Cost Estimator

Know before you go

The image shows a smartphone screen with the Delta Dental logo at the top. Below the logo, the text reads "Cost estimator" and "Estimate the costs of a dental visit". A paragraph explains the tool's purpose: "Looking to budget your dental costs? Get a personalized estimate of how much you're covered for a procedure and how much you might pay out of pocket." A note indicates that an asterisk (*) denotes required information. There are two dropdown menus: "Select a plan member *" and "Select a procedure *". The "Select a procedure *" menu is currently set to "Filling". At the bottom, there is a green button labeled "Get cost estimate" and a small "Feedback" link.

- Estimate costs based on member benefits
- Members can compare procedure costs at nearby dentists
- More cost transparency about out-of-pocket costs helps save money.
