FILE NUMBER:

This and all other project documents and all ideas, methods and designs included therein are instruments of service. All project documents are the registered property of LPA, INC. and LPA's Consultants and may not be used in whole or any portion of or copies accept as described in the contract or other agreement between McCarthy and the District. LPA hereby gives formal notice that any such project document use, reproduction or modification (misuse) is not only unlawful but automatically binds all parties involved with misuse to fully indemnify and defend LPA and LPA's Consultants for the misuse. Project documents are not to be used for bidding or installation unless signed, sealed and marked "for construction" on the project document release. Project documents describe design intent of work and are not a representation of as-built or existing conditions. LPA and LPA's Consultants make no representations concerning the accuracy of documents and are not responsible for any discrepancies between project documents and the existing conditions.
