The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, **www.anthem.com/ca/calpers**. For general definitions of common terms, such as **allowed amount**, **balance billing**, **coinsurance**, **copayment**, **deductible**, **provider**, or other underlined terms see the Glossary. You can view the Glossary at **www.healthcare.gov/sbc-glossary/** or call (877) 737-7776 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$500**/member or **$1,000**/family. All Providers.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. Whichever is met first.
Are there services covered before you meet your deductible?	Yes. Prescription Drugs, Preventive care, Primary Care visit, and Specialist visit for PPO Providers.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	Yes. **$250**/per admission for all inpatient hospitalizations (waived for emergency admission). **$50**/ visit for Emergency room services (waived if admitted directly from ER).	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services. Coinsurance may apply for all other services provided in the ER.
What is the out-of-pocket limit for this plan?	**$2,000**/single or **$4,000**/family for PPO Providers. **$0**/single or **$0**/family for Non-PPO Providers. This plan has a separate Out of Pocket Maximum for Prescription Drugs of **$2,000**/single or **$4,000**/family, **$1,000** Home delivery.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. Whichever is met first.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, deductible, copay, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Important Questions (cont.)	Answers	Why This Matters:
Will you pay less if you use a network provider?	Yes, Prudent Buyer PPO. See www.anthem.com/ca/calpers or call (877) 737-7776 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

That's why we follow federal civil rights laws in our health programs and activities. We don't discriminate, exclude people, or treat them differently on the basis of race, color, national origin, sex, age or disability. For people with disabilities, we offer free aids and services. For people whose primary language isn't English, we offer free language assistance services through interpreters and other written languages. Interested in these services?
