

Advertisement for 2014 SMCCCD Construction Contractor Prequalification

NOTICE IS HEREBY GIVEN that the San Mateo County Community College District, acting through its Governing Board, is seeking to prequalify California State licensed contractors who wish to compete for the award of various construction contracts.

The vast majority of projects associated with the San Mateo County Community College District's Capital Improvement Programs are complete. Consequently, the District anticipates less construction activity during the 2014 calendar year relative to previous years. Nonetheless, only prequalified bidders will be eligible to submit bids for District construction projects as they arise. Projects may be located at Cañada College, College of San Mateo, or Skyline College. Trade contractors who wish to prime with the District are strongly encouraged to participate in this prequalification effort.

Prequalification submittals: To be considered for the District's 2014 contractor pool, contractors must complete an online application. To access the District Prequalification Application, all Contractors must self register online at the District's Facilities website starting on November 8, 2013:

<http://www.smccd.edu/accounts/smccd/departments/facilities/PreQualHowTo.shtml>

Prequalification Conference: A **non-mandatory** prequalification conference is scheduled for Wednesday, November 13, promptly at 2:30 P.M PST. Interested parties will meet at the District Board Room, 3401 CSM Drive, San Mateo, CA 94402.

Prevailing Wage Requirements: Contractors are informed that they will be subject to and must comply with all of the requirements under the California Labor Code to pay the general prevailing rate of per diem wages, holiday and overtime work to all workers employed by the contractor. Copies of prevailing rates of per diem wages are available from the Department of Industrial Relations, State of California.

Labor Compliance Program: SMCCCD projects may be required to conform to a Labor Compliance Program in accordance with the requirements of the Department of Industrial Relations, State of California.

Application due date: Applications must be submitted on or before 2 p.m. PST December 9, 2013.
