petition a College Academic Standards Committee for reinstatement in College in the event of their failure to maintain the required standards. (replaces first paragraph of Policy 7.35)

- a. A student shall be placed on Academic Probation if he or she has attempted a minimum of 12 semester units of work and has a grade point average of less than a "C" (2.0).
- b. A student on Academic Probation shall be removed from probation when the student's accumulated grade point average is 2.0 or higher.
- c. A student shall be placed on Progress Probation if he or she has enrolled in a total of at least 12 semester units and the percentage of all units in which the student has enrolled, for which entries of "W," "I," "NC" and "NP" were recorded reaches or exceeds fifty percent.
- d. A student on Progress Probation shall be removed from probation when the percentage of units in the categories of "W," "I," "NC" and "NP" drops below fifty percent.
- e. A student who is placed on probation may submit an appeal in accordance with procedures established by the College.

2. Dismissal

- a. A student who is on Academic Probation shall be subject to dismissal if in any two subsequent semesters, the student has earned a cumulative grade point average of less than 1.75.

3. Readmission

- a. A dismissed student shall be considered for readmission by filing a written petition of appeal/readmission. Appeals/Readmissions may be granted, denied, or postponed according to criteria established by administrative procedures.

4. Inclusion/Exclusion of Units Attempted (replaces Policy 7.35[2])

All SMCCCD units in which the student has been officially enrolled will be utilized in determining the applicability of the policy on academic probation and dismissal. The determination of the applicability of the policy on academic probation and dismissal will be based on the inclusion of:

- b. All units in which the student has been officially enrolled, except those in which the student has been assigned a non-evaluative symbol of “MW,” “RD,” or “IP” when applying the satisfactory progress rule.
